8. A student eligible for the HOPE Scholarship, who was Academically Eligible for the Zell Miller Scholarship, at the time of his or her high school graduation, may gain Zell Miller Scholarship eligibility at the Fourth-Tier if the student had a minimum 3.30 GPA at his or her most recent Checkpoint and meets all other eligibility requirements.

A student who obtains a grade change from his or her Eligible Postsecondary Institution is eligible to have his or her Postsecondary Cumulative Grade Point Average recalculated for purposes of Zell Miller Scholarship eligibility at the End-of-Spring Checkpoint, Three-Term Checkpoint, or an Attempted-Hours Checkpoint.
  - a. A student previously denied Zell Miller Scholarship payment because his or her Postsecondary Cumulative Grade Point Average was less than a 3.30 at one of the Checkpoints is eligible for retroactive Zell Miller Scholarship payment, if the grade change results in a Postsecondary Cumulative Grade Point Average of a 3.30 or higher.
2. Degree hours appearing on a student's transcript as "incomplete", and all other situations in which grades are temporarily unavailable (i.e., overlapping terms, late grades, late transcripts from Transient coursework, etc.) must be counted when determining the student's number of Attempted-Hours, but are not included in the calculation of Quality Points when determining the Postsecondary Cumulative Grade Point Average.
  - a. A student's Zell Miller Scholarship eligibility should be evaluated at each Checkpoint, based on the Postsecondary Cumulative Grade Point Average at that Checkpoint.
3. If the student was denied, but later becomes eligible when the grade is reported, the student is eligible to receive Zell Miller Scholarship payment retroactively. The request for retroactive payment must be submitted to GSFC by the last day of the term following the term in which the grade change occurs.
  - a. If the student was awarded at a Checkpoint, but later becomes ineligible when the incomplete grade is removed, then Zell Miller Scholarship awards must be canceled until the next Checkpoint and the student and GSFC must be notified by the Eligible Postsecondary Institution that the student owes a repayment of the Zell Miller Scholarship funds.
  - b. The student owes the repayment even if it was awarded in a previous award year. The Eligible Postsecondary Institution is held harmless by GSFC for such repayment.

#### **4005.12. Attempted-Hours Limit.**

1. A student is ineligible to receive Zell Miller Scholarship payment once he or she reaches the Attempted-Hours limit of 127 semester or 190 quarter hours.
2. A student who is Enrolled in a specific Undergraduate Degree program of study that is designed by the Eligible Postsecondary Institution to require more than

127 semester or 190 quarter hours to earn a Baccalaureate Degree is ineligible to continue receiving the Zell Miller Scholarship once he or she has accumulated 127 semester or 190 quarter Attempted-Hours, or has accumulated 127 semester or 190 quarter Combined-Paid Hours.

#### **4005.13. Attempted-Hours Calculation.**

1. The following postsecondary coursework is not counted in the Attempted-Hours calculation:

  - b. Continuing Education and Audit credit hours;
  - c. Credit hours earned by examination or prior work experience;
  - d. Credit hours earned as a result of military training or experience are not counted as Attempted-Hours, unless such hours were granted or accepted as Degree credit by any postsecondary institution that is separate and independent of the military;
  - e. Credit hours earned for Learning Support in Fall term 2011 or later, or accepted for Degree credit in Fall term 2011 or later.
2. The following postsecondary coursework is counted in the Attempted-Hours calculation:
  - a. Degree credit hours, regardless of whether:
    - i. The course was completed, the hours were earned, or a letter grade was recorded on the student's official academic transcript.
    - ii. The student receives payment for those hours from the Zell Miller Program.
    - iii. Those hours were taken at a postsecondary institution outside the State of Georgia or at a postsecondary institution in a foreign country.
    - iv. Those hours were taken at an unaccredited postsecondary institution.
  - b. Credit hours attempted as part of a technical Certificate or Diploma program of study are only counted as Attempted-Hours if any postsecondary institution ever accepted those hours as credit hours toward a Degree;
  - c. Courses that appear on a student's transcript with no credit hours must be assigned three semester or five quarter credit hours for the purpose of

determining a student's Attempted-Hours, unless the Eligible Postsecondary Institution's official college catalog lists the course as a zero-credit course or the official college catalog lists the course as some value other than zero. In such case, the value listed in the college catalog must be used;

- d. Students transferring from Certificate or Diploma programs into Associate of Applied Science (AAS) or Bachelor of Applied Science (BAS) Degree programs receive a "block" of credit hours for coursework taken in the Certificate or Diploma program, rather than on a course-by-course basis. In order to determine the number of Attempted-Hours, the value of the "block" of credit hours is dependent upon the number of hours the student is required to complete in order to receive an AAS or BAS Degree. The Postsecondary Cumulative Grade Point Average is based on the cumulative grade point average for the full "block" of credit hours;
- e. Credit hours earned for Learning Support coursework prior to Fall term 2011, are counted as Attempted-Hours, if such coursework was attempted by the student while he or she was Enrolled in a Degree program or while he or she was Enrolled in a Diploma or Certificate program and the coursework was accepted as credit toward the student's Degree program prior to Fall term 2011;

#### **4005.14. Combined Paid-Hours Limit.**

- 1. A student is ineligible to receive Zell Miller Scholarship payment once he or she reaches the Combined Paid-Hours limit of 127 semester or 190 quarter hours from any combination of Zell Miller or HOPE Scholarship Paid-Hours, plus HOPE or Zell Miller Grant Paid-Hours, plus Accel Program Paid-Hours (through FY 2011).
  - a. For a student enrolled at a Public Eligible Postsecondary Institution, a maximum of 15 semester or quarter hours per term is counted toward the Paid-Hours limit, even if actual enrollment is greater than 15 hours.
  - b. For a student enrolled at a Private Eligible Postsecondary Institution, a maximum of 12 semester or quarter hours per term is counted toward the Paid-Hours limit, even if actual enrollment is greater than 12 hours.

#### **4005.15. Attainment of a Baccalaureate Degree.**

- 1. Regardless of the number of Attempted-Hours or Combined Paid-Hours a student has accumulated, such student is ineligible for Zell Miller Scholarship payment if he or she has attained a Baccalaureate Degree, at any time, from any postsecondary institution, including the equivalent of a Baccalaureate Degree from a foreign institution as indicated by the foreign academic transcript and/or foreign academic transcript translation.

Invoices must be submitted through GSFC's online invoicing system, Scholarship Up-to-date Records for Electronic Reporting (SURFER), processed, and approved by GSFC by the Invoicing Deadline Date as established by GSFC. Each invoice submitted by the Eligible Postsecondary Institution must include Enrolled-Hours, Paid-Hours, Learning Support hours and the student's program of study information, when applicable to the program.
  - a. In the event invoices are submitted to GSFC by Eligible Postsecondary Institutions after the Invoicing Deadline Date for a school term, GSFC may issue a notice of failure to meet the Invoicing Deadline Date to the President and/or governing body of the Eligible Postsecondary Institution and the invoices may not be honored.
3. Prior to the beginning of any award year, and no later than June 30 of each year, GSFC shall establish and publish the Invoicing Deadline Dates for each school term for the upcoming Award Year.
4. Invoices submitted after the Invoicing Deadline Date may be honored or paid if the failure to meet the date was because of:

## **4010. Student Refunds.**

### **4010.1. Calculation of Refunds.**

1. If a student officially withdraws, drops out, drops hours, is expelled, or otherwise fails to complete a period of Enrollment, and is entitled to a refund, a portion of such refund may need to be returned to the Zell Miller fund.
  - a. A student is ineligible for the Zell Miller Scholarship for coursework from which he or she totally withdrew, as long as such coursework does not appear on the student's academic transcript as a "W" or any other code or identification for such a withdrawal.
  - b. If the Eligible Postsecondary Institution invoiced GSFC prior to a student's total withdrawal, then the Eligible Postsecondary Institution must cancel the student's Zell Miller award for that term, through the SURFER system.
2. To determine the refund due to the Zell Miller Scholarship Program, the Eligible Postsecondary Institution must first apply the Federal Title IV Programs return of funds policy for any federal aid the student may have received.
  - a. If applicable, the Eligible Postsecondary Institution must then apply the Eligible Postsecondary Institution's refund policy, which may or may not be identical to the Federal Title IV Programs return of funds policy, to the student's original Zell Miller award.
3. The Eligible Postsecondary Institution must determine the amount of the refund due back to the Zell Miller Program. The amount of the Zell Miller award not determined to be owed back to the Zell Miller Program is retained by the Eligible Postsecondary Institution to cover the institution's cost for the portion of the school term that the student was enrolled.
  - a. The Eligible Postsecondary Institution must adjust the student's invoice in SURFER to the new award amount remaining after the refund is calculated within forty-five (45) calendar days of the determination.
  - b. If the student only received Zell Miller funds, the Eligible Postsecondary Institution should return the funds determined to be owed to the Zell Miller Program within forty-five (45) calendar days of the refund determination. The Eligible Postsecondary Institution would then collect the refund amount from the student.
    - i. The student should not be reported with a "refund due" status to GSFC since the funds have been repaid to GSFC.

4. If the student received a combination of Federal Title IV Programs funds and Zell Miller funds, the Eligible Postsecondary Institution may not have sufficient funds on hand from the student's award disbursements to return to GSFC, the refund owed to the Zell Miller Program, after applying the Federal Title IV Programs return of funds policy.
  - a. In this instance, the student is considered to have a "refund due" to GSFC and the Eligible Postsecondary Institution must report the student to GSFC with a "refund due" status.

#### **4010.2. Collection of Refunds.**

1. A borrower in default or who owes a refund may be subject to garnishment of their pay, loss of a professional license, offset of lottery winnings, and/or offset of a state tax refund. GSFC will notify the borrower that they are in default and GSFC intends to proceed with any of the remedies listed in this subsection. The borrower will be given 60 days from the date of the notification to make the loan current or to put in place a satisfactory payment plan.

#### **4010.3. Emergency Military Duty.**

1. A student who is a member of the United States Armed Forces, National Guard, or Military Reserve Forces receiving funds from the Zell Miller Scholarship Program who is called to emergency military duty during a school term that is already in progress should not have his or her Zell Miller Scholarship eligibility negatively impacted.
2. If the Eligible Postsecondary Institution the student attends allows the student to totally withdraw and receive a grade such as "WM" for military withdrawal or the Eligible Postsecondary Institution totally removes all grades for that term and corresponding credit hours from the student's records, the Eligible Postsecondary Institution should return the full amount of the Zell Miller Scholarship award to the Zell Miller account.
3. This regulation may also be applied to students who are not members of the military but are otherwise unusually and detrimentally affected by the emergency activation of members of the military, as determined by the president of the Eligible Postsecondary Institution that such student is attending.

## **4011. Reconciliation Requirements.**

### **4011.1. Term-Reconciliation.**

1. Eligible Postsecondary Institutions must conduct a Term-Reconciliation by the end of each term.
  - a. A Term-Reconciliation consists of an official acknowledgement by an authorized school official, through SURFER, that the number of students submitted for payment, amount invoiced by the Eligible Postsecondary Institution, the number of students awarded, and amount issued by GSFC, according to the SURFER system, is accurate on that date.
  - b. GSFC will not issue any state scholarship funds for the following term until the Term-Reconciliation is complete.
  - c. Funds are not returned to GSFC as part of the Term-Reconciliation process.

### **4011.2. Fiscal Year End Reconciliation.**

1. In addition to the Term-Reconciliations, the Eligible Postsecondary Institution must conduct the Fiscal Year End Reconciliation through SURFER.
  - a. The Eligible Postsecondary Institution must conduct a complete student-by-student Fiscal Year End Reconciliation with GSFC that includes:
    - i. Submission of a reconciliation certification form by July 15, immediately following the completion of the Fiscal Year for each State Program, verifying accuracy of each invoice submitted by the Eligible Postsecondary Institution with respect to Enrolled-Hours, Paid-Hours, Learning Support hours, and the student's program of study information, when applicable to the program; and
    - ii. Return to GSFC any funds not utilized according to the Fiscal Year End Reconciliation by August 15 after the beginning of the new Fiscal Year.
2. GSFC will not issue any state scholarship or grant funds for the Fall term until the previous Fiscal Year End Reconciliation process is complete.
3. The Eligible Postsecondary Institution must have a procedure in place to ensure that the state scholarship and grant funds do not go to an unintended third party (i.e., state, postsecondary institution).

## **4012. Records Retention Requirements.**

#### **4012.1. Length of Retention.**

1. An Eligible Postsecondary Institution shall maintain accurate records, books, documents and other evidence concerning the Zell Miller Scholarship Program, including, but not limited to individual student files for whichever is longer:
  - a. Three years after the Award Year in which the aid was awarded; or
  - b. For such other period as required by an applicable statute, rule, or regulation; or
  - c. Such other time as requested in writing by GSFC.

#### **4012.2. Documentation.**

1. Documentation contained within an individual student file or record, which supports the original determination of a student's eligibility, must be retained by the Eligible Postsecondary Institution and available for review by GSFC on the Eligible Postsecondary Institution's campus, located within the State of Georgia, for at least three calendar years after the most recent Award Year for which the student received Zell Miller funds (refer to *Section 4014.*).
2. Eligible Postsecondary Institutions are permitted to maintain these documents in an imaged media format. The imaged media format must be capable of reproducing an accurate, legible, and complete copy of the original document.
  - a. Such documentation may include, but is not limited to copies of permanent resident alien cards, Georgia state income tax returns, student financial aid applications and academic transcripts from previous institutions.
  - b. Documentation regarding a student's eligibility is not limited to files, records, and other information received and maintained by the Eligible Postsecondary Institution's financial aid office.
  - c. Documentation supporting a student's eligibility that is received and maintained by the Eligible Postsecondary Institution's admissions office, registrar's office, business office, or other administrative operations of the Eligible Postsecondary Institution must be available to GSFC for the purpose of Compliance Reviews.
3. It is the Eligible Postsecondary Institution's responsibility to resolve any inconsistencies or conflicting information within a student's records, prior to awarding or disbursing Zell Miller funds to the student.

#### **4012.3. Extended Retention.**

1. An Eligible Postsecondary Institution may be required to retain student records involved in a Compliance Review Audit or investigation for more than the three-year retention period set forth in *Section 4012.1*. If the three-year retention period expires before the issue in question is resolved, the Eligible Postsecondary Institution must continue to retain all associated records until resolution is reached.

### **4013. Administrative Reviews and Exceptions.**

1. As provided by this section, a student may request an Administrative Review of the application of a Zell Miller rule, policy or regulation if the student believes such rule, policy or regulation was incorrectly or improperly applied or a student may request an Exception to a Zell Miller rule, policy or regulation if there are exceptional circumstances warranting the request.

#### **4013.1. Administrative Reviews.**

1. The Zell Miller Scholarship regulations are applied to each student considered for Zell Miller Scholarship funds by appropriate officials of Eligible Postsecondary Institutions and by the administrative staff of GSFC.
2. If a student believes a Zell Miller Scholarship rule or regulation was incorrectly applied in his or her case, the student has the right to file a request for an Administrative Review with GSFC.
3. In order for a request for an Administrative Review to be considered, the student must submit a written request for an Administrative Review to GSFC's office within forty-five (45) calendar days of receiving notice of denial from the Eligible Postsecondary Institution or GSFC. If additional information is requested from the student, it must be provided within the time frame specified by GSFC.
  - a. GSFC will review the case and determine whether the rule or regulation was applied correctly and notify the student and Eligible Postsecondary Institution of the determination.
  - b. GSFC decides a case based only on documentation provided, rather than a personal presentation.

#### **4013.2. Requesting an Exception.**

1. The Board of Commissioners of GSFC may grant a Zell Miller Scholarship award to a student who fails to meet the regulatory requirements for Zell Miller Scholarship funds in very limited and exceptional cases, as provided by 4013.3 Guidelines for Approval of an Exception Request. The Board of Commissioners has sole discretion to grant an Exception based on the circumstances presented by a student who has incurred a loss of Zell Miller Scholarship eligibility.
  - a. No student has the right to a Zell Miller Scholarship award under any circumstances described in *Section 4013.4*.
  - b. No student has the right to appeal the denial of an Exception by the Board of Commissioners.

- c. Each individual Zell Miller Scholarship recipient is limited to one Exception, as granted by the Board of Commissioners, and such Exception shall only apply to one school term.
    - d. The authority of the Board of Commissioners to grant Exceptions, hereunder, extends only to the determination of Attempted-Hours and/or Paid-Hours, and only to the extent such Exceptions would not be contrary to state law. The Board of Commissioners does not have authority to revise a student's Postsecondary Cumulative Grade Point Average or waive the requirements that a student attain or maintain a specific Postsecondary Cumulative Grade Point Average as otherwise required herein or by law.
2. Exceptions may be granted for extenuating circumstances such as a Serious Injury, Psychiatric Disorder, Serious Illness, death of an Immediate Family Member and/or step-parent, step-child or step-sibling, to provide temporary care for an Immediate Family Member and/or step-parent, step-child or step-sibling.
  - a. In cases where a Serious Illness, Serious Injury or Psychiatric Disorder is the basis for an Exception request, such illness, injury or psychiatric disorder must have been sustained, diagnosed or treated within the 6 months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
  - b. In cases where the death of an Immediate Family Member and/or step-parent, step-child or step-sibling is the basis for an Exception request, the death of such family member must have occurred within the 6 months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
3. The GSFC Board of Commissioners' decision to approve or deny an Exception request is final and cannot be appealed.
  - a. In order for an Exception to be considered, the student must submit a written request for an Exception to GSFC's office within 45 calendar days of receiving notice of denial of his/her Zell Miller award. Requests for an Exception may be submitted to GSFC via US mail, email, or hand delivery. All required documentation must be provided at the time of submission.
  - b. Omission of documentation or incomplete requests may not be considered by the GSFC Board of Commissioners and may result in an automatic denial.
4. Items required to be considered for an Exception by GSFC must be received by close of business on the deadline date listed below. These items are to be received by GSFC in one complete packet. Incomplete packets may not be

considered. In some cases it may be necessary to wait until the next board meeting to convene before a decision can be rendered.

5. GSFC staff shall review each request for Exception to determine whether such request satisfies the Guidelines for Approval of an Exception Request set forth in *Section 4013.3*.

Each request for Exception that has been determined by GSFC staff to satisfy the Guidelines for Approval of an Exception Request set forth in *Section 4013.3*, shall be summarized by staff and presented to the Public Policy and Law Committee of the Board of Commissioners. The requests for Exceptions shall be approved or denied by the Public Policy and Law Committee. The Committee's decisions are then presented to the full Board for approval or denial.

- a. GSFC staff will notify the student of the Board of Commissioners' decision within seven calendar days of the approval or denial.
- b. The Board of Commissioners has heretofore authorized staff to deny, on its behalf, each request for Exception that has been determined by GSFC to fall within the Guidelines for Denial of an Exception Request set forth in *Section 4013.4*. Such requests for Exception shall not be presented to the Public Policy and Law Committee of the Board of Commissioners, unless the student, having been informed of the denial, shall have requested that such request be submitted to the Public Policy and Law Committee, by the deadline set forth in *Section 4013.2.4*. above.
6. Exceptions granted by the Board of Commissioners shall provide for the forgiveness of postsecondary Attempted-Hours and/or Paid-Hours, but:
- a. In no case or circumstance shall a student's postsecondary grade(s), as determined by the student's postsecondary institution, be forgiven or altered by the Board of Commissioners; and
- b. Under no circumstances, shall an Exception be made regarding student data submitted to GSFC by a student's high school for purposes of determining the student's eligibility for a Zell Miller Scholarship.

### **4013.3. Guidelines for Approval of an Exception Request.**

1. GSFC staff, in its summary, shall classify each request for an Exception based on the information presented. The classifications are for guidance only. Final approval or denial of an Exception request is subject to the Board's sole discretion. The classifications are based on the following guidelines:

**A1Z** Requests for an Exception may be granted for a Zell Miller Scholar who has reached a Checkpoint and lost Zell Miller eligibility without yet earning a Postsecondary Cumulative Grade Point Average or a student who has reached an Attempted-Hours Checkpoint for entry into the Zell Miller Scholarship Program without yet earning a Postsecondary Cumulative Grade Point Average, where such failure to earn a Postsecondary Grade Point Average is the result of having withdrawn from, or taken Incompletes, in all coursework due to a Serious Illness, Psychiatric Disorder, Serious Injury, or death of an Immediate Family Member and/or step-parent, step-child or step-sibling.

1. This Exception provides for Zell Miller Scholarship retroactive payment from the point at which the student lost Zell Miller Scholarship eligibility or from the point at which the student reached an Attempted-Hours Checkpoint for entry into the program if the student has at least a 3.30 Postsecondary Cumulative Grade Point Average after attempting 12 hours of coursework for which he or she received letter grades (A=4.00, B=3.00, C=2.00, D=1.00, F=0.0).
2. The hours from which the student withdrew may be forgiven if extenuating circumstances (Serious Injury, Psychiatric Disorder, Serious Illness, or death of an Immediate Family Member and/or step-parent, step-child or step-sibling) are present so that by forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew, the student's total length of eligibility for Zell Miller Scholarship is extended.

**A2Z** Requests for an Exception may be granted for a Zell Miller Scholarship recipient who has exceeded the Attempted-Hours and/or Paid-Hours limitations for the Zell Miller Scholarship, or has 15 semester hours or less remaining to reach the Attempted-Hours and/or Paid-Hours limits, so that by forgiving the hours from which the student withdrew, the student's total length of eligibility for Zell Miller Scholarship is extended, if:

1. The student completely withdrew from all courses during a term due to a Serious Illness, Psychiatric Disorder, Serious Injury, or death

in the Immediate Family and/or step-parent, step-child or step-sibling; and

2. The student remains academically eligible to receive the Zell Miller Scholarship.

**A3Z** Requests for an Exception may be granted for a Zell Miller Scholarship recipient who lost Zell Miller Scholarship eligibility at a Checkpoint due to a total withdrawal from a term, if:

1. The student completely withdrew from all courses during a term due to a Serious Illness, Psychiatric Disorder, Serious Injury, or death of an Immediate Family Member and/or step-parent, step-child or step-sibling; and
2. The student has at least a 3.30 Postsecondary Cumulative Grade Point Average at the new Attempted-Hours Checkpoint (withdrawal hours not included).
  - a. By forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew, the student's Attempted-Hours Checkpoint is delayed by a term or terms and the student's total length of eligibility for Zell Miller is extended. In this circumstance, it is necessary to wait for another term or terms of grades to be posted to determine, if:
    - i. The student achieves at least a 3.30 Postsecondary Cumulative Grade Point Average at the new Attempted-Hours Checkpoint (once hours are forgiven); and
    - ii. The student is eligible to retain Zell Miller Scholarship and to be reimbursed from the point at which the student lost Zell Miller eligibility.

**A4Z** Requests for an Exception may be granted for a Zell Miller Scholarship recipient who withdrew from all courses during a term because the student was required to provide temporary care for an Immediate Family member and/or step-parent, step-child or step-sibling, so that by forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew, the student's total length of eligibility for Zell Miller is extended, if:

1. The student can show that no one else was able to provide the care; and

2. The student remains academically eligible to receive the Zell Miller Scholarship.

**A5Z** Requests for an Exception may be granted for a Zell Miller Scholarship recipient who lost Zell Miller at an Attempted-Hours Checkpoint or exceeded the Attempted-Hours and/or Paid-Hours limitations during a term with a partial withdrawal, if:

1. The student experienced a Serious Illness, Serious Injury, Psychiatric Disorder or death of an Immediate Family Member and/or step-parent, step-child or step-sibling, but did not completely withdraw from all courses because the student's instructor(s) allowed the student to take an "incomplete" in the course(s) or the Eligible Postsecondary Institution made it compulsory for the student to withdraw from the course(s); and
2. The student has at least a 3.30 Postsecondary Cumulative Grade Point Average at the new Attempted-Hours Checkpoint (once hours are forgiven and all "incomplete" grades are reported).
  - a. By forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew, the student's Attempted-Hours Checkpoint is delayed by a term or terms and the student's total length of eligibility for Zell Miller is extended. In this circumstance, it is necessary to wait for another term or terms of grades to be posted to determine, if:
    - i. The student achieves at least a 3.30 Postsecondary Cumulative Grade Point Average at the new Attempted-Hours Checkpoint (withdrawal hours not included); and
    - ii. The student is eligible to retain Zell Miller and to be reimbursed from the point at which the student lost Zell Miller eligibility.

**A6Z** Requests for an Exception may be granted for a Zell Miller Scholarship recipient who lost Zell Miller at an End-of-Spring or Three-Term Checkpoint with a Postsecondary Cumulative Grade Point Average greater than 0.00 but less than 3.30 or exceeded the Attempted-Hours and/or Paid-Hours limitations during a term with a partial withdrawal, if:

1. The student experienced a Serious Illness, Serious Injury, Psychiatric Disorder or death of an Immediate Family member and/or step-parent, step-child or step-sibling, but did not completely withdraw from all courses because one or more of the student's instructor(s) allowed the student to take an "incomplete" in the

course(s) or the Eligible Postsecondary Institution made it compulsory for the student to withdraw from the course(s); and

2. The student has at least a 3.30 Postsecondary Cumulative Grade Point Average at the next Attempted-Hours Checkpoint (withdrawal hours not included and all “incomplete” grades are reported).
  - a. By forgiving the Attempted-Hours and/or Paid-Hours from which the student withdrew the student’s total length of eligibility for the Zell Miller Scholarship is extended.
    - i. In this circumstance, it is necessary to wait for another term or terms of grades to be posted to determine if the student achieves at least a 3.30 Postsecondary Cumulative Grade Point Average at the next Attempted-Hours Checkpoint (withdrawal hours not included).

**A7Z** Requests for an Exception may be granted for a Zell Miller Scholarship recipient who withdrew from all courses during a term because the student was required to report for active duty military service outside the state of Georgia or for deployment overseas, so that by forgiving the Paid-Hours from which the student withdrew, the student’s total length of eligibility for Zell Miller is extended, if:

1. The student can show that his or her active service began during the term from which he or she withdrew; and
2. The student remains academically eligible to receive the Zell Miller Scholarship.

#### **4013.4. Guidelines for Denial of an Exception Request.**

1. GSFC staff, in its summary, shall classify each request for an Exception based on the information presented. The classifications are for guidance only. Final approval or denial of an Exception request is subject to the Board’s sole discretion. The classifications are based on the following guidelines:

**D1Z** If it is Mathematically Impossible for the student to have at least a 3.30 Postsecondary Cumulative Grade Point Average at the new 30- 60- or 90- semester-hour (45- 90- or 135-quarter-hour) Zell Miller Scholarship Checkpoint, even after withdrawal hours are forgiven.

**D2Z** If the student does not provide a request for an Exception in writing within 45 calendar days of receiving notice of ineligibility for the Zell Miller Scholarship.

- D3Z** If the basis of the request is the diagnosis of or presence of a learning disability.
- D4Z** If the underlying cause for the student's request for an Exception is attributed to a criminal act committed by the student, that resulted in a conviction or a plea of guilty or nolo contendere.
- D5Z** If the basis of an Exception request is to have a student's postsecondary grade(s), as determined by the student's postsecondary institution, forgiven or altered by the Board of Commissioners.
- D6Z** If the basis of the request is student data submitted to GSFC by a student's high school for purposes of determining the student's eligibility for a Zell Miller Scholarship.
- D7Z** If the basis of the request is a Serious Illness, Serious Injury or Psychiatric Disorder that was not sustained, diagnosed or treated within the 6 months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
- D8Z** If the basis of the request is the death of an Immediate Family Member and/or step-parent, step-child or step-sibling, and the death did not occur within the 6 months immediately preceding the student's official date of withdrawal from the academic term for which the Exception is being requested.
- D9Z** If the student did not receive HOPE Scholarship or Zell Miller Scholarship funds during the term of withdrawal.
- D10Z** If the request seeks an Exception from the laws governing the Zell Miller Program.
- D11Z** If the student is still beyond the Attempted-Hours and/or Paid-Hours limit even if the hours from which the student withdrew are forgiven.
- D12Z** If the basis of the request is a reason other than those specifically listed in *Section 4013.3*.

## **4014. Compliance Reviews.**

### **4014.1. Compliance Review Policy.**

1. GSFC shall conduct Compliance Reviews of Eligible Postsecondary Institutions participating in the Zell Miller Scholarship Program in order to assess institutional administration of the program and compliance with the program's regulations. Such Compliance Reviews shall be conducted no less frequently than once every three years in accordance with GSFC's *Compliance Review Process and Procedures* document, which is available on *gsfc.org*, under *School and Lender Information-Compliance Documents*.

### **4014.2. Compliance Review Process.**

1. GSFC selects a sampling of the Eligible Postsecondary Institution's Zell Miller Scholarship recipients, for the Award Year under review, and the Eligible Postsecondary Institution's files and records for the sample are examined to assure compliance. Records which document and support a student's eligibility must be available for review at the Georgia campus of the Eligible Postsecondary Institution (refer to *Section 4012*).
  - a. GSFC will exclude Residency determinations as they relate to *Section 4004.2.1*, and SAP determinations made for Zell Miller Scholarship recipients, in the selected sample of any USG or TCSG institution that has submitted a signed certification to GSFC's Compliance Department by the President of the Eligible Postsecondary Institution that:
    - i. The Eligible Postsecondary Institution is in compliance with its policies and procedures in the determination and the administration of the financial aid award process relative to Residency requirements and SAP; and
    - ii. The Residency and SAP determinations have been fairly and consistently applied with respect to all students receiving the Zell Miller Scholarship award.
  - b. Such certification must be submitted annually to the Compliance Department of GSFC in the format required by GSFC.
    - i. Failure to provide such certification will result in a review of Residency determinations and SAP determinations made for Zell Miller Scholarship recipients in the selected sample.

### **4014.3. Institutional Repayment.**

1. In the event it is determined that an Eligible Postsecondary Institution knowingly, or through error, certified an ineligible student to be eligible for Zell Miller Scholarship, the amount of such scholarship shall be refunded by the Eligible Postsecondary Institution to GSFC.
2. GSFC may suspend an Eligible Postsecondary Institution from receiving Zell Miller Scholarship payments if it fails to timely refund any monies deemed due based on the Compliance Review.
3. Any person who knowingly makes or furnishes any false statement or misrepresentation, or who accepts such statement or misrepresentation knowing it to be false, for the purpose of enabling an ineligible student to wrongfully obtain a Zell Miller Scholarship award shall be guilty of a misdemeanor.
4. If evidence not available at the time of awarding indicates that a student should not have received the Zell Miller Scholarship payment, then all future Zell Miller Scholarship awards for that student must be canceled.
  - a. The Eligible Postsecondary Institution is held harmless by GSFC, if the student's file is adequately documented with available evidence and it is determined by GSFC that the Eligible Postsecondary Institution was not at fault.
  - b. Evidence is considered unavailable at the time of awarding if it is not available in the student's institutional files (i.e., financial aid, admissions, registrar, etc.).
5. The Eligible Postsecondary Institution must notify the student and GSFC of a refund due to GSFC.
6. The student will be ineligible to receive additional state aid from GSFC until the repayment is paid in full, in accordance with *Section 4010.2*.
7. If GSFC determines the student's file is not adequately documented, the Eligible Postsecondary Institution may be solely responsible for the repayment.
