Language Arts

Story: **The Storm, Can It Fit?, Sid Pig**

Phonics: CVC words (consonant-vowel-consonant); short vowels

Phonics test will be given each Friday – this will review letters/sounds and current spelling patterns. A comprehension test over the weekly story will also be given on Friday.

-Identify the main topic and tell key details in the text. **RI.1.2**

-Describe characters, setting, and events
RI.1.7

-Speak (while tapping out) individual sound (beginning, middle, and ending) in one-syllable words. **RF.1.2b,c**

Spelling

We will not have a weekly list of spelling words. We will focus on spelling patterns. There will be a spelling test each Friday, so we can show how to apply the pattern. This week we are working on CVC patterns (just like in phonics). Here are a few examples: **bat, red, kid, fog, bus**

Sight Words

Please use the list of Kindergarten words to practice reading and writing. Have your child find these words as you read a story to him/her.

Special Schedule:

Mon. - PE (tennis shoes needed)

Tues. - Music

Wed.- Library

Thurs. - Art (art shirt needed)

Fri. - Technology

(headphones needed)

Math

-Count, read, and write numbers through 120 **1.NBT.1**

-We are doing a great job reading and writing numbers through 70. This is something you can easily practice at home. Write some numbers in random order and have your child read them. Also, say numbers in random order and have your child write them. Review our daily math papers, too!

Students are provided enrichment opportunities once grade level standards have been met, through centers and independent reading selections.

Notes from the Teacher

*Please continue to practice/review spelling words, sight words, and reading with your child each night. Support at home really helps!

*Cookie Dough fundraiser ends on Sept. 12th. This is a PTO sponsored event that helps us raise money for our school and fun activities throughout the year! Feel free to attend our next PTO meeting to get involved in our school activities!

*First grade will have a dental presentation on Monday. The hygienists will teach us good dental habits and send home forms for free dental screenings later in the year.
