March 20, 2020

Mountain Vista PreK-8 School,

The school closures in Arizona have been extended through April 10, 2020. Governor Ducey and State Superintendent Hoffman might extend the school closures beyond April 10, depending on recommendations from the Centers for Disease Control and the Arizona Department of Health.

Our teachers will participate in an online meeting this Monday, March 23 to discuss our plan to educate students both online and with printed materials and textbooks. Our teachers will use the week of March 23-27 to create online classrooms, print assignments, and will reach out to each of their students to say, "Hello!" Teaching and learning will resume for our Mountain Vista students on Monday, March 30 and will continue through the duration of the school closures with online, printed packets, and telephone methods.

Free breakfast and lunch for all children under the age of 18 will begin on Monday, March 23 and will continue through the duration of the school closures. Breakfast will be available for pick-up from 8:00 AM to 9:00 AM and lunch will be available for pick-up from 11:30-12:30 PM, Monday through Friday in front of the school office.

This is an unprecedented time. Our teachers and staff are working to continue the school year under unique circumstances. I understand that internet is not readily accessible or consistent in quality throughout our community. I will continue to work with Pinal County and the Arizona Department of Education to provide an internet solution for the rural areas of our state.

I appreciate your flexibility and support as our teachers and staff prepare for this transition. I remind myself and I encourage you to remember our District motto, "Small Town Roots. Global Expectations." We will continue to work together and continue to do what is in the best interest of our students. Please continue to visit our website at www.osd2.org and our school Facebook page for updates and information.
