

ODEM INTERMEDIATE SCHOOL NEWSLETTER

OIS Mission:

To unite our school and community by communicating, establishing routines, promoting positive parent involvement in an academically enriched and safe environment.

Principal's Notes

This spring semester we have several activities planned for our students and their families. Research overwhelmingly demonstrates that parent involvement in children's learning is positively related to achievement. As always, we value your partnership and we look forward to seeing you at one of our future events whether it is Math and Science Night, grade level music performances, Father Daughter Spring Fling, etc.

Attendance at school is very important. When students arrive late or are picked up before dismissal, teaching and learning are disrupted.

The school schedule is 7:55am-3:30pm!

Instruction takes place until 3:30pm. Picking up students early will result in missed class content.

"You have the POWER to CHANGE the world use it to make a DIFFERENCE!"
