

2020-2021 Benchmark  
Content Checklist

**Algebra I – SEMESTER  
Mississippi WPHS**

Please complete this form to communicate to the CASE Assessments team which content to include on each of your district's benchmarks.

District or School: WPHS

Person completing this form: Shannon Roberson per email

Date: 4/23/2020

NOTE: Checking a standard signifies that the standard is to be assessed in its entirety. Since benchmarks are cumulative (testing curriculum taught from the beginning of the course), any standard checked for a benchmark will be assessed on all subsequent benchmarks.

In order to create balanced assessments that fully reflect the course material, CASE recommends customers select between 6-12 new standards per benchmark.

**The final benchmark will be comprehensive and assess all standards.**

Any requested changes to the checklist after it has been submitted to CASE may be subject to additional charges and/or adjustment of original test delivery schedule.

**NOTE:**

**\*TE21 MADE CHANGE TO F-LE.1c – ONLY HAVE EXPO (NO LINEAR)**
