

ACADEMIC ACHIEVEMENT

All students are expected to meet or exceed the Centennial BOCES's or applicable district's academic standards before they transition from level to level and before they are eligible to graduate, or complete the requirements and goals as listed in their Individualized Education Program (IEP), which may include modified academic standards.

Centennial BOCES staff and students are directly responsible for student learning. The Board expects each student to study and learn to the best of his/her ability, and each staff member to help in developing and maintaining a climate that encourages and supports academic achievement and high standards of behavior. The Centennial BOCES's or applicable district's academic standards shall be the focal point of classroom instruction.

To fulfill this expectation, all students will be provided challenging instructional programs. Student learning and performance will be monitored against the standards through the use of valid and reliable measures.
