Sole Source Justification

TO WHOM IT MAY CONCERN:

The Liberty County School District has selected Chapman Produce as the sole source provider of fresh produce to the district. This decision was based on the following factors:

1. Chapman Produce is the only produce supplier in the region that provides the quantity and variety of fresh fruits and vegetables required to meet federal guidelines; and
2. Chapman Produce is the only produce supplier in the region that can deliver product to the district on a standard weekly delivery schedule.

Any questions regarding this action may be addressed to Amy Combs, Food Service Supervisor, at 850-643-2275 Ext 11247 or Amy.Combs@lcsb.org.
