

ACT Prep Class

Students are encouraged to take ACT Prep as an elective offering during their tenure as a student. It is our goal to help students feel confident and prepared as they take all college entrance exams.

Cottage Hill Christian Academy is proud to offer ACT Prep as an elective. Mrs. Molly Broders is a Certified ACT Educator and has completed the training necessary to provide CHCA students an excellent and thorough ACT Prep experience. For more information about the ACT Prep class, please visit the class page below:
