*USDA has granted a waiver to the Oregon Department of Education so the Seaside School District can provide a free grab-n-go meal service (breakfast/lunch) due to the COVID-19 pandemic. Meals are served at a designated site and children and/or an authorized adult may pick up meals for consumption off site. **Only one grab-n-go meal is allowable per child; however, an authorized adult may request additional meals for children that were unable to come to the delivery location.***

## Students who are attending On-Site

Pacific Ridge Elementary – Students who attend hybrid, in-person learning at the school will have the option of receiving a free grab-n-go meal bag each day when they are released. Students will be required to notify school staff each day when they arrive that they would like to have a grab-n-go meal. Please be sure to remind your student because there will be no extra meals available if they do not let staff know when asked. Thanks!

Seaside Middle School / Seaside High School – Students who attend hybrid, in-person learning at the school will have the option of receiving a free grab-n-go meal bag each day during a designated lunch period.

*The School District's goal is to provide access to meals on all school days, including Wednesdays. We have had to modify our system to accommodate in-person learning, as well as, comprehensive distance learning and on-line thrive students. This meal program does still offer free access to all children 1-18!*
