*Happy New Year, Families! I am sending the very best wishes to all for this new calendar year.*

**[NCES Family Check-In:](#)** We have a new Family Check-In form. I have kept the same question plus added a few more. Please let me know if there is anything at all we can do to support you and your family. We are all here working together to get through this pandemic as a community.

***Free COVID Testing:*** Free COVID-19 testing will take place at the Town Hall on January 14, 21, and 28 from 1-4 PM. More information should soon be available on the Town website.

**Greetings from the NCES Library and Mrs. Erickson!** This week I want to let you know about some resources that are available through the Douglas Public Library here in Canaan. The library is open on Mondays, Wednesdays, and Fridays. The library also has a large collection of online books available to anyone with a library card. We are sending home library card applications to all students today so that you can sign up for a library card there if you don't already have one. Applications can be returned to school or dropped off directly at the Douglas Public Library. Happy Reading!

***Winter Attire:*** Winter has arrived along with colder temperatures. Please remember to send your child to school with winter wear: coats, gloves, hats, snow pants, and boots. Students love to be outside and we want them to safely enjoy every moment.

**[AHA Update:](#)** Click the blue link to see all that is planned for AHA this month.

**[Opportunity for Grades 3-12 through ASAP:](#)** If your child is interested in game design, click on the link for an opportunity.

**You can always reach me at [aroy@nceschool.org](mailto:aroy@nceschool.org) or (860) 824-5149.**

Stay Safe and Well throughout 2021,
