

**2020-2021 Benchmark Content Checklist**

**3<sup>rd</sup> Grade Math  
Mississippi**

Please complete this form to communicate to the CASE Assessments team which content to include on each of your district's benchmarks.

*District or School:* South Side Elementary

*Person completing this form:* Kristina Meyer

*Date:* 4/9/2020

NOTE: Checking a standard signifies that the standard is to be assessed in its entirety. Since benchmarks are cumulative (testing curriculum taught from the beginning of the course), any standard checked for a benchmark will be assessed on all subsequent benchmarks.

In order to create balanced assessments that fully reflect the course material, CASE recommends customers select between 6-12 new standards per benchmark.

**The final benchmark will be comprehensive and assess all standards.**

*Any requested changes to the checklist after it has been submitted to CASE may be subject to additional charges and/or adjustment of original test delivery schedule.*

Click in the boxes to select standards to be assessed on each benchmark.
