STUDENT BEHAVIOR FORM

Ventnor Middle School

Dear Parents and Guardians:

Your child's education and well-being are of the utmost importance for each of us here at the VECC. In order to provide the best learning climate possible we strive to provide a safe and orderly learning environment. Creating that environment requires the cooperation and support of all students, teachers, and parents/guardians.

The teachers have discussed the "school rules" with each of their classes. I have expressed my expectations to the student body. I would ask that you take a few minutes to review these rules with your child.

Classroom Rules

1. Listen to and respect all teachers.
2. Treat our school with kindness and care.
3. Keep your hands, feet, and unkind words to yourself.
4. Be prepared for class, listen carefully, and follow directions.
5. Raise your hand to speak or leave your seat.
6. Walk and speak quietly in class and hallways
7. Treat others the way you would like to be treated: be kind and polite

Bus Safety Rules

1. Always listen to the bus driver.
2. Stay in your seats.
3. Talk quietly.
4. No eating or chewing

Cafeteria Rules

1. Always listen to the cafeteria assistants.
2. Talk quietly to other students at the table.
3. Follow proper table manners and safety rules.
4. Raise your hand to leave your seat.

Organized Play Rules

1. Always listen to the teacher.
2. No rough play.
3. Stay in assigned areas.
4. Line up quickly and quietly.

Remember, as a community of learners, it takes all of us to make this year one that is positive and fruitful. Thank you for your support on this very important topic.

Sincerely,

Robert Baker  
Principal, VMS

Please sign below and return the bottom portion of this document to the homeroom teacher.

-----

I have read and discussed the VECC school rules and discipline policies with my child. We understand why they are so important and are willing to do everything in our power to adhere to the VECC requirements.
