School Accountability Report Card

Reported Using Data from the 2019-2020 School Year

Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Dixon High School is a four-year comprehensive high school in Solano County. Our mission states: "Dixon High School will develop and integrate the structures and practices necessary to ensure all students learn at high levels. Students will graduate from Dixon High School, college and career ready, prepared for the global demands of the 21st century." We believe that all students will succeed at high levels if provided the proper supports and structures to do so. At DHS, it is our vision that students are empowered to reach their personal and academic potential by staff who support and build meaningful relationships with the, that students are engaged in learning by staff who embrace and utilize proven instructional strategies, and that students learn and grow from mistakes in a safe classroom and campus environment fostered by encouraging staff.

Students at Dixon High School have many avenues to demonstrate excellence. In addition to robust AP/Honors offerings available to all students, students participate in CTE courses and extra- and co-curricular programs such as athletics, band, FFA, student government, clubs, and drama. We believe that students perform best when given multiple ways to do so, especially in well-run programs that have high expectations of students.

About Our School

Welcome to Dixon High School! We are a single comprehensive high school in our community of approximately 20,000. Our beautiful campus opened in 2007 and is a hub of our community. Our campus hosts site and community events and backs up to our city facilities with which we share a multi-use agreement. We have very active athletic programs, a beautiful theater, quality classrooms and a vibrant Agricultural program with a new barn. We are surrounded by new homes and look forward to meeting our new neighbors.

We are committed to ensuring all students learn at high levels every day and our staff continues to learn and work together to make this happen for our kids. Our PBIS team leads us in holding to three common expectations: Engage fully, Seek Support, and Be Present in everything we do. We are an AVID Schoolwide school and we are learning together to make sure all students experience equitable opportunities for engaging, rigorous learning and are supported so they can be ready for college and career when they leave us. We are focused on building relationships so all students and staff can engage fully, seek support when needed, and be present at school.

It is important to us that all of our stakeholders, including our community, feel welcome at our school. We encourage people to take the time to visit our school to experience a play, watch a game, listen to a band concert, or participate in any of the myriad events we host every year. If you have any questions about who we are or how and why we do what we do, please don't hesitate to contact our staff as we are happy to answer.

We have a saying at Dixon High School, "You can't hide that Ram Pride!" We want our students, parents, staff, and community to be proud of our school, and we will continue to work diligently to ensure this happens.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

Dixon High School was built in 2007. Dixon High School meets or exceeds all state requirements in a school facility. The campus currently contains 67 classrooms, 3 Art rooms, Agriculture/Welding shop, Floral shop, Band room, indoor theater, multipurpose room, 2 gymnasiums, weight/wrestling rooms, football/track/soccer stadium, 2 baseball fields, and 2 softball fields. 100% of our bathrooms are in working order. The Dixon Unified School District along with North Bay Schools Insurance performs yearly safety inspections with the purpose of identifying and correcting any and all safety issues and concerns. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. All HVAC units undergo regular maintenance and cleaning. All classrooms currently have WiFi capabilities. Above and beyond the daily cleaning maintenance performed by custodial staff, the district schedules thorough cleaning of classrooms on a regular basis. There are no scheduled facility improvements.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Dixon High School offers several Career Technical Education (CTE) programs, including: Ag Science, Mechanics, Floral Design, Supervised Agricultural Education Projects, Culinary Arts/Foods, Computer Science and Multimedia Arts.

The Dixon High School Agricultural Department is known state-wide as a model program. We currently have three teachers working in the program and we offer a wide range of classes including both Agricultural Science and electives. Students in our Agricultural programs get both hands-on and academic experiences to prepare them for college and career. Our Agricultural students have many opportunities to compete, lead, and learn at many levels.

The Dixon High School culinary program focuses on the safe and healthy preparation of food and entrepreneurial skills. Students in this program have many opportunities to prepare for careers and further study in the food sciences and business. Students in our Culinary Arts program can earn a California Food Handlers Certification.

Dixon High School has two curricular paths with regard to Technology; Computer Science and Multimedia Arts. In Computer Science, students learn the basics of coding, web site design, and robotics. In Multimedia, students work with industry-standard equipment and software so students leave the program with the skills necessary to continue their education or pursue work in the field. Furthermore, Dixon High School students can earn Adobe Certification through the Multimedia program.

Dixon High School has added a CTE Coordinator, beginning in the 2020-2021 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

We are very excited about our endeavors to engage parents and the community at Dixon High School. We actively reach out to parent groups and welcome their input. Parent organizations include the PTO, Dixon Schools Athletic Boosters, Band Boosters, numerous sport-specific boosters, Dixon Sober Grad Night, and ELAC. DHS also hosts several information nights to help parents be more involved in their children’s education. In addition to Back to School Night and Open House, we host a Course Expo every year so parents, students, and community members can preview our programs. Parents can join us in Cash for College, College Admissions sessions, AVID Parent Nights, events, band concerts, and plays and musicals. We host several evenings of “Coffee with the Principal” or "Tuesday Talks" where parents can get together in a friendly, casual environment to get information and ask any questions. Dixon High School parents also serve as representatives on district facilities teams, the district’s DELA organization, and LCAP Advisory groups.

Dixon High School is proud of our proactive, friendly office staff and employs a bilingual parent liaison to assist with parent outreach and communication. A parent or community member who would like to be more involved with our school is urged to contact us!

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Suspensions	0.0	0.0	2.5
Expulsions	0.0	0.0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Student safety at Dixon High School is our top priority. We pride ourselves on our safe campus, as evidenced by our low percentage of violent acts, bullying, and other negative behaviors. Site staff and administration take a proactive approach to student behavior management and the school is transitioning to a PBIS model for behavioral management and student support.

Dixon High School staff reviews and updates procedures for evacuations, fire emergencies, and intruders in collaboration with a comprehensive district safety plan and with Dixon Police Department, every year. Staff and students are trained on what to do in these incidents, and we have drills to practice for the.

Dixon High School employs two part-time campus supervisors to assist the administration with student supervision to ensure students are safe and to develop positive relationships on campus. We also have a district School Resource Officer who engages with students and staff and also advises on safety matters. Additionally, all teachers have supervisory duties as well, throughout the day.

Visitors to campus must come through the front office where they check-in and are given a sticker to indicate they are allowed on campus.

Dixon High School has a nurse available, first aid kits throughout campus, and we have two AED machines should students, staff, or visitors have a cardiac emergency. All athletic coaches are CPR certified and current with the most recent research and protocols for injury prevention and treatment, including concussions.

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	34	34	34

Dixon High School staff development focuses on further developing practices to ensure sound, rigorous, equitable academic and socio-emotional experiences for all students. With this in mind, we continue with site and district based AVID, PBIS, and English Learner professional development. In addition to outside professional development resources such as AVID Summer Institute and EL Achieve, we also have district and county professional development in these areas, as well as equity taskforce, brief intervention training, and addition English Learner trainings. Some of our most powerful professional development is done on site, in collaborative groups, especially with regard to instructional practices as an AVID Schoolwide school.
