Register Your Student Account (for students who do not have an EVERFI account)

- Go to www.everfi.com/login and click Register
- Enter your registration code provided by your teacher: ______________________
- Click Next
- Enter your correct date of birth and your first and last name
- Make your username ______________________________
  - Student email is optional, don’t put it in unless your teacher asks you to
- Make your password ______________________________
- Check the box that says “I agree to the terms of service” and click Finished!

Add a New Course to Your Dashboard (for students who already have an EverFi account)

If you already have an EVERFI account, you do not need to create a new one - you can use your existing account to start another course. Follow these directions instead:

- Go to www.everfi.com/login and sign in using your same username and password that you used for the last course.
- In the upper right hand corner where it says “Add a Course” enter your registration code provided by your teacher: ______________________
  
  See picture:

  Welcome, Brittany

- Click the green “Add” button and re-enter your date of birth only. Click Next.
- The new course will show up on your dashboard.
- Click the blue “Get Started” button next to the course.
