215 Day Calendar

Director of Classified Personnel Jeanne Blackard and Finance Officer Todd Lowe explained how the new calendar legislation had affected workdays and paydays for the 2005-2006 school year. Employees who were employed 220 days for the 2004-2005 school year will be employed 215 days for the 2005-2006 school year, but will continue to receive their first full month's salary no later than August 31, 2005 and each subsequent month thereafter. Employees employed less than or more than 220 days in 2004-2005 will continue to be employed less than or more than 215 days in 2005-2006 and will be paid no later than August 31, 2005, for time worked through the last day of that month, and each subsequent month thereafter.

Executive Director of Secondary Education Parks Allen reported that the school system had submitted a grant in cooperation with Randolph Community College to implement an Early College Program. Four hundred students, which would reflect the population of the Randolph County Schools, would be selected to participate in the program. One criteria of selection would be students which would be first generation college graduates. The 400-student school would be housed on the RCC campus and would be developed over a four-year period of time.

Update on Guil-Rand Fire Department Request

Attorney Bob Wilhoit reported that the City of Trinity would make a recommendation to the Randolph County Board of Commissioners on whether Fairgrove Fire Department or Guil-Rand Fire Department would provide services to the City of Trinity. Once Commissioners make a decision, the departments must be given a 180-day notice before the change is implemented. B. Coltrane made a motion seconded by G. Lawson that the Board give Attorney Wilhoit authorization to proceed with obtaining a release from the County Commissioners for a portion of the Hopewell School property sought by the Guil-Rand Fire Department for a sub-station.
