Dear Parent/Guardian,

Thank you for choosing Mountainside High School to serve your student's educational needs. We are honored to be selected by you and by the trust you have placed in us!

Per district policy, families who participate in Open Enrollment must complete and submit an application each year. Open Enrollment applications for the 2021/2022 school year are due on or before **February 1, 2021** for guaranteed placement. Applications received after February 1, may result in being placed on a waiting list dependent on enrollment capacity. (Please see attached Open Enrollment Requirements). Please complete and return the attached Open Enrollment request form before **February 1, 2021**.

Please note that the Arizona Interscholastic Association regulates eligibility for high school athletes. A change in school attendance may impact a student's eligibility. Please contact our Athletic Director to determine your student's athletic eligibility at 623-388-2111. Additionally, please note that transportation for the student may be the responsibility of the parent/guardian and that student parking may not be available on the high school campus.

We look forward to having your student attend Mountainside High School!

Respectfully,

## **Open Enrollment Requirements**

Per District Policy, Open Enrollment Applications must be submitted on or before February 1 of each year to be considered for enrollment during the following school year.

This document contains information on the Open Enrollment selection process, additional information is available via the district website, [www.nadaburgsd.org](http://www.nadaburgsd.org), or upon request.

### **Selection Process**

All applicants will be accepted if there is sufficient capacity. If there is insufficient capacity, applicants will be selected from the submitted applications for enrollment in a school in accordance with a random selection process except where policy may indicate otherwise. After March 1, pupils shall be selected for enrollment from the waiting list in the order in which the pupils were placed on the waiting list through the random selection process, or as otherwise provided by policy.

### **Enrollment Priorities**

If the Governing Board has determined that there is excess capacity to enroll additional pupils, such pupils shall be selected on the basis of designated priority categories from the pool of pupils:

- Who have properly completed and submitted applications; and
- Who meet admission standards.

Enrollment priorities and procedures for selection shall be in the order and in accordance with the following:

- Enrollment preference shall be given to nonresident pupils who were enrolled in the school the previous year and any sibling who would be enrolled concurrently with such pupils. If capacity is not sufficient to enroll all of these pupils, they shall be selected through a random selection process adopted by regulation of the Superintendent.
- Enrollment preference shall be given to nonresident pupils who were not enrolled in the school the previous year. If capacity is not sufficient to enroll all of these pupils, they shall be selected through a random selection process adopted by regulation of the Superintendent.

Enrollment preference may be given to children who are in foster care.

### **Admission Standards**

A school district may refuse to admit any pupil who has been expelled from another educational institution or who is in the process of being expelled from another educational institution.

**Open enrollment approval and notification will be done on a Year-by-Year basis and will be reviewed each new school year.**
