

## STUDENT DRESS CODE

The Board of Education recognizes the value of allowing individual student expression as well as the necessity of protecting student health and safety and maintaining an atmosphere conducive to education. Student dress code procedures must be designed with the goal of balancing these competing interests.

All dress code procedures will adhere to health and safety codes and comply with applicable law. Dress that materially disrupts the educational environment will be prohibited. No procedure will impose dress and grooming rules based on gender in violation of Title IX. District procedures will specifically define ambiguous terms, and examples will be provided when practicable.
