Will someone please advise on how to become a part of the Administrator Group. We are new to Schoology and frustrated with a lack of information. We are waiting on all of our imports to take place so that we can get our students and parents started. I need some information and help on the Admin side. Thanks in advance!!!

Is there a limit of how many sections in the same course can be linked? We have a couple of teachers with 4 sections and it is only allowing 3 sections to link. Any suggestions?

A teacher created a page and embedded a Google Form in it. A student solely uses the Schoology APP and is not able to view the Form, it just doesn't appear on both her iPhone and iPad. I tried it using my android phone and was only able to see 1 of the 3 forms that are on the teacher's course. Anybody familiar with this issue? Student

The screenshot shows a mobile application interface with a dark blue header. On the left is a logo of a building. In the center, the word 'COURSES' is highlighted with a red circle, followed by 'GROUPS' and 'RESOURCES'. On the right are icons for search, a grid, a calendar, an envelope, a notification bell with the number '4', and a user profile icon labeled 'Laura D...'. Below the header, the word 'Courses' is displayed on the left, and 'My Course' is on the right. The main content area features a grid of class tiles. The first tile is blue with a book and pencil icon, titled 'Dawes's Sandbox Section 1' at St Elmo Elementary. The second tile is white with a cartoon character and the name 'MRS. BROOKS', titled 'Janeice's Sand Section 1' at St Elmo Elementary. Below these are three more tiles: a yellow one with a 'Mobile County PUBLIC SCHOOLS' logo, a white one with a 'Pre-K-5' icon, and a white one with a 'Mobile - Schoology for Master Instructors' title and a URL: <https://mcpss.schoology.com/course/2614126492>.
