Board Member

May ISD
Every Student Succeeds Act (ESSA)
Title I A, Program
Supplement/Not Supplant Compliance Requirement

Under ESSA Title I, Part A, the district must demonstrate a Supplement/Not Supplant Methodology that is used to allocate State and Local funds to campuses and that the allocations process is equitable.

Title I Part Statute:
Sections 1118 (b)(1)

All LEA shall use Federal funds received under this part only to supplement the funds that would, in the absence of such Federal funds, be made available from State and local sources for the education of students participating in programs assisted under this part, and not to supplant such funds.

TEA Guidance on Supplement/Not Supplant

Based on TEA guidance, districts who have 1 campus per grade span with no duplication of grades, will not be required to demonstrate the methodology for Supplement/Not Supplant.

May ISD will not be required to demonstrate a methodology for Supplement/Not Supplant because the district has 2 campuses with no duplication of grade spans.

- May High School, grades 7-12
- May Elementary, grades PK-6
