COVID-19 Closure Family Guide

COMPLETE SURVEY

<https://www.surveymonkey.com/r/9DCDXZ8>

Each HOUSEHOLD needs to complete this survey. Phone calls will be coming to families who don't complete this survey.

LEARN FROM HOME

Information from the survey will be used to deliver online, and supplemental learning materials.

WAIT FOR DELIVERY INFORMATION

We will be in contact with you soon regarding specific delivery information. We will use bus routes, physical pick up at schools, and online methods to provide you with instructional information and meals for your children.

PICK UP

For daily meal pick up, each child receiving a meal or the parent must be present. To pick up supplemental learning materials, please have just one person there to receive the materials for everyone in the family.

WATCH FOR UPDATES

Information regarding this closure is changing daily. Please monitor the District webpage and Facebook page for updates. Major changes with immediate impact will be shared through the Blackboard Connect phone call system.

CALLS & QUESTIONS

Once this system is fully in place, Teachers, Counselors, and Instructional Assistants will be available by phone and email to provide assistance for students and families.
