

The school shall have a local school council meeting the requirements of state law and operating pursuant to appropriately adopted by-laws.

Whenever a vacancy occurs in the position of principal at the school, the superintendent shall consult with the school council as he deems appropriate to assist him in making a recommendation to the board. A vacancy occurs in the position of principal when the position is to be filled from applications submitted to the district and not from a reassignment of existing personnel.

ADOPTED: April 10, 2006

O.C.G.A. 20-2-0086 Operation of school councils; training; membership; management; roles and responsibilities

Webster County School District
