\*A \$10,000.00 signing incentive is available for agreeing to teach Math or Science for three (3) years in designated schools (indicated by asterisks above). Assignment to one of the designated schools also enables the teacher to be eligible for the forgiveness of certain types of loans. The incentive will be disbursed over the three year term in the form of two installments per year. The Signing Incentive is for New Applicants OR for Former Employees who have been out of the system for over one year. Teachers will be assigned to designated schools in conjunction with the principal's recommendation. The teacher is required to teach at the school for a minimum of three years. This is for Regular Professional Certificated Teachers only. Emergency or Alternative Certified are NOT eligible.
