Communications and Hearing of Interested Parties

The Board welcomes visitors to our meetings, and values comments from district patrons that improve the quality of education for students. The Board, at their discretion, will recognize comments from the audience during discussion for agenda items. However, the Comments from Visitors section is intended for items that do not appear as an agenda item. We must require, however, that complaints be directed through the administration for resolution. Comments made during this session must be free of abusive language, personal attacks on district personnel, and not directed towards any department which, due to its low staffing, would amount to an attack by in affect naming district personal. We also ask that presentations be limited to (5) minutes.
