CARPENTRY

Program # C510300
CIP # 0646.020117

1200 HOURS
40 Weeks

PELL ELIGIBLE

PROGRAM DESCRIPTION:

Carpenters are responsible at least in part, for creating just about every building in your community. Homes, schools, court houses and office buildings are built from scratch through the skills and experience of professional carpenters. To be a carpenter is to be a member of one of the oldest and most respected trades in the world. If you enjoy working with tools, like to see your work produce immediately results and if you have a good work ethic, you can build a lifetime career in carpentry. The carpentry program builds lab activities into the program and provides instruction in: use of hand and power tools, selection and use of materials, estimating, blueprint reading, and interpretation of building codes.

OCCUPATION DESCRIPTION:

Construct, erect, install, or repair structures and fixtures made of wood, such as concrete forms; building frameworks, including partitions, joists, studding, and rafters; and wood stairways, window and door frames, and hardwood floors. May also install cabinets, siding, drywall and batt or roll insulation. Includes brattice builders who build doors or brattices (ventilation walls or partitions) in underground passageways.
