Georgia Security and Immigration Compliance Act: E-Verify and SAVE Program Overview
[OCGA§ 13-10-91]

Pursuant to the "Georgia Security and Immigration Compliance Act," Habersham County Board of Education is required to have all of its contractors register and participate in the federal work authorization program to verify information of all new employees. Contractors or subcontractors cannot enter a contract with the Board of Education for the physical performance of services unless the contractors or subcontractors register and participate in the federal work authorization program to verify information of all new employees. O.C.G.A. § 13-10-91. Each contractor is urged to complete the attached Affidavit.

Affirmative language will be included in contracts for the performance of services regarding the above requirement. The Board of Education will require an affidavit from a contractor showing its compliance with the requirements of O.C.G.A. § 13-10-91 at the time a contract for the performance of physical services is executed. The contract shall include language referencing this obligation and providing that failure to supply an affidavit evidencing such compliance (or to continue to meet the statutory obligation during the life of the contract) shall constitute a material breach of the contract.
