

Dear Meade County School Families:

**We are thrilled to let you know that we now offer MyPaymentsPlus, formally MealPayPlus, ([www.mypaymentsplus.com](http://www.mypaymentsplus.com)), a state-of-the-art online service that offers you the convenience and information you need to manage your student's meal account.** This system will eliminate the need to send checks to school or worry about lost or forgotten lunch money, and speeds up serving lines in the cafeteria.

At no cost, MyPaymentsPlus allows any family to:

- Create a free, secured account to **manage all of your student's accounts**
- **Check your student's current account balance**
- **Monitor** the items your student has been purchasing in the cafeteria
- Create settings to **receive email notifications** when the account reaches a low balance

For a small fee, MyPaymentsPlus allows any family to:

- **Make a prepayment** into your student's meal account using a credit card or debit card at [www.mypaymentsplus.com](http://www.mypaymentsplus.com) or by calling **800-321-4763**. Funds deposited through MyPaymentsPlus are usually available for student use within a matter of minutes.
- Create settings to **automatically replenish** your student's account when it reaches a low balance.
- The small fee is a fee that credit card companies require to process the transaction. It is a small percentage of the amount you prepay.

**We strongly encourage all parents (even if you do not prepay for your student's meal account) to create an account at no cost through [www.mypaymentsplus.com](http://www.mypaymentsplus.com).** To create a new account, follow the onscreen directions and register your student using their Infinite Campus Student ID number. Their student ID number is a 10 digit number that may be obtained by contacting your child's school or by calling Meade County School Food Service at 270-422-7510.

For those who do wish to prepay into their student's meal account, MyPaymentsPlus offers several convenient ways to do so by visiting [www.mypaymentsplus.com](http://www.mypaymentsplus.com) or calling **800-321-4763** from anywhere, at anytime.

Thank you for your continued support, we are proud that we will continue to offer you convenience and information through MyPaymentsPlus. We consistently strive to find new and better ways to serve our students and our families, and we thank you for partnering with us in this effort.
