

# Acacia Connection

Last Wednesday was a busy day. The day began with Donuts with Dad or a substitute dad, such as a mom or even some grandmas. We hope you enjoyed this special time.

Naomi with her dad and siblings

Maverick with his dad and siblings

Jaeylen with her dad and siblings.

Hugo with his dad and siblings.

Hattie, Alden & Dad

William & Mom

On the same day, mid-morning, we went to the Good Sam nursing home. The planned activities had the Presidents as a theme since Monday was Presidents Day. We received Red, White and Blue Popsicles. We were asked what we would do if we were President. One response was 'sleep'. Next, we carried pictures of past presidents around the circle for the residents to see as the activity assistant read interesting facts about each president. Each of us was given a flag to hold as the Pledge of Allegiance was recited. We were surprised when we were told we got to keep the flags and a copy of The Great Seal!

In the evening many families went to McDonalds in Windom for McTeacher Night. Thank you to all who came and supported MLC!

These are some of the Presidents that were a part of the Presidents' Parade.

Friday after recess, fourth graders came to our room.

Each read a poem and then a limerick that they wrote. One of the readers was Alden, Hattie's brother.

Math creativity  
Math bars were used to make this happy face.

For Show and Tell Something You Love, Akram was happy to show us his remote-control car.

In Math class we are working on Place Value; ones and tens, and comparing numbers; which number is greatest? Which number is Least?

Connecting cubes were used to illustrate place value. The number eleven is one ten and one ones. Fifteen is one ten and five ones, etc.

**Bible Memory: Ten Commandments** (the short NIV version)

**Elementary Spelling Bee, Thursday, Feb. 27, 8:30 a.m. in the music room.** Parents are welcome. Younger siblings need to watch quietly so as not to distract those who are spelling.

**Show and Tell Something you have made, Friday, February 28** - clues are needed

**Library, February 28** – in the afternoon

**Parent-Teacher Conferences – Thursday, March 5**
