Sec. 1.5. Consent by minor seeking care for primary care services.

- (a) The consent to the performance of primary care services by a physician licensed to practice medicine in all its branches, an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes provision of services for minors, or a physician assistant who has been delegated authority to provide services for minors executed by a minor seeking care is not voidable because of such minority, and for such purpose, a minor seeking care is deemed to have the same legal capacity to act and has the same powers and obligations as has a person of legal age under the following circumstances:
- (1) the health care professional reasonably believes that the minor seeking care understands the benefits and risks of any proposed primary care or services; and
 - (2) The minor seeking care is identified in writing as a minor seeking care by;
 - (A) an adult relative;
 - (B) a representative of a homeless service agency that received federal, State, county, or municipal funding to provide those services or that is otherwise sanctioned by a local continuum of care;
 - (C) an attorney licensed to practice law in this State;
 - (D) a public school homeless liaison or school social worker
 - (E) a social service agency providing services to at risk, homeless, or runaway youth; or
 - (F) a representative of a religious organization.
- (b) A health care professional rendering primary care services under this Section shall not incur civil or criminal liability for failure to obtain valid consent or professional discipline for failure to obtain valid consent if he or she relied in good faith on the representations made by the minor (a) of this Section. Under such circumstances, good faith shall be presumed.
- (c) The confidential nature of any communication between a health care professional described in Section 1 of this Act and a minor seeking care is not waived (1) by the presence, at the time of communication, of any additional persons present at the request of a minor seeking care, (2) by the health care professional's disclosure of confidential information to the additional person with the consent of the minor seeking care,

When reasonably necessary to accomplish the purpose for which the minor seeking care is insured, is enrolled, or has coverage for the services provided.

- (d) Nothing in this Section shall be construed to limit or expand a minor's existing powers and obligations under any federal, State, or local law. Nothing in this Section shall be construed to affect the Parental Notice of Abortion Act of 1995. Nothing in this Section affects the right or authority of a parent or legal guardian to verbally, in writing, or otherwise authorize health care services to be provided for a minor in their absence.
- (e) For the purposes of this Section:

"Minor seeking care" means a person at least 14 years of age but less than 18 years of age who is living separate and apart from his or her parents or legal guardian, whether with or without the consent of a parent or legal guardian who is unable or unwilling to return to the residence of a parent, and managing his or her own personal affairs. "Minor seeking care" does not include minors who are under the protective custody, temporary custody, or guardianship of the Department of Children and Family Services.

"Primary care services" means health care services that include screening, counseling, immunizations, medication, and treatment of illness and conditions customarily provided by licensed health care professionals in an out-patient setting. "Primary care services" does not include invasive care, beyond standard injections, laceration care, or non-surgical fracture care.

Section 99. Effective date. This Act takes effect October 1, 2014.
