

Addendum: Questions related to RFP_C2_HARDEE_FY20_WIRELESS

- How many years of support licensing do you need to be quoted? Only items included on the RFP should be included in your response.
- Do you have an existing wireless controller? All access points should be compatible with Ruckus Smartzone controller.
- If none, would you prefer centralized management (cloud/on-premise) of all the APs or a wireless controller per site/entity. N/A, Please refer to previous answer.
