

Vernonia School District Back to Full Time for 2021-22 School Year

The Vernonia School District would like to share with families and the public, that it expects to fully reopen schools to full-day, five-day, in-person learning this fall for all students K-12. We share these expectations based on the Oregon Department of Education's issuance of their Resiliency Framework for the 2021-2022 school year.

As has been the case for so many months, these plans are subject to change based on suggested and required COVID-19 safety measures. We will continue to follow State guidance, and partner with our public health officials to have safe plans in place for our students, and to keep families updated as we finalize details for school over the summer.

One scheduling note: Late Start Wednesdays will be returning. Start time for students will likely be around 9:45-10am. Final school and transportation schedules will be shared in early August.

If you have any questions, please contact the school or District Office.
