

Counselor's Corner
Oro Grande Classical Academy

Summer 2020

I'm busy preparing for the 20-21 school year and look forward to seeing all the students. I realize it is a time of uncertainty, but please be assured that our administrators are working on a plan for the beginning of the school year.

I'm a long time resident of Lake Havasu and very pleased to have been hired as one of the new elementary counselors for LHUSD. We're working to develop a comprehensive program for all students.
