

# Setting Up Your Remind Account

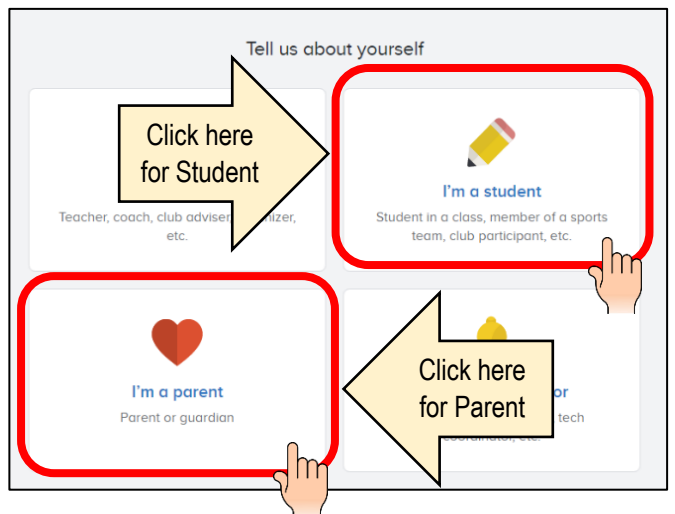

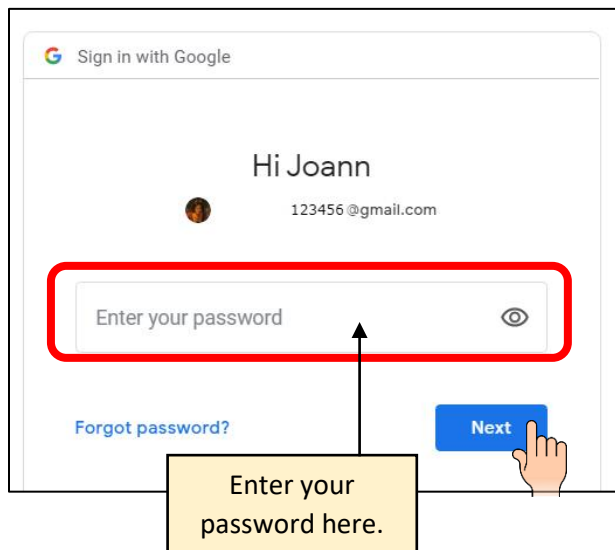

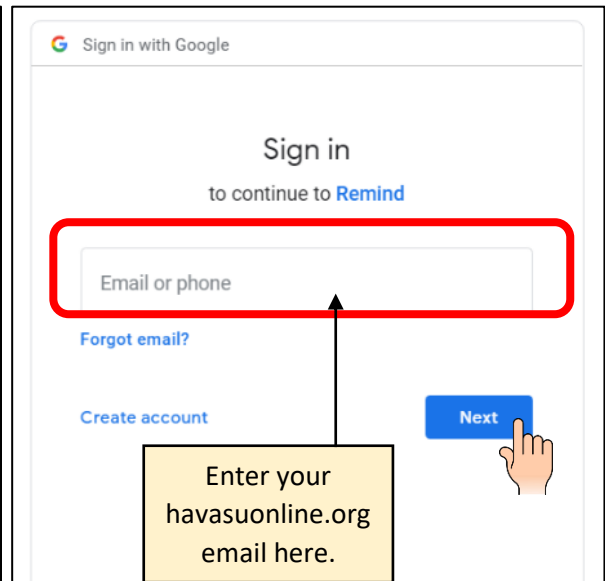

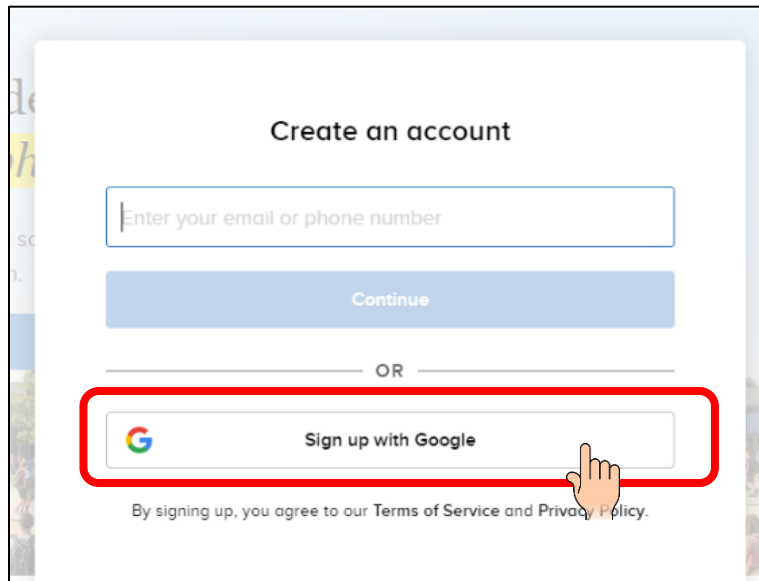

Parents **and** students are each encouraged to set-up their own account so that everyone is getting the same communication.

## Via the website:

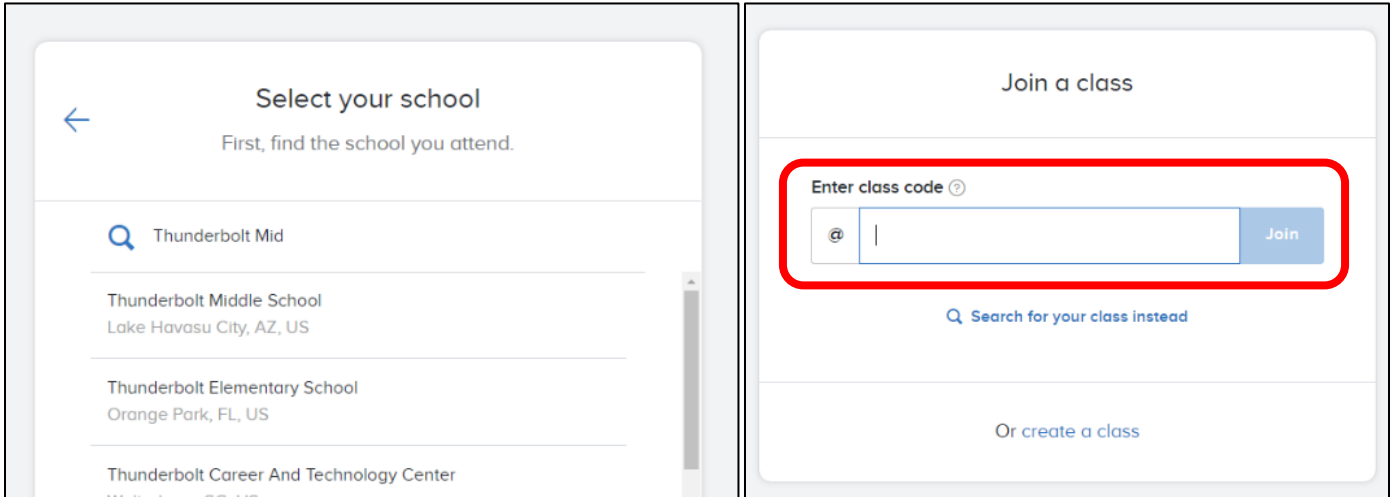

Go to <https://www.remind.com/> Click Sign Up.

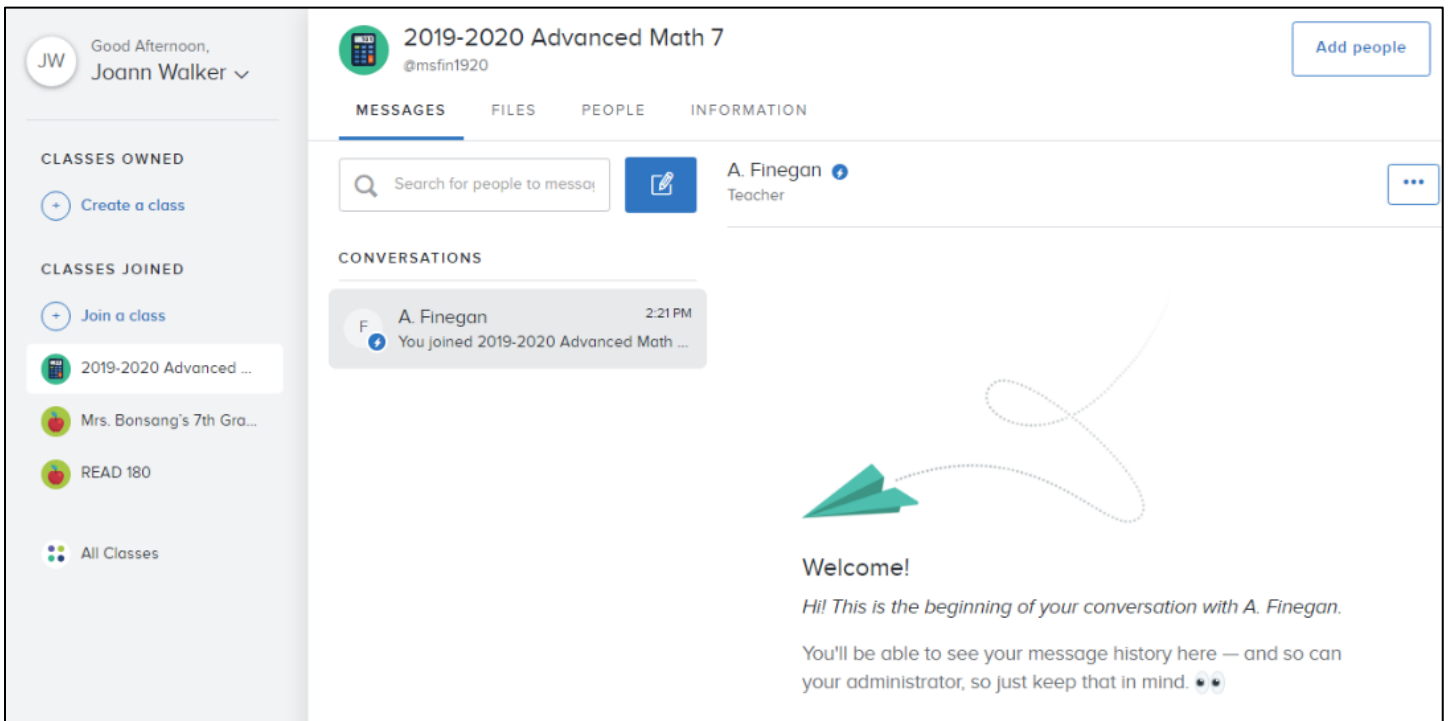

Choose Sign up with Google. If your havasuonline.org account is already established, select it. If not, select “use another account” to proceed.

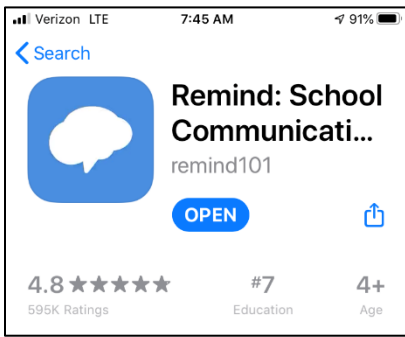

Select our school. Use the class codes your teachers give you to join classes.

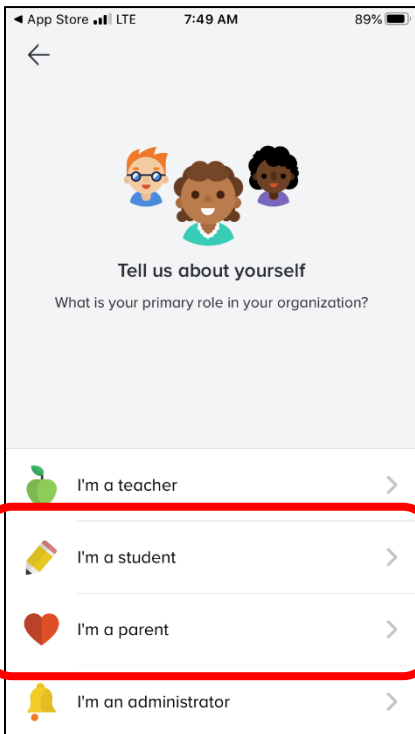

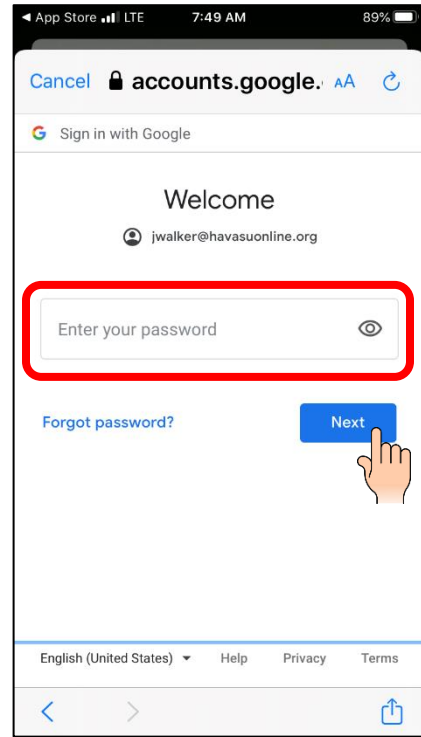

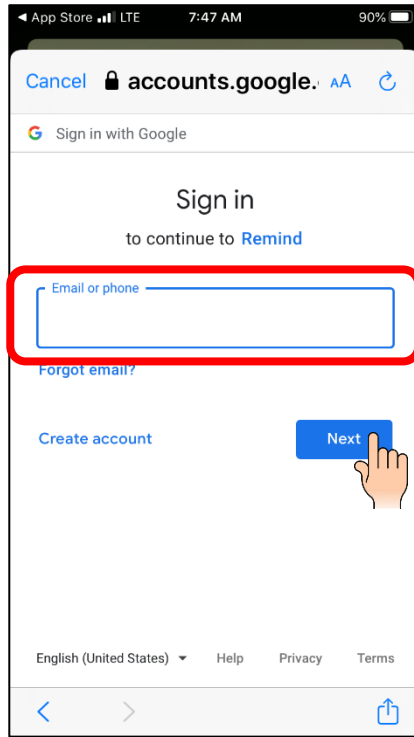

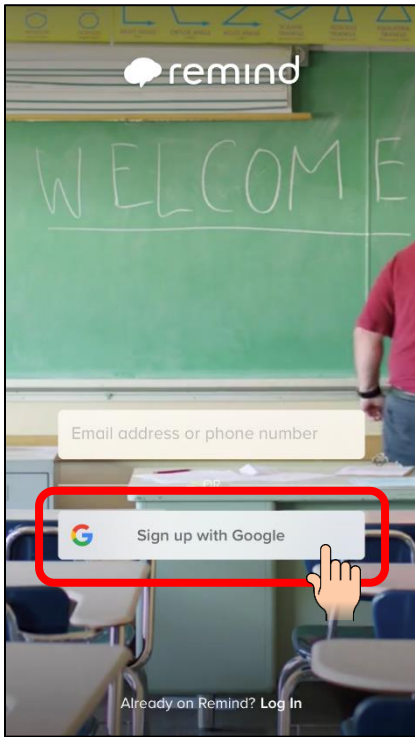

Once you are finished, your home screen should look something like this.

**Via the app:**

- Download the Remind app.
- Follow the steps similar to above using these screen shots to help guide you.
- Use your havasuonline.org account and password.
- Use your teacher codes to join classes.

Select Student or Parent
