SECTION 1. Section 37-11-67, Mississippi Code of 1972, is

amended as follows:

37-11-67. (1) As used in this section, "bullying or
harassing behavior" is any pattern of gestures or written,
electronic or verbal communications, or any physical act or any
threatening communication, or any act reasonably perceived as
being motivated by any actual or perceived differentiating
characteristic, that takes place on school property, at any
school-sponsored function, or on a school bus, and that:

(a) Places a student or school employee in actual and
reasonable fear of harm to his or her person or damage to his or
her property; or
(b) Creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits. For purposes of this section, "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior.

(2) No student or school employee shall be subjected to bullying or harassing behavior by school employees or students.

(3) No person shall engage in any act of reprisal or retaliation against a victim, witness or a person with reliable information about an act of bullying or harassing behavior.

(4) A school employee who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior shall report the incident to the appropriate school official.

(5) A student or volunteer who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior should report the incident to the appropriate school official.

(6) Conduct described in subsection (1) of this section is considered bullying if that conduct interferes with a student's education or substantially disrupts the operation of a school.
SECTION 2. Section 37-11-69, Mississippi Code of 1972, is amended as follows:

37-11-69. (1) * * * Each local school district shall include in its personnel policies, discipline policies and code of student conduct a prohibition against bullying or harassing behavior and adopt procedures for reporting, investigating and addressing such behavior, that:

(a) Prohibit the bullying of a student;

(b) Prohibit retaliation against any person, including a victim, a witness, or another person, who in good faith provides information concerning an incident of bullying;

(c) Establish a procedure for providing notice of an incident of bullying to a parent or guardian of the victim and a parent or guardian of the bully within a reasonable amount of time after the incident;

(d) Establish the actions a student should take to obtain assistance and intervention in response to bullying;

(e) Set out the available counseling options for a student who is a victim of or a witness to bullying or who engages in bullying;

(f) Establish procedures for reporting an incident of bullying, investigating a reported incident of bullying and determining whether the reported incident of bullying occurred;

(g) Prohibit the imposition of a disciplinary measure on a student who, after an investigation, is found to be a victim
of bullying, on the basis of that student's use of reasonable self-defense in response to the bullying; and

(h) Require that discipline for bullying of a student with disabilities comply with applicable requirements under federal law, including the Individuals with Disabilities Education Act (20 USCS Section 1400 et seq.).

(2) The policies must recognize the fundamental right of every student to take reasonable actions as may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassing.

(3) The procedure for reporting bullying established under subsection (1) of this section must be posted on the district's Internet website.

SECTION 3. This act shall take effect and be in force from and after July 1, 2017.
