

Coffee High School Parents and Sophomores,

Yesterday and today the Herff Jones Representative met with the Sophomore Classes regarding Class Rings and Class Necklaces. Students who attended received Class Ring and Class Necklace catalogs, price guides and a Ring Day Special Discount Flyer (please see attached).

This is a courtesy note to inform you that you may pick up your student's information packet from the front office any time before the Order Days written below. As you are aware, students order their Class Rings during their Sophomore Year and receive them at our Class Ring Ceremony when they begin their Junior Year.

The Ring Ceremony is one of our most treasured traditions and we want to be sure that all students in the Class of 2023 have an opportunity to participate.

All Virtual Learners and Traditional Students are invited to attend the on-Campus Ring Order Day listed below.
