

# CEDAR HILL

ELEMENTARY SCHOOL

## **What about masks?**

- Masks are required for ALL students (K-5), staff, and visitors entering the building.
- Face shields do NOT take the place of a mask. Your child may wear a face shield if desired but must also have a face mask.
- We are in a statewide ordinance for “mask up” through August 31, then we will reevaluate.

## **What about cleaning and sanitizing?**

- ALL CHES faculty and staff will be cleaning and sanitizing classrooms and all areas of the school throughout the day and after students leave for the day.

## **When should I keep my child home?**

- Parents are encouraged to keep their child/children at home if they show any signs or symptoms of sickness and contact the school nurse if the student tests positive for COVID.
- If you feel your child needs tylenol/ibuprofen to make it through the day at school, parents are encouraged to keep them home.

## **How will students' health be monitored at school?**

- Student temperatures will NOT be taken on a daily basis. Random checks may be done.
- Nurse station will now consist of “well room” and “sick room”. Both will be disinfected daily and as needed throughout the day.
- Students will be assessed on an individual basis. Temperature will be taken as needed, and the parent/guardian will be notified by the School Nurse.
- Students with a temperature of 100 or greater will be sent home and may not return until fever free/symptom free without medication for 24 hours.
- Students who have a fever or are exhibiting any COVID symptoms will be provided a mask and will stay in the “sick room” until parent/guardian arrives to pick up. (Please have someone listed that can pick your child up within 30 minutes of receiving a call from the school nurse.)

## **What are the check in/check out procedures?**

- Students who are tardy or checking in must have a parent or guardian come in with the student.
- If you know the time you will be checking your child out, you may call the school ahead of time and we will attempt to have them in the office when you come in to check out.
- All visitors are required to wear a mask if they enter the school building for any reason.
- Hand sanitizer will be available for visitors to use when they enter and exit the school.
- All visitors will remain in the front lobby.
