

The RCES “GEMS”

The RCES “GEMS” (Girls Embracing their Minds and Self-worth) is a girl’s social club aimed at helping girls realize that they are intelligent, proud, and beautiful individuals who are capable of doing and becoming whatever they put their minds to. Their Motto: “If you don’t make it the first time, don’t give up. Keep fighting...Keep going...and You will get there!” The “GEMS” have 22 members.

At the “GEMS” first meeting, we were honored to have Mayor Nancy Foster as our guest speaker. The girls enjoyed Mayor Foster and had many interesting questions to ask. Mayor Foster said that she really enjoyed meeting the girls and praised them on how well behaved they were. She also stated that she would love to come back at a later date to see the progress that the girls have made.

The girls collected and filled three Christmas Boxes to send abroad to help some children have a Merry Christmas.
