Dear BMS Students and Parents,

Welcome back! We are very excited about the possibilities of this school year. There are many opportunities for success for all of our students at Bowdon Middle School. We encourage you to give your best efforts in the classroom and to participate in the many school activities available to you.

The Student Handbook is designed to be in harmony with board policy and the CCS Student Code of Conduct. We encourage parents to review the entire handbook with their children and keep it as a reference during this school year. Once you have read this handbook, **please sign and return the assurance sheets provided to your child to verify you read and understand the policies by the end of the first full week of school.** If you or your child has questions about any of the material in this handbook, please contact a teacher, the counselor, or the principal.

Every effort will be made to provide students and parents with accurate, up-to-date information. Additional information regarding this handbook will be provided via written communication. Updated information will also be available on the school's website.

It is our sincere hope that this school year at Bowdon Middle School will be a great one.

Sincerely,

Scott Estes
Principal

Vision

The vision of Bowdon Middle School is to be valued as a premier learning environment preparing ALL students to be college and career ready.

Mission

Bowdon Middle School's mission is to provide a premier learning environment to inspire and empower all students to reach their personal best.

Beliefs

All students can learn, progress and improve.

Students perform best in a safe, nurturing, caring environment created by mutual respect between students, parents and co-workers. BMS will promote lifelong learning.

BMS will foster a partnership between students, teachers, and the community.

Arrival and Departure

The front doors open at 7:45 a.m. for students. At this time, students will be allowed to purchase breakfast. Students will remain in the commons area until they are dismissed to their grade-level hallways. Students are not allowed on the halls prior to the 8:05 a.m. bell unless they have made arrangements with a teacher to get academic support before 8:05 a.m. If so, they must have a note from that teacher. Once on the hallway, students will go to their lockers, leave their book bags/drawstring bags/purses/technology in their lockers, get necessary school/instructional materials and go to their homerooms. The Pledge of Allegiance, Moment of Silence, and morning announcements will begin at approximately 8:30 a.m.; all students should be in their homerooms before this time. The tardy bell rings at 8:35 a.m. All students arriving after this time will be considered tardy and must come to the office to sign in. Car riders must arrive before 8:25 a.m. if they choose to eat breakfast at school.

Dismissal time is 3:45 p.m. Parents should pick up students in the designated parent pick-up area no later than 4:00 p.m. All students should be picked up within 15 minutes after classes are dismissed. If there is an emergency that causes a parent to be late to pick up students, please notify the school at 770-258-1778.

Attendance

The Carroll County Board of Education (CCBOE) acknowledges the importance of regular attendance in an effective instructional program. The CCBOE will observe and enforce the laws requiring attendance of all school age children. Refer to the agenda or O.C.G.A. §20-2-690.2 for CCBOE policy on attendance.

Attendance is required of all students enrolled at Bowdon Middle School during the days and hours that school is in session. Family trips or other unauthorized leaves from the scheduled school calendar are not acceptable reasons for absences from school. Personal illness of a student should be accompanied by a parental note or medical excuse (excessive or extended absences require an excuse from a medical doctor); *no more than 5 parent notes are allowed per school year*. Within three school days of the student's return to school, students must make-up missed assignments and a written explanation from the parent/doctor must be presented to the homeroom teacher or front office. Students must be in attendance more than half the school day (11:30) to be permitted to engage in school related activities before or after school on the day of the absence.

Bowdon Middle School provides incentives for students with excellent attendance. A previous example is the Rome Braves game in the spring. The principal or principal's designee may also assign consequences and penalties for unexcused absences and/or early checkouts at any time if he/she deems necessary. Consequences and penalties may include, but are not limited to the following:

- Referral to social worker
- Referral the student and parent to Carroll County Truancy Education and Mediation (TEAM)
- Referral of the student for RTI, SST, or other appropriate support.
- Referral to the appropriate court

Excessive tardies/absences will require a parent conference with the social worker. **After three tardies in a nine weeks, a student will receive a written warning. After the fourth, the student may be sent to ISS for excessive tardiness.**

Bell Schedule and School Hours

HOMEROOM	BLOCK 1	BLOCK 2	BLOCK 3/LUNCH	BLOCK 4	BLOCK 5
8:05 – 8:35	8:35-9:55	9:55-11:15	11:15-1:05	1:05-2:25	2:25-3:45

Cell Phones and Electronic Devices

Student technology at Bowdon Middle School is to be kept in the student's locker at all times unless directed by a teacher to retrieve for classroom instructional use. If a teacher/staff member takes up a phone from a student due to not following school policy, the following occurs:

1. The first time a cell phone violation occurs a warning will be given, and the student will be instructed to put the phone in his/her locker.
2. The second time a cell phone violation occurs, a discipline memo will be issued to the student, and their phone will be turned in to the office. The student can retrieve the phone at the end of the day. The teacher will make contact with the parent or guardian to remind him/her of the policy.
3. The third time a cell phone violation occurs, a discipline referral to an administrator will be issued to the student, and their phone will be turned in to the office. A parent/guardian will have to come to the school to pick up the phone.
4. Any further violations will result in administrative action, and the student will not be allowed to have personal technology on campus for the remainder of the school year.

Check-in/Check-out Procedures

All check-ins and check-outs are handled through student services office. Students checking in after the morning tardy bell rings must come into the office with a parent/guardian to sign in. Checking out early also requires a parent/guardian to sign out. The person signing a student out must be listed on the students Infinite Campus contact information. Checking out will result in being counted absent for classes missed. Please bring in your photo ID.

Clubs

Students will be offered the opportunity to join a club at the beginning of the school year. A list of clubs will be sent home for review. Parents will have the option to specify which clubs the student is allowed to attend. Note: Some clubs require permission forms to be signed as well as fees.

Counseling

Guidance and School Counseling—Bowdon Middle School's counselor is Caroline Graham. The counseling program is designed to assist your child to make the most of his or her educational experience. It is our goal to help students develop emotionally, academically, personally, and socially. Students may have the opportunity to participate in individual counseling, group counseling, career exploration, and classroom guidance. Periodic classroom guidance lessons will be related to positive personal growth and development. Students are required to complete at least one career inventory through GAcademy411 every school year. Parents or guardians are welcome to contact the counselor by e-mail at caroline.graham@carrollcountyschools.com or by calling the school office at 770-258-1778 if there are any questions or concerns during the school year.

Communication

Parents are a vital part of the support system for middle school students. We encourage parents to communicate regularly with teachers or administrators about their student's progress or any other concerns. It is only by working as a team that we can provide a positive educational experience for all students during these middle school years.

There are many lines of communication available between parents and the school. Of course, we encourage parents to call us or email teachers. The traditional email address for BMS teachers is firstname.lastname@carrollcountyschools.com. In addition, parents have the following FORMS OF COMMUNICATION available to them:

ACADEMIC CALENDAR - The academic calendar for the 2019-2020 school year is located in the Carroll County Schools section of the handbook. Grade report dates are included so that you can expect midterm progress reports and report cards. All holidays are also included.

REPORT CARD - Report cards are distributed every 9 weeks.

STAR READING AND MATH - STAR Reading and Math assessments are administered four times each year

TELEVISION AND RADIO/SCHOOL CLOSINGS - Schools may close at times during the year due to inclement weather. Families should listen to the local radio and television stations for information concerning school closings. The Carroll County School System will also use the School Messenger system to attempt contact with all students and their families. It is imperative that parents provide current phone numbers to schools for the district calling system.

WEBSITE - Visit the school's website <http://bms.carrollcountyschools.com> for information.

SCHOOL MESSENGER - The Carroll County School System has an automated phone system used to send messages to parents. It is very important that parents send current phone numbers to the school so that they will receive important phone messages.

INFINITE CAMPUS PARENT PORTAL - Infinite Campus is a computer student information system provided by Carroll County Schools as a service to parents who want to maintain constant, updated information about their student's grades and attendance. If you have Internet capabilities at home and wish to have access to the parent portal, please come by the school and meet with Mrs. McEntyre in the Student Services office. She will give you the necessary information, but you must be prepared to show the proper picture identification. Information on the parent portal is confidential and for parents and their students only.

EMAIL NEWSLETTERS - The school will send an electronic newsletter through e-mail to highlight events during the school year. It is important that parents update their email address in the Student Services office or through parent portal in order to receive these newsletters.

PARENT-TEACHER CONFERENCES - We encourage parents to be a part of the educational success of their students; we want parents to feel free to contact teachers and/or administrators whenever they have concerns or questions. Parent-teacher conferences may be scheduled by leaving a message with the Student Services office for the teacher or by contacting the teacher through the school website/email.

Discipline and Code of Conduct

Bowdon Middle School students are expected to represent our school well. They are expected to respect themselves and everyone they encounter in the school. Students are expected to be calm, polite, and show good manners. They are expected to act with the integrity demanded of all Bowdon Red Devils. Disrespect, verbal threats, meanness, and physical violence are never acceptable responses and will not be tolerated. We will work with students to teach them appropriate responses to situations that upset them.

Our school strives to provide a safe and secure learning environment for all students. All **LEVEL ONE** offenses will follow this procedure. Level Two and Three offenses will be directly sent to the office. The discipline process is as follows:

- **First Offense-** A discipline memo is sent home with the student. The form must be returned with parent signature.**
- **Second Offense-** A discipline memo is sent home with the student, AND teacher will call or email to notify the parent.
- **Third Offense-** A discipline memo is sent home with the student, AND a behavior meeting will be established, including the grade level team, parent/guardian, and student. If the parent does not attend, the meeting will still take place.
- **Fourth Offense-** The student is referred to an administrator and may result in ISS, OSS, or corporal punishment.

**Discipline forms are expected to be returned to school with a parent signature within the next day of being issued. Forms not returned will result in proceeding to the next level.

Students should be aware that when they attend a school-sponsored event before, during, or after school hours, they represent Bowdon Middle School and the same code of conduct will be followed. Any violation may result in the student being removed from the team, club, or organization. This also applies to students who attend field trips. If a student is a discipline problem at school or while on a field trip, he/she may not be permitted to attend field trips. Our expectations are that all students conduct themselves appropriately at any and all school functions.

Deliveries to School

There are times when students will forget their things at home. Parents who bring those items to school during the instructional day should leave them in the Student Services office. Parents dropping items off need to document the item on the provided clipboard and leave it under the table. While not guaranteed, the office staff will make every effort to call the student to the office between classes as not to interrupt academic instruction. In our continued effort to protect instructional time, Parents will not be allowed to call students out of class to have items delivered for any reason. Deliveries for special occasions such as birthdays, etc. will be delivered to students at the end of the school day. As a reminder, students who are bus riders will not be allowed to board the bus with balloons, glass objects, and large toys/stuffed animals.

Extracurricular & Athletics

Extracurricular and athletic events are held after school hours. Students are encouraged to participate in and attend school functions. School dances are open to Bowdon Middle School students only.

Students must be picked up promptly after school events. Students should be picked up from the gym for all extracurricular athletic activities. Students need to be picked up within 15 minutes after the end of an event. If late pick-up becomes a problem, the student will not be allowed to attend after-school events.

Students are encouraged to participate in our athletic program. **All students must have a physical form on file before they are allowed to step onto an athletic field.** Physical packets may be obtained from Coach Johnson, the Student Services Office, or may be printed directly from our school website, bms.carrollcountyschools.com.

BMS offers the following athletic programs:

- Fall—football, girls softball, cheerleading, cross country
- Winter—boys/girls basketball, wrestling, cheerleading
- Spring—baseball, tennis, track, soccer

Eligibility in middle schools will follow the semester grading period. Students participating in extracurricular activities must pass a minimum of 70% of their total classes per semester; connections (exploratory) classes are averaged separately (i.e. if a school has 7 periods, the student must pass 5 out of 7 classes).

Field Trips

It shall be the policy of the school that every student going on a school-sponsored trip of any nature provides his/her teacher or person in charge of the trip, with a form signed by his/her parent/guardian granting permission for the student to participate in the trip. No student is to be allowed on any trip without such a permission form, and no teacher is to take any student who has not provided such a form. Such permission forms will be provided to each student prior to going on a school-sponsored trip.

Lockers

All student lockers are the property of Bowdon Middle School. Locker rental fee is \$15.00 for the year. Students are not allowed to share lockers. Students are required to put their book bags in their lockers at the beginning of each school day. In addition, purses and drawstring bags must be secured in lockers as well. Students will have the opportunity to go to their lockers at designated locker breaks. Book bags with wheels are prohibited as they create a safety hazard in crowded hallways and leave marks on the floors. Stickers and mirrors are not permitted in or on lockers. Students may not trade lockers or share lockers. Do not give locker combinations to other students. Students are responsible for the contents of their lockers, especially school-issued property such as textbooks. The school is not responsible for personal property; so do not bring valuables to school. Locker damage/vandalism, trading of lockers, and breaking into a locker may result in loss of locker use and/or disciplinary issues. Lockers that are damaged by overstuffing so that doors are warped will result in damage fees. Overstuffing also results in jammed lockers. All student lockers are the property of Bowdon Middle School and are subject to search by school authorities at any time.

Media Center

The Bowdon Middle School Media Center Staff is always ready to assist and instruct students in the use of the Media Center and available resources.

Behavior:

One of the Media Center's purposes is to provide a place that is conducive to reading, studying and research. Students' behavior in the Media Center should be considerate. Students are expected to respect the rights of others, and the property of others and the school. Students not following these guidelines will be instructed to return to class. If necessary, the student will be referred to an administrator.

Passes:

Students gain admittance to the Media Center, during classroom instruction hours, with a signed pass.

Overdues:

Students may check out one book at a time, and it can be kept for two weeks. Students will receive a notice when their book is overdue. There is a fine of 10 cents per day for overdue books with a cap of \$3.00. There is a one week grace period after the due date before the fine begins. Students are not allowed to check out if they owe a fine or if they have an overdue book. Failure to respond to multiple notices will result in fines and possible disciplinary actions.

Charges:

Notices on lost or damaged books are distributed weekly to the student's reading teacher. Students must pay for lost/damaged books in the Media Center.

Students must pay for lost or damaged books.

- Lost library books/hardbound books-\$15.00 or replacement cost

- Paperback books-\$7.50 or replacement cost
- Reference materials-replacement cost

Nutrition Program

Students will be allowed to purchase additional food items at breakfast and lunch for an additional cost; however, if a student has any unpaid charges, he/she will not be allowed to purchase extra food. Application forms for free and reduced meals are available. Parents should complete the form and return it to school as soon as possible. After a student has \$5.00 in unpaid charges, he/she will receive an alternative lunch. The lunchroom manager will send home a letter notifying the parent/guardian and a phone call to the parent/guardian will be made if a student owes money.

Students cannot bring carbonated drinks to school for breakfast, lunch or snack time. Furthermore, students cannot bring food from outside establishments into the cafeteria. Menus can be found on the district website at www.carrollcountyschools.com.

Nurse and Medication Policy

Angie Gibbs, school nurse, is stationed on our campus part-time. The clinic is located in the student services office. Our school will work to keep your child well. Students with temp >100.4, must go home and will be separated from other students until picked up. Students should not return to school until they are fever free for at least 24 hours without fever-reducing medication. If on antibiotics, they should have 24 hours worth of medication before returning to school. Students vomiting will also be sent home. Faculty/staff have been trained on the need to use good hand washing with soap and water as much as possible for themselves as well as their students. Hand sanitizer is available if soap and water are not an alternative. In addition, flyers, such as “Cover Your Cough” and “Infection Control Measures” will be posted for public view. All medicines to be administered to, or taken by students, prescription, or non-prescription, are to be locked in the school clinic and will be administered during school hours by school personnel. The student’s parent/guardian must come into the school office to bring medicines and complete a request for administration of medication form.

Outside Food and Drink

Food from outside establishments is PROHIBITED as it conflicts with participation in our school nutrition program.

School Advisory Council

School Council’s purpose is to help the local board of education develop and nurture participation, to bring parents and the community together with teachers and school administrators to create a better understanding of the mutual respect for each other’s concerns, and to share ideas for school improvement.

Student Advisement

Students will participate in several advisement sessions throughout the school year. The purpose of advisement is to build positive connections between teachers and students. Student advisement lessons are geared toward our student's academic and social growth resulting in overall improved student performance.

Student Instruction

Homework

Homework is an integral part of the instructional program. Homework might consist of such activities as make-up work, collecting material for classroom projects, or completing work begun in the classroom. Homework is designed to extend or practice the skills that are learned in the classroom.

Purposes of homework are:

- A. To stimulate independent study habits and develop responsibility and self-direction
- B. To reinforce school learning by providing necessary practice for developing skill and proficiency
- C. To develop and strengthen research skills

Multi-Tiered System of Support (MTSS)

The MTSS team is designed to offer students and parents additional support when the student is experiencing instructional difficulty or is in need of acceleration. The MTSS team is also designed to monitor behavior and attendance issues that may surface during the school year. The team meets and offers suggestions as well as possible interventions to help make the student more successful at school.

Students and parents are provided with a variety of services to help with educational needs. Below are listed a few of these services:

Exceptional Children's Services—Bowdon Middle School offers a comprehensive program for students with disabilities. For more information contact the Assistant Principal.

Gifted Services—The Carroll County School System offers gifted instruction for students in grades K-12. These services are provided through direct instruction, resource, cluster group, or other service models. Students must qualify by meeting the criteria outlined in the Gifted Administration Plan. For more information, contact the Counselor's office or Jennifer Bearden, Gifted Facilitator at Bowdon Middle at jennifer.bearden@carrollcountyschools.com.

Student Services Office

Mrs. McEntyre is our Student Services Secretary/Registrar, and she is the contact person for the following information:

- Any changes in contact information/addresses should be given to Mrs. McEntyre in order to update Infinite Campus.

FOREWORD

The purpose of the Carroll County School System is to provide a premier education in a safe and secure environment. To ensure the welfare and safety of all students who attend the schools within the district and to help create a premier learning experience, the school system offers students and parents the policies, regulations and guidelines contained in this handbook. Students are expected at all times to conduct themselves in a manner that facilitates an optimum learning environment for themselves and others.

We expect students to:

- Respect each other
- Respect school district employees
- Obey Student Code of Conduct set forward in this handbook
- Obey rules established by individual schools

Parents/guardians are encouraged to become familiar with the guidelines contained in this handbook and to be supportive of it in their daily communication with their children and others in the community. We ask your cooperation in sharing the responsibility for maintaining a proper learning environment.

Students are expected to participate fully in the learning process. Students need to report to school and class on time, attend all regularly scheduled classes, remain in class until excused or dismissed, pay attention to instruction, complete assignments to the best of their ability, and ask for help when needed. Students should avoid behavior that impairs their own or other students' educational achievement. Students should take care of books, instructional materials, technology and cooperate with others.

Students should show respect for the knowledge and authority of teachers, administrators, and other school employees. Students must obey reasonable directions, use acceptable and courteous language, and follow school rules and procedures.

ACCIDENT INSURANCE

Accident insurance can be purchased for students. Coverage is the option of the parent or guardian and all claims are filed directly with the insurance company. Information about purchasing student accident insurance can be obtained directly from the school.

In the event of an accident or illness, the student will receive emergency treatment deemed necessary and the parent or guardian will be responsible for any costs incurred. URL:

ACCREDITATION

The Carroll County School System is accredited by the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACSCASI).

ATTENDANCE PROTOCOL (O.C.G.A. 20-2-690.2)

[\(REF: BOARD POLICY: JB, BOARD POLICY EXHIBIT: JB-E\)](#)

Research shows that attendance is an important factor in the academic success of students. To promote attendance the Carroll County School System has partnered with Carrollton City Schools and other local support agencies to establish a Student Attendance Protocol for our community. The purpose of the Attendance Protocol is to improve student attendance through the utilization of targeted strategies and interventions. The Attendance Protocol works in conjunction with the Compulsory Education Law

(O.C.G.A. 20-2-690.1) which requires that every parent/guardian or other person who has control of any child between the ages of 6 and 16 shall enroll and send such child to school. All children enrolled for 20 calendar days or more in the public schools of this state prior to their seventh birthday shall become subject to the provisions of the compulsory school attendance law. State Board of Education policy defines the school year as 180 attendance days.

Each student and parent is required to sign-off understand the requirements of the full Student Protocol and Compulsory Attendance document which is displayed on each school's web-site. If you are unable to access the protocol on the web-site, the school will provide a hard copy of the protocol for your convenience. Any questions regarding student attendance, tardies and early check outs should be directed to school administration.

Full Day Attendance

Students are expected to be in attendance for the full school day. Students who check-in late or check-out early should submit a written note from their parent/guardian explaining their absence. Disciplinary action may be taken against students not in attendance for the full school day for reasons that cannot be excused.

Student Absences

Whenever students are absent, for any reason, their parent/guardian must send a signed and dated written explanation of the absence to their child's teacher no later than the **third day** following the student's return to school after their absence. After (5) personal notes written by the parent/guardian for excused absences, the school administration may request appropriate medical documentation upon return to school for the purpose of validating the absences.

Excused Absences

As permitted under the state law and State Board of Education policies, students may be excused lawfully for the following reasons:

- Personal illness,
- death in immediate family,
- recognized religious holiday,
- instances in which attendance could be hazardous as determined by Carroll County Public School System,
- a court order,
- absence to vote in an election,
- Conditions rendering attendance impossible or hazardous to student health or safety
- up to five (5) days excused absences per year to students where parents are in the military and are being deployed or are on leave
- and any other absence not explicitly defined here but deemed by the local school board of education to have merit based on circumstances.

**Local boards of education shall count students present when they are serving as pages of the Georgia General Assembly as set forth in O.C.G.A 20-2-692.

Unexcused Absences

Unexcused absences will be subject to attendance investigation and can result in penalty as imposed by the Compulsory Education Law (O.C.G.A 20-2-690.1) and Student Attendance Protocol Committee Law (O.C.G.A. 20-2-690.2);

1. Schools will notify by first class mail parents/guardians of students ages 6-16 who have accumulated five (5) unexcused absences per semester and will include a copy of the summary of consequences.

2. Upon a student's accumulation of eighth (8) unexcused absences in the school year, a referral will be made to the school's Attendance Team Committee to set up an attendance meeting at the local school. The committee will be comprised of the school social worker, teachers, administrators and parents.
3. School Operations will notify by letter parents/guardians of students ages 6-16 who have accumulated ten (10) unexcused absences per semester and will report violations to the Student Attendance Protocol Committee to determine if court action will be pursued for formal intervention.
4. State law requires an unemancipated minor over sixteen (16) years of age must have written permission from his or her parent/guardian prior to withdrawing from school.

Pre-arranged absence - A written request made by the parents to the principal requesting permission for their child to be absent from school in order to take an educational related trip. A Pre-arranged Absence Form must be completed and approved three (3) days prior to being absent. Approval does not make the absence Excused.

Reporting Students with Unexcused Absences (O.C.G.A. 20-2-701)

Consequences for Unexcused Absences

1. Any parent/guardian, or other person who has control of any child who on the tenth unexcused day of absence per semester, and after the child's school system has notified the parent/guardian, or other person who has control of any child, of each day's absence from school, shall be guilty of a misdemeanor, and court action may be pursued for formal intervention.
2. **Penalties:**

 - b. **Imprisonment** - not to exceed 30 days
 - c. **Community Service** or any combination of such penalties, at the discretion of the court.

Tardiness

Students are expected to arrive at school on time. Students who are tardy for school must go to the school office to sign-in before going to class. Schools will notify by letter parents/guardians of students ages 6-16 who have accumulated five (5) unexcused tardies per semester.

Teenage & Adult Driver Responsibility Act (TAADRA) - Governor Nathan Deal signed SB 100 into law on April 16, 2015. SB100 makes significant changes to the Teenage and Adult Driver Responsibility Act (TAADRA) by eliminating the requirement for schools to submit noncompliance data for students with excessive unexcused absences and certain discipline infractions.

Schools will certify that a student is enrolled in and not under expulsion from a public or private school to be eligible for a driver's license or learner's permit. Schools will use a new Certificate of School Enrollment form to certify that a student is eligible for a driver's license or learner's permit. A student who intends to get their learner's permit or driver's license over the summer months must request a Certificate of School Enrollment from their school administration prior to the end of May. An administrative charge for notarizing this certificate may be charged by the school.

Extracurricular participants are expected to show sportsmanship at all times. Sportsmanship revolves around the word RESPECT. Hospital/Homebound (HHB) services are designed to provide continuity of educational services between the classroom and home or health care facility for students in Carroll County Schools whose medical needs, either physical or psychiatric, do not allow school attendance for a limited period of time. HHB instruction may be used to supplement the classroom program for students with health impairments whose conditions may interfere with regular school attendance (e.g., students receiving dialysis or radiation/chemotherapy; or students with other serious health conditions). HHB services are not intended to supplant regular school services and are by design temporary. The student must anticipate being absent from school for a minimum of ten consecutive or intermittent school days due to a medical or psychiatric condition, which must be certified by the licensed physician who is currently treating the student for the diagnosis presented. **For additional information and/or to request services, contact the student's school.**

MEDICATION GUIDELINES GRADES PK-12

(ref. [BOARD POLICY: JGCD](#); [BOARD RULE: JGCD-R](#))

There are times when students will need to receive medication during school hours. In order for schools to administer medication, the following guidelines should be followed:

1. Schools do not keep a stock of non-prescription drugs (pain relievers or other medication). By Board Policy, the school may only administer medications parents send to school when parents adhere to these medication guidelines.
2. All drugs to be administered to students, prescription, or non-prescription, are to be locked in a designated place by the principal.
3. All prescription drugs administered during school hours by school personnel should be signed out on a daily log in compliance with Board Policy JGCD.
4. In the event that medication administration requires an apparatus, it is the parent's responsibility to provide the apparatus and demonstrate its use to school personnel. The school will not administer any medication requiring an apparatus unless the parent specifically demonstrates how to use the apparatus and leaves written instructions at the school.
5. In the event that prescription medication must be given on a field trip, the parent/guardian must provide the school with an empty prescription bottle prior to the day of the trip, properly labeled for the specific medication to be given.

Prescription Drugs

1. All prescription drugs to be administered at school must have the following:
 - a. Written instructions, signed by the parent of legal guardian, which includes:
 - Name of child;
 - Address;

 - Date and time to be given.
 - b. Medication contained in a prescription bottle, properly labeled by the pharmacist.
 - c. For children on long-term prescription drugs (to be administered for more than 30 days), the parent or legal guardian will be required to meet with the principal/designee. The principal and parent or legal guardian will determine specific procedures for administration of the drug (time, method, staff, storage, delivery of refills to school, etc.), and an authorization form (contract) will be signed by both parties.
 - d. For long-term prescription drugs a completed drug administration form that is kept on file in the school office is required. Each authorization form shall be effective for no longer than one (1) school year, and/or each time the drug or dosage is changed, whichever occurs first. This form must include:
 - The information set forth in (A) above;
 - The signature of the child's physician; and
 - Any other information deemed necessary by the principal.
2. In the event that medications arrive at the school without proper labeling or instructions, a school staff member will contact the parent to verify the medication instructions, and to notify them of the proper procedure. If the parent cannot be contacted, the medication will not be administered.

3. A student who has asthma, life threatening allergies, or diabetes may possess and use medications as prescribed:

- While in school
- At a school sponsored activity,
- While under the supervision of school personnel; or
- While in before school or after school care on school property

In order for the student to carry and self-administer asthma, auto-injectable epinephrine (epipens), or diabetes medication, the parent must provide the following:

Parents are responsible for picking up unused medications from their student's school at the end of the school year. Any unclaimed medications will be discarded by the end of post planning following the last day of school.

NUTRITION PROGRAM

Carroll County School's welcomes the opportunity to provide your student with nutritious, appetizing meals at school. Research suggests a hungry child cannot learn, and we offer a variety of choices at each school level to appeal to children's needs and appetites. Each school meal meets 1/3 of the daily nutritional requirements for children and they also comply with USDA's guidelines for 9 different nutrients. The menus are published in the Sunday newspaper and are available on the system website. Please join your student for meals as often as you like. There are many new and exciting changes taking place in our School Nutrition program and we would love to share them with you!

Meal Prices:

Breakfast:	Lunch:	
All students \$1.35	Elementary School \$2.25	Reduced Price \$0.40
Reduced Price \$0.30	Middle School \$2.40	Reduced Price \$0.40
Adult \$1.75	High School \$2.65	Reduced Price \$0.40
	Adult \$3.50	Extra Milk \$0.50

Free and Reduced Application Process

Some students may qualify for free or reduced priced meals based on family income and household size. Others may be eligible for free meals because they receive food stamps or Temporary Aid to Needy Families (TANF). Foster children and homeless children also qualify for free meals. A family application for free and reduced meals is distributed to every student at the beginning of school. If you have multiple students in school **ONLY COMPLETE ONE APPLICATION**. Parents are to list **all** their children and household members on **one** family application and return it to the school promptly. **Applications are now available on line!** Go to the Carroll County web page and look under the school nutrition tab to find the link to take you to the application. For assistance call the SN office at 770-832-3568 and ask for Janet Smith, Free & Reduced Specialist.

Parents are responsible for paying for children's meals until applications have been approved. The only exception is for Carroll County students who received free or reduced meals last year; they may continue receiving those benefits for the first 20 days of school or until the new application is processed. However, a **new application must be submitted every year**. You may apply for free or reduced meals at any time during the school year. Students who are approved for free and reduced meals are still responsible for purchasing milk if they choose to bring a lunch from home.

Payment of Meals and Charges

If students do not qualify for free meals, they are expected to pay for their meals at the time of service. Parents may send checks or cash to pre-pay for the meals. If you send money or a check, please place in an envelope with your child's name, amount sent, and the child's student identification number. It is helpful to put the child's name on the memo section of the check especially if it differs from the parent's or guardian's name on the check. For your convenience, you can place funds in your student's account using our on-line payment system. The link is myschoolbucks.com. You will need to have a debit or credit card to use the online payment system. There is a transaction fee of \$2.00 for the service each time you use the service. The \$2.00 fee covers multiple transactions. You can place money on more than one child's account each time you log into myschoolbucks.com.

Meal Charges

Elementary, middle and high school students are allowed to charge up to a balance of \$5.00. After the limit is reached, students will be offered an alternative meal for a cost of \$1.00. The alternative meals consist of a PB&J sandwich, fruit, and a carton of milk. This is offered for a limited time until the balance owed is paid. Calls from the School Nutrition Office are made frequently during the week to notify parents of charges. However, it is extremely important that parents stay abreast of their student's balances through the free e-mail alert service offered through MySchoolBucks. Students who withdraw to another school system should request a full refund of funds available in the student's account or pay current balance owed, on the day of withdrawal from Carroll County Schools. Parents will have 45 days to request a refund after withdrawing from the school district.

If parents do not pay for their students' meals and do not send a lunch, they will be referred to the school principal. At the principal's discretion, further referral may be made to a school social worker or other appropriate internal or external agency. If parents are experiencing financial hardships, it is important that they notify the principal so that a free/reduced application can be completed or other help offered. WE believe hungry children cannot learn! We will do our best to assist you any way we can. **Adults are not allowed to charge meals.** We ask that staff place funds into their accounts at the first of every month to cover meal charges. Federal regulations state adults are not allowed to charge meals purchased through the School Nutrition Program.

Wellness and Nutrition Standards

New Wellness and Nutrition standards were implemented at the beginning of the 2014 – 2015 school year. This policy has been updated as of June 2017. All foods and beverages made available on campus during the school day shall be consistent with the requirements of federal and state law. Guidelines shall not be less restrictive than regulations issued by the U.S. Secretary pursuant to the Child Nutrition Act and the Richard B. Russell National School Lunch Act, as those regulations and guidance apply to schools. The Board of Education recognizes that student wellness and proper nutrition are related to students' well-being, growth, development, and readiness to learn. The Board is committed to providing a school environment that promotes and protects student wellness, proper nutrition, nutrition education, and regular physical activity as part of the total learning experience. Please refer to BOE Policy EEE and BOE Rule EEE-R for more details.

Highlights of Changes to the Wellness Program Include:

- We recommend all foods sent/brought to school for classroom celebrations to be commercially made and sent to school in the sealed packages with ingredient labels on package due to possible ingredients that would affect a student with food allergies. Snacks cannot be served before lunch period has ended.
- Ice cream may be sold at the end of the lunch period at the elementary and middle schools. Only low fat ice cream, yogurt, or real fruit juice popsicles will be sold at all schools.
- Middle school and High school vending machines will only offer snack foods that are in alignment with initiatives specified in the 2010 Healthy Hunger Free Kid's Act produced by USDA.

STUDENT CODE OF CONDUCT

(ref. [Board Policy JCDA](#) and [Board Regulation: JCDA-R](#))

The School is a community, and the rules and regulations of a school are the laws of that community. All of those enjoying the right of citizenship in the school community must also accept the responsibilities of citizenship. A basic responsibility of every citizen is to respect the laws of the community.

The following rules are the general rules for Carroll County Schools. These rules apply to all students and will be fairly administered and consistently enforced. All of these rules are designed to protect the student's right to receive an education, the teacher's right to teach, and the property of individuals and the school system. Note: The punishments for breaking rules may range from warnings to suspension from school. In extreme cases, long-term suspension and expulsion may be used. Also, note that the rules of this school system cover certain acts, which are punishable under local, state, and federal laws. Students who violate the law will be punished by the school system and referred to the proper law enforcement agencies. Parents and guardians are encouraged to inform their children about the consequences, including potential criminal penalties, of underage sexual conduct and crimes for which a minor can be tried as an adult.

Statements of Administrative Procedures

Progressive Discipline: When it is necessary to impose discipline, school administrators and teachers will follow an age appropriate progressive discipline approach. The degree of discipline to be imposed will be in proportion to the severity of the behavior and may take into account but not be limited to the following: the student's age; academic and attendance performance; prior discipline history; provisions of IDEA and ADA; the impact on the safety and well-being of other students; and the level of disruption of the school day.

Student's Rights and Responsibilities: A student has full rights and citizenship as defined by the Constitution of the United States and assumes the responsibility to take actions relative to this Constitution, the laws of the State of Georgia, and the policies, rules and regulations of the Carroll County Board of Education. Students are required to report any misconduct of any nature to a teacher or administrator.

Educators Authority: Students should be aware that any adult employee of the Carroll County Board of Education has the authority to ask for a student's identity or to see other appropriate information. Board of Education employees have the authority to give a student reasonable instructions and to expect that those instructions be carried out. Refusal to identify oneself or to carry out reasonable instructions will result in serious disciplinary action.

A hearing for a long--term suspension and/or expulsion will be formally conducted following the procedures mandated by the Carroll County Board of Education. Information about the Code of Conduct

- The principal is the leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. Principals are granted authority to enforce this Code of Conduct; and in cases of disruptive, disorderly or dangerous conduct or any unforeseen behavior not covered in this Code, the principal is authorized to undertake corrective measures which he or she believes to be in the best interest of the students and the school, provided such action does not violate law, or a school board policy or procedure.
- Each teacher is authorized by law to remove from his or her class a student who repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in the class or with the ability of other students to learn, provided the student's behavior is in violation of the student code of conduct and the teacher has previously filed a report with the principal or if the teacher determines that such behavior poses an immediate threat to the safety of the student or to another person. The superintendent and principal fully support the authority of every teacher to remove a student from the classroom under the conditions and procedures outlined in Georgia law (O.C.G.A. 20-2-738).
- This Code of Conduct is based on the expectation that parents, guardians, teachers and school administrators will work together to improve and enhance student behavior and academic

performance and will communicate freely their concerns about, and actions in response to, student behavior that detracts from the learning environment. School administrators recognize that two-way communication through personal contact is extremely valuable. Therefore, each school's administrative staff will provide information to parents and guardians about ongoing opportunities to communicate with school personnel.

- Educators, parents, guardians and students are invited to participate in the Code of Conduct revision process by making suggestions for improving the Code through the school principal.
- Students under suspension or expulsion are not allowed on any Carroll County School campus (except for GOAL Program) or at any Carroll County School function.
- Students are to notify an administrator or staff member when illegal or dangerous items are found in the school building or on the school campus. Students are advised not to pick up or handle illegal or dangerous items.
- The Code of Conduct is enforceable during the following times and places:
 - ✓ On the way to school and on the way home from school, including at bus stops and on school buses or other vehicles provided for student transportation by the school system.
 - ✓ At school or on school property at any time
 - ✓ Off school grounds at any school or school-related activity, function or event and while traveling to and from such events.
 - ✓ A student may be disciplined for any off-campus behavior which could result in the student being criminally charged with a felony and which makes the student's continued presence at school a potential danger to persons or property at the school or which disrupts the educational process.
- School administrators possess the authority to enact a behavioral contract, initiate SST, peer mediation, counseling, or other behavioral plans with students at any time deemed necessary for enhancing desired behavior.
- All employees must report violations of the code of conduct to the principal or assistant principal of the school. If the principal has reasonable cause to believe that a report is valid, he/she must immediately make an oral report to the Superintendent and to the appropriate law enforcement authority and district attorney.
- Appropriate compensation shall be paid to the school system or individuals to replace losses resulting from commission of any offense.
- Participation in graduation ceremonies are a privilege. Students must complete all state and local requirements in order to receive a diploma or to be allowed to participate in graduation ceremonies. In addition, the student must maintain good conduct and be in good standing with the school. Students suspended or expelled through the second semester of their senior year may not be allowed to participate in graduation activities.

Parents/Guardians should understand that school system technology is designed for educational purposes and that it is impossible for the Carroll County School System to restrict access to all controversial materials. Parents/Guardians will not hold the School System responsible for materials acquired on the network and will also report any misuses of the information system to the school administrator. Parents/Guardians are fully responsible for the supervision of their child's activity, if and when their child's use is not in a school setting.

VISITORS TO THE SCHOOL - Guidelines

Carroll County Schools strongly believes that education is a collaborative venture between parents/guardians and school personnel. At times parents/guardians may wish to visit their child's school for a short period of time, volunteer or observe in a classroom. All visitors are under the jurisdiction of the building principal, who has the responsibility to develop rules and procedures to maintain a safe and orderly learning environment. The following guidelines are intended to assure a successful school visit or observation:

- Request a visit/observation and state your purpose for the request at least 24 hours in advance.
- Arrange a mutually agreed upon date and time through the building principal.
- Observations are limited to not more than 30 minutes per visit to avoid disruption or distractions in the classroom

- The number of observations will be limited to assure the least amount of disruption to instruction.
- Private/public agencies are not allowed to observe in classrooms unless party to a memorandum of agreement with Carroll County Schools
- For security reasons, visitors are required to check in at the school office to sign in and present a government issued photo ID to obtain a visitor's badge before proceeding to contact any persons in the building or on the school grounds.
- To protect the learning environment, only one visitor is allowed in the classroom during the observation. Parents/guardians are asked not to bring younger siblings or children while observing in the classroom.
- Pictures and video/audio recording devices and use of cell phones are prohibited.
- If the parent would like to talk to the teacher, a meeting can be scheduled for another time, rather than disrupt the scheduled lesson.
- Parents/Visitors will see or hear things which must be kept confidential. Confidentiality regarding our students is paramount and visitors must agree to respect the rights of the school staff, as well as the students, and refrain from sharing any information collected during the visit.
- Visitors will need to sign out and leave their visitor's badge when their visit is complete.
