Dear Parents/Guardians and Class of 2020:

As the end of the year approaches for the Class of 2020, plans have been underway to assure that the seniors receive a meaningful and memorable commencement ceremony. Class sponsors and the class officers have been working hard to finalize plans for the ceremony. To ensure all students and parents are aware of this special occasion, the commencement committee has developed a Google Classroom for the commencement ceremony of 2020 to distribute information to the seniors. All seniors will be invited through their Gmail account to the classroom where documents concerning end of year activities will be housed. If students do not have access to Google Classroom, paper packets will be mailed home to the seniors.

Limited information will also be posted on the district's social media sites and delivered through the student's Gmail account. Commencement is scheduled for **June 25, 2020 at 6 pm at the football stadium** with a rain date of June 29, 2020. A third date of June 30, 2020 is scheduled if needed. As we approach these dates, more information will be forthcoming about the regulations that will be imposed as per state health officials and district requirements.

Proceeding are two options that were presented to the district and agreed upon. Both options occur at the football stadium starting at 6:00 pm with each option having different procedures. Please review both options. As we approach these dates and we gain more information from state officials, procedures may change so please check your Gmail frequently and follow the high school's social media sites (Facebook, Instagram, and Twitter) for updates.

Sincerely,

Jason E. Pappas

Principal

Please review the following table for both options for Commencement 2020.
