Nurse's News

SIGNS OF DEHYDRATION

THIRST

Thirst is the first sign of your body telling you that you are becoming dehydrated

FATIGUE

If you find that you are more tired than you usually are during your workout, then you may be low on fluids

SALT DEPOSITS

If you find that you develop dry white stuff around your face or in your clothes, you may be a heavy salt sweater and are at increased risk of dehydration

NAUSEA AND LIGHTHEADED -NESS

If you feel that you are at this point of dehydration, you may be at serious risk of heat exhaustion or heat stroke

MUSCLE CRAMPING

Cramping is a later sign of dehydration. Your body has already alerted you through increased thirst and fatigue

PALE OR SWEATY SKIN

If you feel that you are at this point of dehydration, your body will try to cool itself off in any way it can. This can lead to loss of consciousness

20/21 Year Book

If you would still like a Yearbook for this year, parents can order a yearbook online through this link:

https://link.entourageyearbooks.com/my/Smo ketree2021.

They are \$25 each, plus shipping and handling fees.

May 20th at 11:45 a.m.

Please note, Taher will <u>not</u> be serving lunch on this day.

Field Day

Smoketree's Annual Field Day is
May 14, 2021. There will be a water
slide, relay races, and more! In order
to participate in field day, your child must return
a signed waiver/permission slip before Friday,
May 14, 2021.

Lost and Found

The lost and found bin is full. If you are missing any items, please make sure you look in the lost and found bin located by the front office. After May 21st, all unclaimed items will be donated.
