

**Bok Academy**  
**Summer Reading Program**  
**All Grades**

Dear Bok Family,

We hope you are looking forward to a relaxing and rejuvenating summer. We are reminded by the novelist George R.R. Martin, “A reader lives a thousand lives before he dies and the man who never reads lives only one.” We also hope that during the course of the summer your child will engage in activities which invite their intellectual curiosity and sustain their interest in learning, as well as develop a habit of reading.

To maintain the high expectations, standards, and rigorous curriculum set forth for Bok Academy, your child is expected to complete the **Bok Summer Reading Book Report**. It is expected that he/she turn the completed report into his/her reading teacher before school begins in **Tuesday, August 10th**. Your child is to select one chapter book of his/her choice to read.

Please encourage your child to select a book that is within his/her comfort reading range; more importantly, we want your child to read a book that they enjoy! Upon completion of the reading, your child is expected to complete the Google Form Book Report located on the website to demonstrate his/her understanding of the text.

As part of your summer vacation plans, we invite you to check out the free “Find a Book” utility, <http://www.lexile.com/findabook.com> to quickly and easily search for books that will match your child’s reading level and interests.

The **Bok Summer Reading Book Report** can be downloaded from the Bok Academy website at [www.bokacademy.org](http://www.bokacademy.org). Click on the **Summer Reading** tab for the Bok Summer Reading documents. **The Summer Reading** link will also appear on the main page of the website. In addition, the Lake Wales Public Library is a great resource to find additional books of your choice.

We wish you and yours a happy, relaxing, and productive summer.

Sincerely,  
Bok South Reading Department
