

2ND GRADE ART LESSON WEEK 1

In this week's art lesson you will be creating pirate portraits! Remember that a portrait is a picture of a person.

You will need:

Paper
Pencil
Eraser
Sharpie
Crayons or markers or oil pastels

[Here](#) is the link to a guided drawing created by Cassie Stephens who is an art teacher just like me in Tennessee! She will show you how to draw a boy and girl pirate so you can choose the one you would like to follow along with. Remember, yours will not look exactly like hers and *that's ok!* You are a different person than she is! Also, remember to be creative and change up the drawing any way you would like! You may draw and color with whatever you have on hand!

Optional:

Create a wanted paper to go with your pirate!
