PARENTVUE

I am a student >>

SYNERGY provides parents with real time insight into their student's performance via the ParentVue portal.

SYNERGY makes it easy to get parents engaged and keep them informed with features such as active **email alerts** for parents and **iPhone access** to student information, grades and attendance data. A **single parent log-on** for multiple siblings makes the system easy and efficient for parents.

PARENTVUE AND STUDENTVUE (Click on picture above to access the login page)

To help their children get the most out of school, parents want **day-to-day insight into the academic experience**. With the SYNERGY ParentVUE web portal, parents can access near real-time information on assignments and scores, attendance, immunizations, and more. ParentVUE simplifies home-to-school district communication for parents, offering a single sign-on to view each of their children's information, regardless of school. Parents can also elect to receive customized email alert notifications regarding timely issues, such as school events, attendance, or discipline incidents.

In much the same way, the **SYNERGY StudentVUE** allows students to stay on top of upcoming school events, classroom happenings, assignments, tests, and academic performance via their own student portal access. Students can also complete online course requests with automated prerequisite verification.

For information on how to create your parent or student account, please contact the building secretary.

Jack Daley Primary: 348-7242
Thatcher Elementary: 348-7252

Thatcher Middle: 348-7262
Thatcher High: 348-7272
