HCCA Celebrates Career and Technical Education Month

HOUSTON COUNTY, GA – In celebration of the national Career and Technical Education (CTE) Month, the [Houston County Career Academy](#) (HCCA) has planned month-long activities. The goals are to increase student engagement and community awareness about the importance of Career, Technical, and Agricultural Education (CTAE).

For the Feb. 9 Board of Education meeting, HCCA Principal Sabrina Phelps gave Board of Education and executive cabinet members a facemask with “I ♥ CTAE.” Pictured (from left) are: Board members Dr. Rick Unruh, Bryan Upshaw, Chairman Fred Wilson, Vice Chairman Helen Hughes, Lori Johnson, Superintendent of Schools Dr. Mark Scott, Dave Crockett and Hoke Morrow.

Other activities include a door-decorating contest, prize giveaways and morning announcements about the special month. Students and teachers are also encouraged to sign a “We Love CTAE” banner displayed in the school’s main hallway. Pictured are Warner Robins High students Hervin Tzoc Lopez (left) and Adienne Brown (right) as they take a moment to sign the banner.

CTAE prepares students for their next step after high school, whether it be college, a career or the military. Georgia CTAE pathway course offerings, and the new Educating Georgia's Future Workforce initiative, leverage partnerships with industry and higher education to ensure students have the skills they need to thrive in the future workforce. CTAE offers students more than 130 career pathways within the 17 Georgia Career Clusters.
