

Dec. 18, 2020

VSD Parents and Students,

With Winter Break upon us, I wanted to share with you the latest information regarding the re-opening of schools in Vernonia, as plans have changed again. As of today, our first opportunity for returning students to school on campus has been moved to Monday, February 8.

Following our state guidelines this February 8 opening will be for our students in grades Kindergarten through 2nd, but if guidance changes, and it is possible to open up for more grade levels, we will be looking to bring as many students as possible back to campus.

I will have more details for you in January, following Winter Break, but wanted to let you all know now that our first possible date for return to school on campus is Monday, February 8.

Thank you! Have a wonderful holiday season. Take care and be well!

Aaron Miller
Superintendent
