SOUTHERN LOCAL ELEMENTARY ARTS NEWSLETTER

## Kindergarten

Kindergarten is creating in the art room! We eased into our art making with an introduction to painting. We worked on painting lines, triangles, circles, and squares, oh my! They did a fantastic job for their first time.

This week, we read one of my favorite books called, "The Dot" by Peter H. Reynolds. One of the best lines from the book is, "Just make a mark and see where it takes you." After we read, we created our red dots, blue dots, and yellow dots. When the the blue mixed with yellow, we discovered we could make a green dot! In addition to our colors, we are working on developing our craft and those fine motor skills.

Happy Art Making!

## REMINDERS

- Kindergarten will be keeping their art portfolios at school. This way, we have work to hang in the hallway and have work to submit to the county art show in February. Student work will eventually be displayed on our elementary art page.
- Please make sure students have an art shirt. Some shirts have been mysteriously walking away and not returning. They help keep your kiddos clean! Most materials we use are washable. Just in case your child comes home with paint on their clothes, make sure you pretreat with a stain remover and wash in hot water.
- Art is messy, and as we go throughout the school year, students may encounter bigger messes. Please make sure they dress appropriately. See below for scheduled art days.
