Thursday 10/15

B Day
Earthquake drill
Virtual Parent Technology Night

Friday 10/16

B Day
Remote 3rd grade BOG test and makeup BOG

1. The Scholastic Virtual Book Fair will end on Sunday the 11th. We encourage you to go to the Trindale website and click on the Scholastic Book Fair link at the top of the page. All proceeds go back into the Media Center for books and reading calendar rewards for students. We thank you for your support and hope you can find a good book for your child to read.
2. The schoolwide expectation is that all students will read 20 minutes a night in addition to any other work they may receive. The best way to grow a reader is to practice and read as much as possible. Please try to carve out time each night to have your child read or read to them. Those who read each night and bring in a signed reading calendar each month will receive a reward from the Media Center.

3. On Thursday, we will have an Earthquake drill. Teachers will let students know it is just a drill so we can practice what to do in case there ever is an earthquake while we are at school.

4. The PTO is doing an online shirt sale for the dale. Families can order short sleeve, long sleeve, and sweatshirts until October 30th. Once the ordering is over, the items will be delivered to the dale and we will send them home with students or notify remote families to come to pick them up.

5. Finally, this Thursday our Technology Family Night will be available for viewing on Trindale's homepage. Please take the time to watch teachers share what technology the students have been using. A riddle worksheet will be sent home to complete as you view the videos. Those that participate will be entered in a drawing for 1 of 6 \$25 gas gift cards.
