Elmore County Public Schools Child Nutrition Program: Student Feeding Program Information

CURBSIDE PICK-UP PROCEDURES

The Elmore County Child Nutrition Program is working to improve the efficiency and safety of its curbside meal pick-up at the 5 district sites. **Starting Monday, April 6th**, parents/guardians will be issued a meal tag. If you have volunteered to pick-up meals and deliver to other families, let the worker issuing tags know and they will assist you. All participants must remain in their cars at all times. The meal tag will be issued to you at your car. The meal tag will note how many children ages 18 and under live in the parent/guardian's household. At all future pick-up dates, the meal tag should be placed on the driver's side dashboard and visible for volunteers to see as you drive through the pick-up line. If you are not able to participate on April 6th, meal tags will also be available for issue on all future serving dates.

Elmore County Child Nutrition program offers free take-home meals for all children ages 18 and under. On each pick-up day, children will receive 7 breakfast meals and 7 lunch meals. Meals will be distributed from 11 a.m. to 12:30 p.m. on Mondays (4/6, 4/13, 4/20, 4/27, 5/4, 5/11, 5/18) at the following sites:
