## THE SCHOOL DAY

The school day is from 7:30 a.m. until 2:45 p.m. **The school building does not open until 7:00 a.m.** Students dropped off before 7:00 a.m. will have to wait outside of the building until it is open. Students need to be present for the entire day in order to take full advantage of the educational opportunities offered at Perry Middle School. Make plans to keep your children in school as much as possible.

### TARDY TO SCHOOL:

It is important for all students to be at school by 7:30 a.m. each morning. We understand on occasion something may happen, which causes a student to arrive late to school. However, students who are excessively tardy will be referred to an administrator. A monthly report will identify students who are late for school. If a student is late four or more times per month s/he will appear on the monthly report.

Please make every effort to be on time to school.

**ATTENDANCE:** See HCBOE pages on the **Attendance Policy**

**Students are expected to be in attendance for the last three days of each semester in order to take final exams. No final exams can be given early.**

### ARRIVAL/DEPARTURE INFORMATION:

Students arrive at Perry Middle School by bus transportation and parent pick-up and drop-off. Due to the traffic risks, we do not allow students to walk to or from school. For the same reason, we do not allow students to ride their bicycles. This rule is in effect 24 hours a day, seven days a week.

### PARENT DROP-OFF AND PICK-UP:

**No student is to enter or exit the building through the front door by the office unless accompanied by their parent(s).** The parent drop-off and pick-up area is located off Highway 41, south of Perry Parkway in the gym parking lot. This includes times of inclement weather. In order to help with the traffic and to make the drop-off/pick-up go faster, we are asking you to follow these procedures:

- **Watch the adults** for directions as they conduct the traffic. Adults are stationed at either end of the loading area.
- **Pull up as far as you can** and let your child walk to or from the car.
- **The unloading area forms a U shape that starts at the from the walkway and extends in the parking lot. See map on page PMS 18.**
- The loading area goes from the front walkway to the back sidewalk.

- Students must be picked up at the parental pick up area by 3:15 p.m. Students are not to walk around to the front of the building to be picked up.

### **EARLY DISMISSAL:**

Students may leave school early with a parent/guardian or those persons listed on the student information form. If the emergency information changes during the year, be sure to keep us informed. Adults may be asked for identification before taking a student off campus. If you pick up your student **before 2:40 p.m.**, you will need to sign them out, and it will be considered an early dismissal. **Your child will not be called to the office until you are physically present in the front office.**

### **BUS NOTES:**

If you are going to ride a bus different from the one you are assigned to, you must take a note to the office in the morning during homeroom for approval from the office staff. Please do not wait until the end of the school day. **Notes will not be approved at the bus ramp.** Once verified, your child will receive a bus pass to ride a different bus for that day only.

The note must include your name, the different bus number, parent signature, and a phone number for parental contact. If we are unable to speak to you to verify the bus note, your child will not be able to ride another bus home.

### **MESSAGES:**

Please make end of the day transportation arrangements for your child in advance. Occasionally, a situation may arise in which a change is necessary. Please notify us immediately so that we can notify your child. **We cannot ensure that messages will be delivered to your child if we receive the message after 2:15 p.m.**

### **EXTRA-CURRICULAR ACTIVITIES:**

- All school rules apply to school activities after regular school hours.
- Attendance at these activities should be for the enjoyment of the activity. Students will be asked to leave if their actions indicate poor conduct.
- Perry Middle School staff has the authority to remove students from any extracurricular activity when their behavior makes it necessary. Unless an acceptable resolution is found, future attendance at these events may not be allowed.
- **Students assigned to in-school suspension cannot attend any extracurricular activities at any school in the county while they are assigned to in-school suspension (Academic or Athletic Events).**
- Students must be picked up as soon as possible after an activity ends. This means no longer than 30 minutes after the end of the activity.

We do not have the personnel to supervise students after an activity or event. It is the parents' responsibility to make sure their children have a way to get home. **Failure to be picked up on time may cause the student to lose their privileges to attend activities.**

## SCHOOL DANCES:

Attending dances and other fun activities are a reward for students' good behavior. Students may not attend school dances if they have had an ISS or OSS assignment during the semester. All dances will be from 3:00 p.m. - 5:00 p.m or 6:00 p.m. – 8:30 p.m. Students must be picked up at the designated location within 15 minutes of the conclusion of the dance in order to be eligible to attend the next dance or activity. **Only Perry Middle School students can attend school dances.** If you come to a school dance after you have had ISS or OSS, you will receive ISS or OSS.

## HOMEWORK:

Homework should be a natural extension of the learning that happens in the classroom each day. Our goal is to allow students to review lessons and practice skills in much the same way as they practice any other activity. The more you practice something, the better you will be able to do it.

We encourage parents to establish a regular time for your child to do his/her homework. If your child was paying attention in class, this should be review for them. They already have had instruction for this lesson. Do not get caught up in doing the work yourself. Take a few minutes to review the final work with your child. Then be sure he/she returns the work to school.

## TECHNOLOGY- EMAIL, INFINITE CAMPUS, AND EDMODO:

**Email:** Another effective method of communication with teachers is through the use of email. Teacher, administrators, and staff email addresses can be found on our school's webpage, <http://pms.hcbe.net/> under the Welcome menu option.

**Infinite Campus:** Student grades and schedule information can be found using the parent portal for Infinite Campus. Parent/student accounts can be set-up using the information found at <http://www.hcbe.net> and click on **the Infinite Campus- Parent Portal, First Time Login Option** on the left-hand menu. Additional assistance is available through our Family Engagement Coordinator, which can be contacted by phone to set up an appointment.

**Edmodo:** Edmodo is an online networking application for teachers and students. Edmodo is a communication platform which is a safe and controlled environment appropriate for school and is managed by teachers and our school system. To register for an account, visit <https://hcbe.edmodo.com/>.

**Student Email Accounts:** Through our school system, students will have access to a school email account. The account, Microsoft Office 365, will give students access to the online version of the traditional Microsoft Office software which includes Office (email), Microsoft Word, Microsoft Excel, and Microsoft PowerPoint. The web-version of Microsoft 365 also allows students OneDrive, which is a cloud service to store documents that they may be using for a project, class assignment, etc. Access to the account is through Houston County Board of Education. Students will be given account information to access this service.

## BYOD (Bring Your Own Devices) Procedures:

- Bringing a device (phone, tablet, etc.) is done at your own risk. We will not search for lost/stolen devices. The school is not financially responsible for lost/stolen devices. Students are

responsible for the security of their device.

- **Students are required to keep all devices secured in their lockers unless a teacher designates specific BYOD days.**
- Students/parents should record and keep on file the serial number of their device. We suggest installation of any type of phone or device finding app to locate missing or stolen devices.
- Students are responsible for the operation of their own devices. Charging of devices must take place at home. Technical support is not available at school.

### **BYOD Non-Negotiables:**

- Devices are the responsibility of the student.
- Devices ARE NOT for making calls, social texting, or non-instructional social media.
- Students must comply with all teacher requests to put down devices or close screens (“device down”).
- Devices must use HCBE\_BYOD Wi-Fi network at all times.
- Devices ARE NOT used to record audio, video, or take photographs of students or staff for any reason whatsoever without express written consent from the teacher and individuals to be recorded.

### **Non-BYOD Times & Locations:**

- Breakfast
- Lunch
- Homeroom
- Class changes
- When a substitute is in the classroom in place of the teacher.
- Bathroom breaks
- Riding the bus/parental pick-up
- **\*\*All devices should be secured in lockers unless specified by the teacher\*\***

### **LOST AND FOUND:**

The “lost and found” is located in the main office. Students can visit the “lost and found” before homeroom or during break. **If you find something**, please give it to the teacher so the item can be placed in the “lost and found.” Items will be donated to charity every nine weeks.

Here is a list of helpful hints to follow in order to avoid losing your possessions:

- **Do not bring large amounts of money to school.** Money is extremely difficult to track and identify.
- Use checks or money orders when paying for lunches, purchases, or fundraisers.
- Do not bring your valuable items to school. If you don’t want to lose it, don’t bring it to school.
- Do not take any items of value with you to P.E. The coaches do not have any way to keep it safe for you.
- Make sure that your name is on all of your possessions (for example: jackets, calculators, book bags, etc.).

- Do not tell your locker combination to any other student. Keep your locker locked. Do not “rig” your locker to avoid using the combination.
- Never leave your possessions lying around. Keep all items, including books, in your locker when you are not using them.
- All lost textbooks should be turned into the office. If you lose a textbook, report it to your teacher. Hopefully, we will be able to help locate your book. If textbooks cannot be located, students are responsible for the cost of the lost book.
- If you lose an item, write down a description of the item with the following: where and when it was lost, your name, and homeroom. When completed, give this information to your teacher or take it to the office. We’ll keep an eye out for it and return it to you if it comes in.

## **MEALS: BREAKFAST & LUNCH**

Breakfast is served each day before homeroom in our lunchroom area. We will also implement a grab and go breakfast program to provide more opportunities for students to eat. Students are welcome to eat a well-balanced meal prior to beginning the school day. The price for breakfast is \$1.75 (reduced \$.30).

Lunch served at Perry Middle School offers several different menus served on three lunch lines. The price for lunch is \$2.75 (\$.40 reduced).

**Outside food, other than a traditional homemade lunch, can’t be dropped off for your child (for example: McDonald's, Chick-fil-a, Subway, etc.)**

You may use [www.myschoolbucks.com](http://www.myschoolbucks.com) to pay for student meals using a debit or credit card.

Free and reduced lunch applications will be made available for every student. Parents will be notified by mail if their children qualify for these programs. These forms are available throughout the year should circumstances change and you need to apply at a later date.

Our cafeteria has a **no charge policy**. Alternative meals are not served at the Middle School. Students are encouraged to pay for their lunches in advance. Parents can send a check for the proper amount made out to **Houston County School Nutrition**. Students should pay in the morning before homeroom so that a receipt can be issued. Anytime a student is absent the lunch credit will go unused until the next time they eat lunch. The lunchroom manager is available for questions at 988-6285 extension 22292.

See HCBOE pages on **School Breakfast/Lunch Program**

## **MEDIA CENTER:**

Students are responsible for returning their library books on time. Parents, please help your children remember to return the books they checkout.

See HCBOE pages on **Media Center**

## **BOOKKEEPING:**

There is a \$30.00 charge on all returned checks to Perry Middle School.

## **PARENT CONFERENCES:**

We encourage our teachers to make frequent contact with the parents of Perry Middle School students. Parents may also request a conference with the teachers by calling the school. E-mail is also available. Please check with your child's team of teachers – **It is vital that we establish strong channels of communication to ensure your child's success.**

## **OFFICE SERVICES:**

The office is available for the following services. All students entering the office must have a hall pass from their teacher. *We ask teachers to dismiss students only during class changes so that instruction is not interrupted.*

**It is important that parents keep emergency contact information up-to-date with the Perry Middle School office. We do not allow adults to check out students unless they are authorized and on the "check out list". Identification will be requested.**

## **REPORT CARDS:**

Progress reports are issued four times during the year. Progress reports allow students to take advantage of improving their efforts before the grading period ends. Report cards determine a final grade for each semester.

Report cards are issued two times during the school year. The last report card will be mailed home. A passing grade (70) must be earned in order to gain credit for a class.

See HCBOE pages on **Grading and Promotion Policy**

We ask parents to watch for these important reports as they come home. Please sign and return them to the school as soon as possible (1-3 days). As usual, if you have any questions or concerns, please contact the school.

See HCBOE report card dates on **Houston County Schools Student Calendar 2019**

### **SCHEDULE:**

Students will receive instruction in the four core areas (Language Arts, Math, Science, and Social Studies). Students will also have connection classes to complete their academic schedule. Students will follow a connections rotation that provides the opportunity for them to have a broad range of experiences during their years at Perry Middle School. Connection classes include: Agriculture, Art, Band, Chorus, Computers, Family and Consumer Science, Technology, and Physical Education.

### **LOCKERS:**

You will be issued a locker in your homeroom class. DO NOT share your locker combination with anyone. You are responsible for anything found in your locker. Lockers will not be issued until all signed forms are returned to your homeroom teacher.

### **BOOKBAGS:**

Book bags are to be placed in your locker upon arrival to homeroom. You will get your book bag out of your locker at the end of the day to aid you in transporting books home. Book bags are not to be taken to different classes throughout the school day.

### **GYM BAGS:**

Gym bags should only be used to transport P.E. clothes to P.E. class. If you are not taking P.E. then you do not need to bring a gym bag to school.

### **OVERSIZED JACKETS/COATS:**

Oversized or bulky jackets and coats will also be placed in your locker upon arrival to homeroom. You will not be allowed to wear oversized or bulky jackets in the building during the school day.

## **CODE OF CONDUCT**

See HCBOE pages on the **Code of Conduct**

We encourage all students to make good decisions. Life is all about the decisions that we make. Every negative decision has a consequence, and every positive decision has a reward. You know the difference between right and wrong. Just remember to keep your hands, feet, objects, and unkind words to yourself! Following this simple rule will keep you out of trouble.

Houston County Schools believe that every child in the school district has a right to an equal opportunity in receiving an education. Student conduct and discipline should reinforce this right. Perry Middle School expects students to learn appropriate behavior and use it each day. The following guidelines will help each student stay focused on their educational opportunities.

- Obey the rules of the school and individual classrooms.
- Be regular in attendance and on time to class.
- Come prepared to each class with your book, paper, pen/pencil, and homework assignment.

- Study each day.
- Do not use another student's work and claim it as your own. This is known as cheating.
- Follow the dress code when dressing for school. See the **Dress Code Requirements**.
- Use good manners as you pass through the halls, cafeteria, and other areas of the school. Do not run, shove, shout, scream, or act in a way that creates disorder in the school.
- Show respectful behavior to the adults working in the school. When they give you instruction about your behavior, pay attention and follow the instructions.
- Show respect to other students in the school. Treat them the way you want to be treated.
- Use courtesy during assemblies and other group meetings. Stop talking when the program begins, pay attention to the speaker or program, use appropriate applause when the program is finished.
- Do not verbally or physically intimidate, threaten, harass, or assault any other student. If you feel that you are being disrespected or feel that there is a risk to your safety, report it to any adult in the school or have your parents report it to us.
- Do not bring items to school to sell, nor should you borrow/trade items from other students without first getting permission from an adult.
- **If you become aware of some situation that makes you feel unsafe, TELL AN ADULT!**
- If you bring something to school by mistake, and you know you should not have it, bring it to a teacher or the front office immediately.  
*What determines a "mistake"? If you are showing it around to other students, bragging or laughing about having it, and you don't turn it in, "It's NOT a mistake."*

### **BEHAVIOR AT THE BEGINNING OF THE DAY: (before Homeroom)**

- All 7th and 8th grade students arriving before the 7:15 a.m. bell must report to the Cafeteria.
- 6th grade students eating breakfast should report to the cafeteria, eat breakfast, and then report to the gym for dismissal to homeroom.
- 6th grade students not eating breakfast should report to the gym upon arrival to school to wait for dismissal to homeroom.
- Car riders should enter the building from the parent drop-off /pick-up area; then, go down your grade level hallway to the cafeteria.
- Students will be dismissed from the cafeteria in time to get to homeroom.
- Do not enter any classroom on your way to the cafeteria.
- After the 7:15 a.m. bell, all students must report directly to homeroom by 7:30 a.m. or you will be counted tardy.
- Use the restrooms outside the cafeteria before school.
- No book bags are allowed in the restrooms.

### **CAFETERIA AND BREAK BEHAVIOR:**

- Walk in line to lunch and break as directed by your teacher. Do not drag behind to wait for friends.
- After you get your breakfast or lunch sit at your assigned table and/or seat.
- Do not save seats for others.
- Talk quietly to people at your table. Do not talk to students at other tables.

- You should have a clean place to eat when you arrive. Leave a CLEAN eating area in the cafeteria. Push your chair in when you leave. Throw away all trash.
- Walk in an orderly manner to return your tray.
- If something falls off your tray as you are walking, pick it up and throw it away.
- Put your tray and silverware away properly.
- Place all of your waste in the trashcans.
- Line up to report back to class in an orderly manner as directed by your teacher.
- Do not take utensils or condiments out of the cafeteria.

### **HALLWAY BEHAVIOR:**

- We change classes and move about the building by grades. This means that when one grade is moving about, the other two grades are in class. Therefore, students must be quiet in the halls to ensure that other students are not disrupted during their class time.
- All students are to walk in a single file line on the right side of the hall at all times on the black tile.
- Do not place your feet on the walls.
- Hall passes are required at all times if you are not with your class.
- Walk in the halls. Do not run.
- Do not push or shove other students.
- No talking during the transition and keep your hands to yourself.
- Do not loiter in the hallway, restrooms, or at the water fountain.
- Students must use the restroom or water fountain nearest to their class.
- Respect school property and the possessions of others.

## **STUDENT DISCIPLINE**

The Perry Middle School discipline program is designed to support instruction in the classroom and promote a safe and orderly environment. When it is necessary to impose discipline, school administrators and teachers will follow a progressive discipline process. We expect students to listen to the adults in charge and follow their directions. It is possible to receive multiple consequences if more than one offense is violated. The decision to do this will be completely up to the administration and based upon the severity of the incident.

### **Journey Behavior System:**

Perry Middle School has created a progressive behavior system that focuses on rewarding students periodically for consistent positive behavior. These rewards are given to students who have been strike-free for the nine weeks and for the whole school year. This system sets clear guidelines for teachers and students when handling minor negative behaviors around the school campus. The behavior system documents minor behaviors of different levels including level 1 strikes, level 2 strikes, and office referrals.

A Level 1 strike is a minor infraction that results in a student receiving break detention.

A Level 2 strike is also a minor infraction that carries more weight meaning it is more serious in nature. The student receives a heavier consequence of after school detention.

Once a student has exhausted his or her level 1 and two strikes, then he or she receives an office referral.

**DETENTION: No after school detention will be held on Fridays.**

When a student decides not to follow our discipline procedures, an administrator or staff member may assign them to detention.

- Students and parents are given a twenty-four hour notice for after school detention. Students are expected to return the notification with a parent's signature on the next school day. Parent's signature indicates that the student will stay after school for the detention and he/she will be picked up from school when detention ends.
- Detention takes priority over extracurricular activities.
- It is not dependent on where the student lives or how he/she gets to or from school – rides the bus or by parents.
- Students are to be picked up promptly in front of the school at the indicated time.
- Late pick-ups of students (after 3:30 or 4:00 p.m.) will make detention no longer an option in the discipline program.

There are several types of detention at Perry Middle School.

1. **Teacher Detention** is assigned by a teacher and lasts for 30 minutes (from 2:55 to 3:25 p.m.) in the assigned detention room. Detention starts promptly at 2:55 p.m. Failure to serve teacher detention will result in an office referral.
2. **Administrative Detention** is assigned by an administrator and lasts for 1 hour (from 2:55 to 3:55 p.m.) in Room 703. Detention starts promptly at 2:55 p.m. Failure to serve administrative detention may result in ISS.
3. **Lunch Detention** may be assigned by a teacher or administrator, and students will serve silent lunch during their designated lunch time.
4. **Break Detention** is assigned by a teacher and lasts the entire break period.
  - Students are expected to report to detention on time and follow all directions, and complete the assignment. **It is the student's responsibility to know where to go for detention.**
  - Absent students or those leaving early on their day of detention will be required to fulfill their obligation on the day they return.
  - Students missing detention will be required to provide a valid reason with confirmation by parents (a note giving reason and a phone number).
  - Tardiness, misbehavior, or failure to stay for detention may result in extra detention days or in-school suspension (ISS).

**Please remember that your good behavior and decision-making will keep you out of detention.**

**IN-SCHOOL SUSPENSION (ISS):**

The In-School Suspension program is a method of handling serious discipline offenses before the student is sent home. Students earn credit for their classes while they are restricted from the normal activities of the school day. They eat lunch and breakfast as a group. Restroom breaks are at specific times. As part of a physical activity, students will participate in campus beautification that will include picking up trash on campus. Teachers support instruction by visiting the students to be sure they understand the assignments. Students serving ISS **may not participate** in any school extracurricular activity, sporting event, game, or practice until they have successfully completed their ISS assignment. **Students must complete all assigned work before they are released to return to their regular schedules.**

## **In-School Suspension (ISS) Rules and Procedures**

\*To ensure that students have and continue to have all the materials they need to work in ISS, students are not allowed to take books home from ISS.

### **Students must:**

1. Report directly to the ISS room immediately upon the arrival on Perry Middle Campus (Room 202) in the mornings. There will be no visits to the lunchroom, library, lockers, restrooms, etc. (subject to the approval of an administrator)
2. Remain in ISS until dismissed.
3. Be present for the full day and will not receive credit for partial days of attendance.
4. Participate in a planned physical education activity each day with duration of one class period in which beautification of school grounds may be included.
5. Bring an excuse from parent/guardian explaining reasons for their absence.
6. Refrain from chewing gum and eating at all times, and student will not be allowed to eat or drink any item, except during lunch, while in ISS.
7. Refrain from competing, attending, or participating in any extra-curricular activities, including sporting events, dances, etc. while assigned to the ISS program.
8. Must remain on task continuously and must complete all lessons assigned before being released from ISS. Also, students are not permitted to talk or communicate with other students in the ISS room at any time. Communicating includes signaling, writing of notes, nodding, etc.
9. Understand that it is their responsibility to pick up all their books necessary to complete all assignments issued by teachers upon entering the ISS program. Also, students must furnish and bring all required materials to the ISS classroom. Failure to do so will result in further action. **(Students are not allowed to have materials that are not directly related to the class.)**
10. Refrain from any personal grooming during the ISS assignment, such as hair combing, nails, applying make-up, etc., except during the brief restroom breaks.
11. Remain in the seat assigned, in a straightforward, upright position with feet on the floor.
12. Inform the ISS Supervisor of any problem that might arise and seek assistance as required.
13. Be fully responsible for their actions and understand the consequences for misbehavior or refusal to carry-out all instructions given.
14. Understand fully that the ISS Room Supervisor has wide discretion concerning what is proper behavior for ISS.
15. Consume all meals while in ISS room or while under ISS supervision. Students will have an option of purchasing a school lunch or bringing a lunch from home. (free or reduced lunches will still be observed while in ISS.)
16. Tell the ISS Room Supervisor about any required medications before going to ISS.
17. ISS is not a designated BYOD classroom. We ask that all devices are secured in the ISS closet at the beginning of the day.

### **OFF CAMPUS SUSPENSION (OSS):**

Suspension from school is a serious problem. We reserve this consequence for the most serious offenses. Students and parents should reassess their purpose for being in the regular school setting and make important adjustments as they return to school.

### **SATURDAY SCHOOL (8:00 a.m. – 11:45 a.m.):**

Students assigned to Saturday School must report to the cafeteria before 8:00 a.m. on the date of the

assignment. If a student is late (after 8 a.m.) they will NOT be allowed to stay. The teacher operating Saturday School will determine if a student is tardy. Students must be picked up by 12:00 p.m. or Saturday School will not be a discipline option for them again. Dates will be determined and announced.

Some of the offenses that could lead to a Saturday School Assignment include but are not limited to:

- Excessive tardies
- Failure to serve detention
- Minor procedural violations
- Excessive dress code violations
- Other violations as determined by the administration

Failure to serve Saturday School will result in ISS or OSS.

### **BULLYING:**

Bullying is defined as follows: Actions which occur on school property, on school vehicles, at designated school bus stops, or at school related functions or activities, or by use of data or software that is accessed through a computer, computer system, computer network, or other electronic technology of a local school system, that is:

1. Any willful attempt or threat to inflict injury on another person, when accompanied by an apparent present ability to do so;
2. Any intentional display of force such as would give the victim reason to fear or expect immediate bodily harm; or
3. Any intentional written, verbal, or physical act, which a reasonable person would perceive as being intended to threaten, harass, or intimidate, that:
  - a. Causes another person substantial physical harm within the meaning of Code Section 16-5-23.1 or visible bodily harm as such term is defined in Code Section 16-5-23.1;
  - b. Has the effect of substantially interfering with a student's education;
  - c. Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
  - d. Has the effect of substantially disrupting the orderly operation of the school.

### **SEXUAL HARASSMENT:**

Sexual harassment of a student interferes with a student's right to receive an education free from discrimination. Sexual harassment is defined as an unwelcome conduct of a sexual nature.

### **Reporting Sexual Harassment**

- If a teacher witnesses sexual harassment occurring, the teacher will immediately report it to a school administrator.
- If a student witnesses sexual harassment occurring, that student should report this to their teacher, counselor, or an administrator.
- Students are encouraged to report incidents whether they are the victim or they witness this occurring to other students. Our concern is that all students feel safe at school.
- A counselor is always available to talk to students about this.

- **Each school has a Title IX Coordinator who is responsible for overseeing issues dealing with harassment. Our school's Title IX Coordinator is Ms. Kizzy Johnson.**

### **DRESS CODE INFORMATION:**

Perry Middle School believes students should be dressed appropriately for the activities of learning. We enforce the **HCBOE Dress Code Policy**. This Dress Code will be enforced during the school day and at after school activities.

We frequently tell our students that what we wear to the beach or to the mall is not what we wear to school. Here, at Perry Middle School, we value advancing our students educationally. Therefore, we want our students to dress modestly, without creating a “statement”, crusading for a cause, or creating distractions (hair color, hair styles, electronic belt buckles, etc.) that may interfere with the educational process. We want our students to be safe. If our students look good (clean and neat), they will act better and study harder. This is our purpose for having and enforcing a dress code. The administration reserves the right to require students to wear a belt in their pants if the student has trouble keeping their pants up around their waist. Clothes are not to be worn backwards or inside out. **Jeans worn with holes or frayed must not show skin or be excessive in size.**

See HCBOE pages on **Dress Code** for complete information.

### **SCHOOL RESOURCE OFFICER (SRO):**

This year, Perry Middle School will have a School Resource Officer (SRO) on campus. The SRO is a police officer with the City of Perry but will serve here at PMS each day for the entire school year. The School Resource Officer supports and facilitates the educational process within the school by providing a safe and secure environment through building and establishing meaningful relationships with students, parents, and the staff.

### **WEAPONS:**

It is unlawful for any person to carry, possess, or have under control, ANY weapon at a school building or school function, or on school property, or on a bus or other transportation furnished by the school. The term “weapon” means and includes any pistol, revolver, or any weapon designed or intended to propel a missile of any kind, such as any dirk, bowie knife, switchblade knife, ballistic knife, any other knife having a blade three or more inches; straight-edge razor, spring stick, metal knuckles, blackjack or any flailing instrument consisting of two or more rigid parts connected in such a way to allow them to swing freely, which may be known as a nun chuck, or fighting chain, throwing star or oriental dart, or any weapons of like kind.

### **LOOK ALIKE WEAPONS:**

Items that look like weapons and/or are used as weapons will be considered weapons. For this reason, we ask parents to help educate their children and check to be sure that nothing gets brought to school that might cause concern or misunderstanding.

This includes: toy replicas of guns, knives, or other weapons, and also any unknown substances that may be passed off or mimicked as drugs, etc. **Toy weapons will be treated as real weapons.**

### **GANG INVOLVEMENT (Gang Related Activities):**

Students may not wear clothing, jewelry, accessories, or groom themselves in any way that may indicate or imply that he/she is a member of a gang.

This includes but not limited to:

- cutting eyebrows
- throwing gang signs
- wearing towels around the neck
- displaying gang symbols, drawing symbols or possessing drawings of gang involvement
- rolling up shirt sleeves or pant legs
- wearing sweatbands, headbands, or rubber bands or using rubber bands to blouse pants
- different color shoestrings or no shoestrings

### **NON-INSTRUCTIONAL ACTIVITIES:**

Perry Middle School values the development of the whole child. We would love for all of our students to become involved in the many clubs and extracurricular activities we offer. However, as our mission states, our number one goal is to motivate, educate, and promote lifelong learning. In order to that, we must maximize learning each day and lessen the number of days a student is not attending class.

**Therefore, students will only be allowed ten days of absences related to non-instructional activities.**

Non-instructional activities are any of the clubs and/or activities listed below.

## THE MIDDLE SCHOOL PROGRAM

Middle School students are undergoing many changes -- physical changes, social changes, emotional changes, and mental changes. The middle school recognizes these changes and provides a curriculum and a climate for students to move more easily from the elementary school to the high school. The subject's students learn are divided into two categories -- basic academic subjects and connections subjects.

The basic academic subjects are **language arts, mathematics, social studies, and science**. These subjects are taught in an academic block of time by a team of teachers. Students are assigned to a team for the school year. The teachers know the students and their capabilities and provide learning activities to meet the needs of the students on the team.

Students also take two connection classes each semester. The exploratory connection classes give students an introduction to subjects they may wish to take in high school, help students begin looking at careers, or assist students in developing life and learning skills. Students will explore **vocational education, fine arts, and personal learning skills. Physical education.**

### ARRIVAL/DEPARTURE

Students should not arrive on campus more than 30 minutes before the first bell and should leave campus no later than 30 minutes after the last bell unless participating in a school-supervised activity approved by the principal or designee of the principal.

### ATTENDANCE

#### Compulsory Attendance

Houston County School authorities, in cooperation with other county agencies, shall enforce the Georgia Compulsory Attendance Law, O.C.G.A. §20-2-690.1, Mandatory Attendance, which requires that every parent, guardian, or other person residing in the state having control of any school age child or children between the ages of 6 and 16 enroll and send such child or children to school. Further, all children enrolled for 20 school days or more in the public schools of Houston County prior to their SIXTH birthday shall become subject to all provisions of the law. All students missing more than 5 unexcused days in Georgia are declared as truant by law.

All Houston County students are affected by and fall under the provisions of our attendance protocol, which is stated as follows;

#### Level I

Three (3) unexcused absences

School staff will contact parents and document the contact. Contacts may consist of e-mail, phone call, or teacher notification form.

#### Level II

Five (5) unexcused absences

School staff will notify parents of the truancy and request a conference with the parents to sign an Attendance Contract.

#### Level III

Eight (8) unexcused absences

School staff notifies Social Services Department; Social Services provides data to the court for judicial proceedings to begin.

Any parent, guardian, or other person residing in Georgia having control or charge of a child or children and violate GA Code Section O.C.G.A. §20-2-690.1 shall be guilty of a misdemeanor and, upon conviction thereof, shall be subject to a fine of not less than \$25 and not greater than \$100, imprisonment not to exceed 30 days, community service, or any combinations of such penalties, at the discretion of the court having jurisdiction.

### Excused and Unexcused Absences

Absence from school is classified as either excused or unexcused. Reasons established by the Georgia Board of Education as excused absences are set forth in this policy. Students may be temporarily excused from school and allowed to make up work when:

1. Personally ill and when attendance in school would endanger their health or the health of others. Excessive/extended absences due to illness must be justified by a physician's statement.
2. A serious illness or death occurs in their immediate family
3. Mandated by order of governmental agencies, including preinduction physical examinations for service in the armed forces, or by a court order;
4. Celebrating religious holidays observed by their faith;

**NOTE: An excused absence does not mean the student is given credit for being at school. It means that the student may make up work missed during the excused absence.**

Students should present a written excuse within three (3) days following an absence whether excused or unexcused. Failure to do so will result in the absence(s) remaining unexcused. Excessive/extended absences due to illness must be justified by a physician's statement.

1. The date the excuse is written
2. The date and day of the absence
3. Reason for the absence
4. Signature of parent or guardian

**Upon returning to school, students should make up work missed within five (5) school days.**

It is expected that each student will attend school regularly and be on time each day to class. Students who are absent from school may not participate in any extracurricular activity the day or night of the absence.

At the discretion of the principal, a statement from a physician may be required to validate extended or excessive absences.

Students shall be counted present when they are serving as pages of the Georgia General Assembly.

For reporting daily attendance, a student must attend for at least one-half of the instructional day before the student can be counted as present. At the middle school level, attendance shall be counted on a class-by-class daily basis for granting credit in each class.

1. When a pupil is denied bus transportation due to misconduct, his absence from school is not excused. The parent or guardian shall be expected to provide transportation during the time the pupil is excluded from the bus.
2. No pupil shall be allowed to be absent from school during the regular session to take private music, drawing, dancing, or other lessons.
3. A pupil shall not be absent from school or from any class or other required school function during school hours, other than for illness or other providential cause, without written permission of the teacher, principal, or other duly authorized school official, nor shall any student encourage, urge, or counsel other students to violate this rule.
4. According to law, students under 16 years of age must be admitted at any time, but with the understanding that credit is not automatic. Students residing in Houston County, but who fail to enroll during the first 15 days of a semester will not be admitted until the next semester begins if they are 16 years of age or older.

### Military Family Deployment - Absences for Special Consideration

The Houston County School System is supportive of our military families, especially during the difficult time of deployment. In an effort to ease the burden of our students who have parents deploying, Houston County Schools will allow up to a total of 10 days of excused absences each academic year to allow families time during the deployment cycle. Absences may be planned to best fit your individual family needs. Excused absences will be allowed for the following situations:

- Pre-deployment, the day before deployment - one day;
- Day of departure - one day;
- Reunion, post-deployment - one day;
- R&R breakup to three days; or
- Travel to visit an injured parent - up to five days.

Other special circumstances will be considered; however, 10 days is the maximum that will be allowed per school year. Students will be responsible for their homework and will need to make up any missed tests or class reports upon return to the classroom. Parents are asked to collaborate with the classroom teacher and their children to ensure their students stay up-to-date on class material.

The form for special consideration for absences for military deployment can be obtained from the school's office. The form must be given to the principal for approval. The principal will send the form to Human Resources for approval. The parents will receive a confirmation letter in the mail.

#### Tardiness/Early Dismissal

Instruction begins promptly at 7:30 a.m., therefore a student is considered tardy after that time. A student who is tardy must report to the office to check in. A parent is expected to accompany the student and to sign him/her in. If a school bus arrives after 7:30 a.m., students will not be considered tardy; and, no tardy permit is necessary.

Many people do not realize that missed instructional minutes add up quickly. For example, if your child arrives a mere 10 minutes late each day, they miss 50 minutes of instructional time every week. During a 36 week school year, they could miss nearly 30 HOURS OF INSTRUCTION! If they're 20 minutes late, it would be 60 hours, and so on. These instructional minutes are especially important to the achievement of our students and the success of our schools. An excessive number of lost instructional minutes could prevent your child from being promoted to the next grade level. For the benefit of ALL students, we may implement the following procedures with relation to unexcused tardies and unexcused early dismissals:

- 5 Unexcused Tardies/Early Dismissals - Parent Contact
- 10 Unexcused Tardies/Early Dismissals - Excessive Tardy/Early Dismissal Notification Letter
- 15 Unexcused Tardies/Early Dismissals - Attendance Contract Meeting Scheduled with parents and administration
- 20 Unexcused Tardies/Early Dismissals - Referral to the HCBOE Social Service Department, discussion of retention of child in the current grade, and assignment to Mandatory Make up Time
- 25 Unexcused Tardies/Early Dismissals - Parent Meeting scheduled with the Attendance Panel at the Central Office in Perry, GA

#### ATTENDANCE ZONES

The Federal Courts have approved the neighborhood school attendance zone formulated by the Houston County Board of Education. If the natural parent lives in Houston County, the student must attend the school in which the residence of the natural parent is located regardless of whether the student lives with the parent.

If the parents are divorced/separated, the child shall be required to attend the school in the attendance zone in which the **primary custodial parent resides**.

**If Central Registration or school personnel determine that a parent or guardian has used false information to enroll a child in a school other than the school zone in which the parent/guardian resides, the child shall be withdrawn no later than the last day of the grading period.** The child shall be required to attend the school in the attendance zone in which the parent resides.

#### Unsafe School Choice Option

If a student is a victim of a Violent Criminal Offense (as stated in OCGA 160-4-8-16/JBCCA Policy) on campus or at a school sponsored activity, he/she may request a transfer to a school which has not been identified as being on a

school improvement, corrective action, or restructuring plan. This request must be made within ten (10) school days of the commission of the Violent Criminal Offense.

### **BALLOONS/GIFTS AT SCHOOL**

### **BRIDGE BILL**

**BUILDING RESOURCEFUL INDIVIDUALS TO DEVELOP GEORGIA'S ECONOMY** Georgia General Assembly HB 400: May 20, 2010. The purpose of the BRIDGE Bill is to provide a process for the development of an individual graduation plan for each student in Georgia. It allows students and parents to work together to plan for the future.

"Beginning with the 2010-2011 school year, students in the sixth, seventh, and eighth grades shall be provided counseling, advisement, career awareness, career interest inventories, and information to assist them in evaluating their academic skills and career interests. Before the end of the second semester of the eighth grade, students shall develop an individual graduation plan in consultation with their parents, guardians, or individuals appointed by the parents or guardians to serve as their designee. High school students shall be provided guidance, advisement, and counseling annually that will enable them to successfully complete their individual graduation plans, preparing them for a seamless transition to postsecondary study, further training, or employment." Advisement is a major part of education and career planning for ALL students. The BRIDGE Bill mandates advisement in grades 6 through 12. Effective advisement is measured by the utilization of the selected Career Information System (CIS) in all middle and high schools. In Houston County, Georgia Student Finance Commission's GACollege411 has been utilized. Their new site, [Gafutures.org](http://Gafutures.org), is being launched for the 2015-2016 school year.

#### GA Futures

[www.gafutures.org](http://www.gafutures.org)

The above site provides tools that will assist students with educational and career planning. Students and parents can gather educational and career-related information upon which they can make better and more informed decisions about their futures.

### **BUS CONDUCT**

The parents or guardians of students have the responsibility of supervision until such time as the student boards the bus in the morning and after the student leaves the bus at the end of the day. The school has the authority to discipline a student for any misconduct occurring on the way to or from school. Once the student boards the bus, the student is expected to conduct him/herself on the bus in a manner consistent with the established standards for classroom behavior.

Students who do not conduct themselves appropriately on a bus shall be brought to the attention of the administration by the bus driver. A student who cannot conduct himself/herself properly on a bus may have their riding privileges suspended. In such a case, the parent or guardian of the student involved shall be responsible for transporting the student to and from school. In cases of bus vandalism, the student and parent/guardian shall be held responsible.

Students are prohibited from any and all acts of physical violence, bullying, physical assault of other persons on the school bus, verbal assault of other persons on the school bus, disrespectful conduct toward the school bus driver or other persons on the school bus, and any other unruly behavior.

Students are prohibited from using any electronic devices during the operation of a school bus in a manner that might interfere with the school bus communications equipment or the school bus driver's operation of the school bus.

Students are also prohibited from using mirrors, lasers, flash cameras, or any other lights or reflective devices in a manner that might interfere with the school bus driver's operation of the school bus. (See Policy JCD - Student

#### Minor Offenses

1. Failure to remain seated
2. Refusing to obey driver/monitor
3. Throwing objects on the bus
4. Improper/dangerous conduct boarding or exiting the bus
5. Inappropriate physical contact (Minor)
6. Excessive noise
7. Unsafe items
8. Eating/drinking on the bus
9. Discarding trash
10. Extending objects outside window
11. Other disruptive behavior

#### Major Offenses

Although there may be no other bus report, consequences for major offenses begin at the third report level and proceed as reports occur.

1. Disrespect of driver/monitor/administrator
2. Fighting
3. Severe vandalism - restitution required
4. Possession of tobacco
5. Inappropriate physical contact (Major)
6. Throwing objects off the bus

The student will be suspended from the bus for the remainder of the year for behaviors such as possession of weapons or drugs or severe disrespect of the driver. When a student is denied bus transportation due to misconduct, his/her absence from school is not excused. The parent/guardian shall be expected to provide transportation during the time the student is excluded from the bus.

#### Consequences for Infractions of Bus Conduct

Transportation by bus to and from school each day that is provided by the Houston County school system is a privilege. Students who choose to behave in an unruly manner and refuse to follow the rules sacrifice the safety of other students and the driver. Discipline for student misbehavior while riding the bus is progressive and ranges from parent/driver conferences to having the privilege of transportation provided by a Houston County school system taken away completely. Ultimately, all discipline procedures are at the discretion of the principal and depends on the severity of the offense.

**First Sign of Student Misbehavior:** The bus driver will make contact with the parent to ask for help with the student. The driver will document the specific elements of the incident and document the conversation with the parent.

**First Bus Report:** A conference may be held with the school official, parent, and driver. A contract may be executed between student, parents, and school.

**Second Bus Report:** One (1) day off bus.

**Third Bus Report:** Three (3) days off bus.

**Fourth Bus Report:** Five (5) days off bus.

**Fifth Bus Report:** Seven (7) days off bus.

**Sixth Bus Report:** Ten (10) days off bus.

**Seventh Bus Report:** Off bus the remainder of the year.

\* This is a suggested progressive discipline system that comes with principal discretion.

Please be aware that a student may be suspended from the bus for 1-10 days on the first report if the principal determines the incident warrants suspension.

### **B.Y.O.D. (Bring Your Own Device) Procedures**

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. During the 2013-2014 school year, Bring Your Own Device, (BYOD) was piloted at all Houston County Elementary, Middle and High Schools. Each school will notify parents of the program parameters at their schools. Students who do not have their own device to bring to school will not be penalized. Please do not feel obligated to purchase a device for your child. In cases where all students do not have a device students will be encouraged to work collaboratively while allowing the owner of the device to be the one to manipulate and handle the device.

#### *Definition of "Device"*

For purposes of B.Y.O.D. (Bring Your Own Device), "device" means a privately owned wireless and/or portable electronic hand held equipment that includes, but is not limited to, existing and emerging mobile communication systems and smart technologies, portable internet devices, hand held entertainment systems or portable information technology systems that can be used for word processing, wireless Internet access, image capture/recording, sound recording and information transmitting/receiving/storing, etc.

#### *Internet*

Only the internet gateway (HCBE\_BYOD) provided by the school should be accessed while on campus. Personal internet connective devices such as but not limited to cell phones/cell network adapters should not be used to access outside internet sources at any time.

#### *Security and Damages*

Responsibility to keep the device secure rests with the individual owner. **The Houston County School System, its staff and its employees, are not liable for any device stolen or damaged on campus.** If a device is stolen or damaged, it will be handled through the administrative office similar to other personal artifacts that are impacted in similar situations. It is recommended that covers (decals) and other custom touches are used to physically identify your device from others. Additionally, protective cases for technology are encouraged.

#### *B.Y.O.D. Student Agreement*

Students and parents/guardians participating in B.Y.O.D. must adhere to the Student Code of Conduct, as well as all Board policies, particularly the Internet Acceptable Use (Policy IFBG) and Internet Safety (Policy IFBGE).

**Students and parents acknowledge that the school district has the right to collect and examine any device that is suspected of violating school rules and/or procedures.**

## **CENTRAL REGISTRATION**

Parents of any student(s) new to Houston County Schools must complete the enrollment process at the Central Registration site located at 410 Bear Country Boulevard, Warner Robins, Georgia. Enrollment process at Central Registration is done by appointment. To schedule an appointment visit the Houston County website [www.hcbe.net](http://www.hcbe.net).

- Select the Parents tab
- Scroll to Central Registration

### *Change of Address*

Any parent that moves (changes address) within Houston County during the school year and the move causes a change in the school zone during the school year, the parent must go to Central Registration. The parent must show two proofs of address for the new residence (**one must be a mortgage statement or lease agreement**). If the new address remains in the current school zone, the parent will need to take proof of residence (two proofs of address and one has to be a mortgage or lease agreement) to the school so the address can be updated. A service disconnection notice from the previous address is also required.

## **COMMUNICATION SYSTEM/SCHOOL MESSENGER**

The Houston County School System has an automated, emergency calling system, School Messenger. It is used in the event of emergencies such as school closings, evacuations, natural disasters, off-campus events, school lock-downs, or other major incidents. It also provides schools an opportunity to notify parents of school events, items of importance and upcoming important dates. School Messenger delivers a recorded message to parents by telephone. This calling system enables the delivery of a fast, accurate message and is a valuable addition to our school safety program. **Please ensure that your child's school has accurate telephone numbers on file.**

Interpretation services are provided as practicable for languages other than English at no charge to parents.

## **CONCUSSION MANAGEMENT**

Any student-athlete that exhibits symptoms of a concussion should be removed from the game/activity or practice immediately. No student-athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance. Close observation of the student-athlete should continue for several hours.

The Return to Play Act of 2013 code 20-2-2-324.1 became effective on January 1, 2014. The Houston County Board of Education addresses this in policy JGFGB. Students who will participate in extracurricular athletic activities will receive information concerning this policy. Parents and students will be required to provide documentation that they have read and understand this policy in order to participate. You may obtain this information from your school's athletic director.

## **DISCIPLINE**

The school system reserves the right to punish behavior, which is subversive to good order and discipline in the schools, even though such behavior is not specified in the Student Code of Conduct or in the Student Handbook.

### *Commission of a Crime*

1. Any student who commits a crime on school grounds or during a school activity whether on campus or not shall be subject to discipline including expulsion. Any student who commits a crime away from the school grounds and not during a school activity may be subject to discipline including expulsion if it is determined by the school system that the student's presence at school could endanger the lives or property of others or if the student's presence at school would be disruptive to the orderly conduct of school. (Policy JCD)

2. Pursuant to O.C.G.A. 20-2-1184, administrators are required to report students committing certain prohibited acts to the Superintendent of Schools or designee, police authority, and the district attorney.

#### Other Suspension/Expulsion Information

1. Students under suspension (home or long-term) or expulsion are not allowed to make up any academic work at home or at school unless they are in attendance at the WIN Academy.
2. Students under short term home suspension will be allowed to make up work upon returning to school. It is the responsibility of the student to coordinate with each teacher within five (5) days of returning to school regarding makeup work.
3. School administrators may not delay suspension or expulsion so students may participate in extracurricular activities.
4. School administrators and/or designated representatives **possess the authority to conduct a reasonable search of students, their possessions, their lockers, and their automobiles when on school property or on property being used by the school.**
5. In some instances, students who have been suspended who are enrolled at the alternative school may return to the home school at the end of a semester upon recommendation by the alternative school principal and approval by the home school principal.

2. Suspended students' parents or guardians must receive written notification of the suspension. In addition, every effort should be made to contact the parents by telephone before the student is placed in in-school suspension.
3. Teachers should prepare realistic assignments for each student assigned to ISS. These assignments should be specific to each day of the student's suspension and should relate directly to the curriculum.
4. The ISS supervisor should return each assignment for each day to the corresponding teacher at the end of each school day. The teacher should then examine the student's assignment and give feedback to the ISS supervisor the next morning. If problems are detected, the teacher should work with the ISS supervisor and the student to correct misunderstandings or problems. No contact with the teacher indicates that no problems exist.
5. No student may be assigned to ISS for more than ten (10) consecutive days. Care should be taken to avoid excessive accumulated assignments to ISS for any student.

### DRESS CODE

Good personal appearance, appropriate dress, proper behavior, and cleanliness are vital to each member of the school community. Developing good tastes in attire, good grooming habits, and good behavior are a part of the educational program.

Students of the Houston County School System are expected to dress in a manner that is supportive of a positive learning environment that is free of distractions and disruptions. There is a direct correlation between student dress and student behavior. Students will be expected to observe modes of dress, styles of hair, and personal grooming which support the learning environment. The purpose of this dress code is to assure that consistency and interpretation is implemented county-wide, thus providing equitable treatment for all students.

In making a judgment concerning the appropriateness of a student's dress or grooming, the principal should adhere to the guidelines set forth in the procedures that accompany this policy.

### Dress Code Enforcement

The principal of the school is charged with the enforcement of the student dress code. The principal is given wide latitude of discretion in the determination of proper or improper dress and behavior of students. Students who are found to be in violation of the dress code are subject to disciplinary action. The principal's actions may include:

We practice so that our students, faculty and staff have the knowledge to protect themselves and so they know what to do if a situation arises. Our communication system is capable of calling every parent in a matter of minutes to help keep you fully informed.

Throughout the school year, our teachers will be sharing and practicing our safety plans with the students. It will be handled in a low key way, but in a way that ensures that everyone understands what to do in an emergency situation.

In the event of an emergency, the students and staff in our system are our first priority. These procedures and practices are designed for their protection.

#### *Suspension from Participation*

Any Houston County student who places himself/herself in a situation that results in the student's being arrested or charged with any felony offense by any law enforcement agency will lose all privileges of participation in competitive and non-competitive extracurricular or athletic activities sponsored by the school.

The length of suspension from participation in these activities will be until all charges are dismissed by official court order or one (1) calendar year. If the student is not satisfied with the decision of the building principal, the student may appeal the matter to the Houston County Board of Education using the tribunal process as set forth in Policy JCD.

Any Houston County student who places himself/herself in a situation that results in the student's being arrested and charged with any criminal misdemeanor offense by any law enforcement agency, will lose all privileges or participation in competitive and non-competitive extracurricular or athletic activities sponsored by the school in the same manner spelled out in Paragraph 1 above. However, the length of suspension from participation in these activities will remain in effect until the suspension is lifted by a joint decision of the building principal and the Executive Director of Secondary Operations. In the event that said criminal misdemeanor arrests or charges result in either a guilty plea/admission or conviction/adjudication or if the original arrests or charges were reduced from felony offenses to criminal misdemeanor offenses by official court action, the suspension shall be lifted by the joint decision of the building principal and Executive Director of Secondary Operations. If the student is not satisfied with the decision of the building principal and the Executive Director of Secondary Operations, the student may appeal the matter to the Houston County Board of Education using the tribunal process as set forth in Policy JCD. In no event shall the period of suspension in Paragraph 2 exceed one (1) calendar year.

This policy is in addition to any other discipline or other action which the Board of Education may take as to the student.

#### **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT**

Student records will be forwarded without further notice to parents/guardians or eligible students to any school within or outside the Houston County School system, upon request of the school where a student is enrolling.

Local units of administration shall not withhold any student record because of nonpayment of fees. However, schools may withhold report cards, diplomas, or certificates of progress until fees are paid.

**FEE COLLECTION**

No fees may be required from students or parents to purchase basic learning materials necessary to accomplish the objectives of the curriculum (such as textbooks). Students may be required to furnish personal items such as paper, pencils, notebooks, etc. Parents will receive a letter whenever voluntary contributions are requested.

## GIFTED EDUCATION PROGRAM

- The middle school gifted education program is a state program designed to meet the educational needs of students who demonstrate a high degree of intellectual ability, talent, and/or creativity. Teaching and learning focus on developing cognitive learning, research and reference and metacognitive skills at each grade grouping, using principles of differentiation.
- Identified gifted sixth, seventh, and eighth- grade students are served daily in Honors Language Arts, Honors Science, and Honors Social Studies with the option of a third class, Accelerated Content (AC) Math.
- Students obtain eligibility through three of the four established criteria in the areas of achievement, mental ability, creativity, and motivation. The referral and placement process is coordinated by the school's Gifted Eligibility Team.

### Definitions

**Gifted Student** - In Georgia, a gifted education student is defined as one who demonstrates a high degree of intellectual and/or creative ability(ies), exhibits an exceptionally high degree of motivation, and/or excels in specific academic fields, and who needs special instruction and/or special ancillary services to achieve at levels commensurate with his or her ability(ies).

**Differentiated Curriculum** - In a differentiated classroom, teachers differentiate content, process, product and assessments according to a student's readiness, interest, and learning profile.

- Content - The State Board of Education adopted curriculum standards the student is expected to master and related support materials.
- Process - instructional strategies designed to ensure that students acquired a deep understanding of the curriculum standards.
- Products - vehicles through which students demonstrate and extend what they have learned
- Assessment - formative and summative on and off-grade-level monitoring to document students mastery of curriculum standards and learning levels
- Readiness - a student's entry point relative to a particular understanding or skill
- Learning Profile - how an individual student learns

### Referral

Students currently enrolled in Houston County Schools may be referred for testing at any time during the school year. All referrals will be reviewed by the schools' eligibility teams and county testing diagnosticians for consideration for formal evaluation. Parent permission will be obtained before any formal evaluation is begun, and parents will be notified in writing regarding their child's eligibility for the gifted education program.

### Eligibility

1. To be eligible for gifted education services, a student must either (a) score at the 99th percentile (for grades K-2) or the 96th percentile (for grades 3-12) on the composite or full scale score of a norm-referenced test of mental ability and meet one of the achievement criteria approved by the state of Georgia in Achievement, or (b) qualify through a multiple- criteria assessment process by meeting the criteria in any three of the following four areas: mental ability, achievement, creativity, and motivation.
2. To be eligible for gifted education services, a student must meet the criterion score on a norm-related test. Information shall be collected in each of the four areas: mental ability, achievement, creativity, and motivation.
3. Any test score used to establish eligibility shall be current within two-calendar years.
4. Any data used in one area to establish a student's eligibility shall not be used in any other data category.

### Multiple-Criteria Assessment Process

A student must meet the criteria in any three of the following four areas: mental ability, achievement, creativity and motivation.

**Mental Ability.** Students shall score at or above the 96th percentile on a composite or full-scale score or appropriate component score.

**Achievement.** Students shall score at or above the 90th percentile on the total battery, total math or total reading section(s) of a norm-referenced achievement test.

**Creativity.** Students shall score at or above the 90th percentile on the total battery score of a norm-referenced test of creative thinking.

**Motivation.** Students shall receive a score at or above the 90th percentile on a standardized motivational characteristics rating scale.

#### Continued Participation

As per the Georgia Department of Education, continuation policy includes a probationary period in which a student who fails to maintain satisfactory performance in gifted education classes shall continue to receive gifted education services while attempting to achieve satisfactory performance status.

The continuation policy provides for a final review prior to discontinuing gifted education services for students who fail to demonstrate satisfactory performance in gifted education classes during the probationary period and criteria for resuming gifted education services for such students.

#### Reciprocity

Any student who meets the initial eligibility criteria for gifted education services in one Local Educational Agency (LEA) shall be considered eligible to receive gifted education services in any LEA/receiving school system within the state of Georgia.

There is no mandated reciprocity between states. The Georgia General Assembly enacted legislation relating to the education of children of military families that impact the gifted education reciprocity of students whose households include a member of the United States uniform services. The goal of the legislation is to maximize a student's educational continuity despite the frequent movement across states and school districts.

However, in order to determine Georgia gifted eligibility, the following documents should be presented to the student's new school: a current eligibility report, recent standardized test scores, work samples. Recommendations from teachers are also helpful.

Nothing in this Code section precludes/ prevents the school in the receiving state from performing subsequent evaluations to ensure appropriate placement of the student.

#### Curriculum

Houston County implements the Program Delivery Model of Advanced Content based on Georgia's Programming Standards for Meeting the Needs of Gifted & High-Ability Learners and state guidelines.

Classes in gifted and talented education are courses of study in which the content, teaching strategies and expectations of student mastery have been adjusted to be appropriate for gifted students. Houston County employs rigorous and relevant curricula K-12 to accommodate the range of academic and intellectual needs of gifted learners. State-adopted standards are articulated and applied in differentiated curricula that match the identified academic needs, abilities, readiness, interests, and learning profiles of K-12 gifted learners in the regular classroom and in gifted education delivery systems. The curriculum enriches, extends, and enhances learning in gifted learners' areas of strength.

Curricula for gifted students focuses on developing cognitive, learning, research and reference, and metacognitive skills at each grade level and/or grouping, using principles of differentiation in the main subject areas of mathematics, science, English/language arts, and social studies and also in subject areas of world languages, fine arts, and career, technical and agricultural education.

Gifted-identified 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade students may enroll in Gifted Language Arts, Science, and Social Studies classes and may be served in an Accelerated Math class.

The main goal of the program is to provide a stimulating and challenging course of study with emphasis on independent learning and critical thinking. The curriculum is supplemented with independent research/science projects and required outside readings.

The Honors Language Arts courses are designed to prepare students for the high school gifted and AP English courses. The Honors Science courses provide a foundation for an advanced science curriculum in the high school program.

Sixth grade students are required to complete a Social Studies project. Seventh grade students are required to complete a science project which they enter in an annual county-wide science fair. Eighth grade students are required to complete either a science project or social studies project. Winners of the science project advance to the State Science and Engineering Fair, Junior Division.

For further information, contact the Gifted Lead Teacher, a counselor at your child's school, or the Director of Gifted Education.

## **GRADES**

All grades will be reported using the following numerical system:

90 - 100	=	A
80 - 89	=	B
70 - 79	=	C
Below 70	=	F (no credit)

Conduct will be graded using S-satisfactory, N-needs improvement, U-unsatisfactory. Conduct grades do not reflect progress in a subject area, but are a status report concerning a student's behavior.

## **GUIDANCE AND COUNSELING**

The guidance office is open to any student at any time. It is best to stop by in the morning to make an appointment. Through guidance, a student can achieve greater awareness of who he/she is, what he/she is capable of, and what he/she can become. The guidance counselor collects information about each student in order to help the student understand himself/herself. Tests, autobiographies, and interviews are some of the ways counselors collect information. Counselors treat information about individual students with confidentiality. The counselor is available to help students with any problems. The problems listed below are only a few of the types of problems one may experience in middle school.

1. Why are all my friends mad at me?
2. What good are those standardized tests we take?
3. My parents don't seem to understand me.
4. I don't know how to study. Can you help?
5. Why is homework necessary?
6. Is it necessary to follow the crowd?

## **HEALTH RELATED SERVICES - Accidents and Illness**

If a child is injured at school, office personnel will render first aid. Parents will then be contacted in those cases which the school deems are serious enough to warrant communication. If the school is unable to reach the parent, the emergency telephone contact person(s) will be called in an effort to find someone to come for the child. Please assist the school by leaving current emergency telephone numbers to be used in the event that you are not available. When a child becomes ill at school, the parent will be notified just as in the case of an accident. Parents will also be contacted in cases of children soiling their clothes at school through accidents such as vomiting, urinating, or defecation. If a child shows signs of illness, he/she should not be sent to school.

Parental assistance is urgently needed in providing pertinent medical information upon the enrollment of the child in school. Please assist the school by notifying the office of any change in student data (medical or otherwise) that will ensure your child's success for a safe and healthy school year.

### *When to Keep Your Child Home*

Preventive and emergency school-based health services are provided to public school children in grades Pre-Kindergarten through Twelfth. The Health Related Services department uses "Best Practice" standards that strive to eliminate barriers, increase attendance, and identify health related concerns that influence learning.

**Please refer to the following guidelines when considering returning a sick/recovering child to school:**

1. **A child should be fever-free for 24 hours without medication before returning.**
2. A child with strep throat must be on an antibiotic for 24 hours before returning.
3. A child with possible conjunctivitis (pink eye) must be seen by a doctor and may only return to school with a doctor's note.
4. A child with chicken pox may only return to school when all lesions have crusted over. Please provide a note from the doctor releasing the student to return to school and to excuse the absence(s).
5. All open, draining, or contagious skin areas (i.e. Staph, ringworm, Molluscum Contagiosum) must be able to be contained by a bandage/covering. Please provide a note from the doctor releasing the student to return to school and to excuse the absence(s).
6. A child with scabies will be allowed to return to school the following day after the first treatment.
7. A child must not require narcotics to control pain during school hours post procedure or injury.

**KEEP A CHILD HOME, if she/he:**

1. **Has had a fever\* of 100 degrees or higher in the past 24 hours**
2. Is nauseous and/or vomiting and/or has diarrhea
3. Has been exposed to a contagious disease and is exhibiting signs/symptoms of the disease
4. Have undiagnosed skin rashes, or contagious conditions such as scabies or chicken pox. Students will be excluded from school until the rash is gone or when cleared by a physician for any contagious illness. Your doctor can help determine the exact cause and ensure you receive proper treatment.
5. Live lice on the scalp. A child will be allowed to attend if only nits are seen.

***Children who have been at home because of illness, should not be brought to school for parties and/or special events.***

**\*A fever refers to a temperature of 100 degrees or more without the use of Tylenol or Advil or other fever reducing medications. Do NOT give your child aspirin or any aspirin product. A high occurrence of Reyes syndrome has been associated with viral infections and the use of aspirin.**

Please send a parent or physician note to the homeroom teacher within three days of the absence; otherwise, the absence is unexcused and subject to the truancy regulations.

**The information provided is not intended to replace physician advice. When your child is ill, please contact your health care provider.**

#### Medication Administration

Prescription medicines (no narcotics) will be given to students by school personnel only when prescribed and ordered by a physician and when the following guidelines are followed:

1. All medication must be presented to the Med Tech by a parent in a prescription labeled bottle, which will include student's name, date, instructions for administering, name of drug, and name of issuing physician.
2. A Medication Administration form, HRS 29 is required to be filled out by the physician and parent in cases of long-term medication (more than two weeks).

Non-prescription medicine or over the counter medicine, such as Tylenol, should be turned into the Med-Tech to be administrated. Over the counter medicines, will be given only for a short- term duration (i.e. two consecutive weeks or for a total of 10 times a year) without a physician's order. Medication must be in the original container, age appropriate and accompanied by written parental request with directions for administering. A Short Term Medication form HRS 29C, may be requested by the Health Technician.

HERBAL Medications will not be given without an order from the student's physician.

**Expired medication will not be given. Please check for expiration date before bringing medications to school.**

Students requiring an inhaler, injectable epinephrine (Epi-Pen), or Glucagon are allowed to have them at all times. It is critical that you discuss your child's medical condition(s) with the principal, teacher, and school nurse. Students must not share these medications with other students. Disciplinary consequences will apply for students misusing these medications. **Parents must pick up all medication at the end of the school year.**

### Head Lice

Head lice can infect anyone, not just children. Head lice are spread through head-to-head contact and sharing of brushes, combs, head bands, hats, jackets or etc. It is not our practice to check the entire class for head lice or send letters home to an entire class.

Lice are more common among preschool and elementary school-aged children and their families. Head lice cannot live on pets or animals, only on humans. No diseases are spread by head lice.

If a student is found to have active head lice, the parent will be called to pick him/her up. The school Health Technician will provide educational material to assist the parent in eliminating lice from the student and environment. The student will not be allowed back into school with live lice. The school Health Technician will inspect the student's scalp for active lice upon initial re-entry after first treatment and every 7 days up to 21 days or until clear of lice and nits.

Please help the school prevent lice outbreaks by encouraging your child not to share clothing items or other personal items such as combs, brushes and towels with friends. The school nurse is available for consultation with difficult cases.

### Hospital Homebound

Hospital/Homebound refers to those students who are medically prevented from normal school attendance based upon certification of need by the licensed physician or licensed psychiatrist who is treating the student for the diagnosis. For more detailed information, please see your child's principal and counselor.

Conduct grades will not be considered when determining honor roll. Grades earned in middle school for high school credit shall not be included when computing averages for academic honors.

### INSURANCE

At the beginning of the school year an independent insurance company offers student accident insurance coverage to students. Two plans are available: School-day coverage or twenty-four (24) hour coverage. Information sheets will be made available. Checks should be made payable to the insurance company. **You are encouraged to carefully look at this affordable insurance as it definitely covers any accidents occurring at school.** The Houston County Board of Education insurance does not cover your child if they have an accident at school.

Insurance is mandatory for each student participating in athletics, certain trade and industry courses, and work-study courses. A certification from parent or guardian of private insurance coverage for the student will be acceptable.

## LOCKERS

Lockers are issued to students on an availability basis. Students may not share lockers with other students. Lockers are the property of the school and may be checked or searched at any time without notice to the student.

## LUNCH/BREAKFAST PROGRAM

Lunch and breakfast are served daily at each school. All students will be given information regarding free or reduced meals during the first days of school with the exception of students who are enrolled in CEP (Community Eligibility Provision) schools. To apply for free or reduced meals, parents should complete an application immediately after receiving the application. A new application must be completed at the beginning of each school year. The fastest and most efficient way to see if your family qualifies for free or reduced priced meals is to apply online at [www.schoolunchapp.com](http://www.schoolunchapp.com).

Meal charging is not encouraged. Meal charging procedures may vary for each school. For middle and high schools, the charge limit is \$5.00. Schools will notify parents before the child reaches the charge limit by phone calls and/or charge notices that are sent home with the child. After the charge limit has been reached, the child will be served a complimentary meal of a deli sandwich, fruit, vegetable, and milk. After the fifth consecutive complimentary meal, the principal will communicate to the school's social worker who will then make a home visit. The complimentary meal will be served until the debt is resolved. In addition, after May 1<sup>st</sup> of each year, no charging is allowed.

Parents are encouraged to pay for student meals by the week or month. A monthly payment schedule may be found at [www.hcbe.net](http://www.hcbe.net) under the School Nutrition tab. Money can be collected in the lunchroom by the lunchroom staff. All checks should be made payable to *Houston County School Nutrition or HCSNP*. Please write your child's assigned lunch number on the check or write it on the envelope if cash is sent. You can also pay online at [www.myschoolbucks.com](http://www.myschoolbucks.com). The cost of a middle or high school breakfast is \$1.75, and lunch is \$2.75. Reduced cost for breakfast is \$.30 and lunch is \$.40.

As much time as possible is provided for your lunch period. Students should be aware of the line and not "break" in front of other students. With the number of students passing through the lunchroom each period, loud boisterous talking and laughing are not permitted. An adequate number of lines are provided, each with a well-balanced meal for students. Each student is expected to assume responsibility for keeping the lunchroom clean and orderly. Each student is responsible for depositing plates and utensils in the proper place immediately after lunch. During the lunch period, students should not use corridors where classes are in session. **Students are not allowed to receive food items from commercial vendors at school.**

## MEDIA CENTER

The school provides material for recreational reading and research. The media center staff is anxious to help students, and we urge students to request assistance when needed. During the school hours, admittance is by written permit only unless the student comes with a class and a teacher. A permit is obtained from the subject teacher and stamped by a library assistant when the student returns to class. Students coming to the library from class must have a purpose relative to the subject and require the use of library materials.

All books and materials taken from the media center will be checked out at the circulation desk. Reference books and magazines may have different circulation rules than books from the regular collection. Students should ask the media specialist about their school's policy for checking out these materials.

A reasonable fine per day per item is charged when overdue items are late. While in the media center, students are expected to follow all of the rules in their school handbook regarding food, snacks, drinks, and book bags. Food and drinks are never allowed in the shelves or at library computer stations.

## Challenged Materials

Criticisms of instructional and library materials that are in the Houston County Schools shall be submitted in writing to the individual school principal on the form available in the school office. It is suggested that the critic file the complaint which will be submitted to the school Media Committee appointed by the principal. If a parent or guardian objects to a reading assignment made by a classroom teacher, the parent may request in writing that the student be given a comparable alternative assignment without penalty. In so doing, the parent should state the reason for the request.

### PARENT PERMISSION TO DROP OUT

When a sixteen or seventeen year-old student desires to withdraw from school, he/she must have the written permission of his/her parent or guardian prior to withdrawing. Prior to accepting such permission, a school administrator will have a conference with the student and parent/legal guardian within two school days of receiving notice of the intent of the student to withdraw. The purpose of the conference is to share with the student and parent/guardian educational options available and the consequences of not earning a high school diploma.

### PERFECT ATTENDANCE

To receive an award for PERFECT ATTENDANCE, a student may **not** be absent, tardy, or be dismissed before the end of the instructional day.

### PROMOTION and RETENTION

Promotions are made on the basis of the ability of the pupil to do the work at the next level of instruction. Retention or promotion decisions will be the responsibility of the certificated staff. Parents, teachers, the student involved and other concerned persons must be included in the discussions leading to a decision. If any decision to retain or to plan for a longer-than-average time in a particular series of grades occurs, the school will notify the parents prior to the year's terminal report card. Any desire to change grade placement for the betterment of the child must be discussed with parents. The welfare of the student is the primary consideration.

In order to help assure appropriate achievement as students progress through their school experience, the Houston County Board of Education establishes the following basic promotion and retention criteria for use in the school system.

Promotion of students in grade 8 shall follow requirements set forth in Georgia Board of Education Rule 160-4-2.11.

#### Grade 8

No eighth grade student shall be promoted to the ninth grade if the student does not achieve the minimum performance level for promotion on the English / Language Arts and mathematics state mandated assessment and meet promotion standards and criteria established by the local board of education for the school that the student attends.

The school principal or designee may retain a student who performs satisfactorily on the state mandated assessment but who does not meet promotion standards and criteria established by the local board of education.

#### Middle School Promotion and Retention Standards

Promotion of students in grades 6, 7, and 8 shall follow the requirements set forth in Georgia Board of Education Rule 160-4-2-.11 and the local Board of Education.

Each student must take six subjects: language arts, mathematics, social studies, science and two courses during the exploratory block and will receive six grade averages at the end of a school year.

In order to be promoted, a student must pass a minimum of five subjects each year. Further, a student must pass all four core academic subjects (language arts, mathematics, science and social studies) in order to qualify for promotion to the next grade. Within specified guidelines, schools shall have the authority to "place" a student who does not meet promotion requirements based on the best educational interest of the child.

Attendance regulations set forth in Houston County Board of Education Policy JBD shall be enforced.

## **RELEASE OF STUDENTS**

The school may not release a student to any person other than the person who enrolled the student in school. If an individual other than the person who enrolled the student in school is authorized to take the student from school on a regular basis (e.g., a grandparent or other relative, childcare provider, etc.), the person who enrolled the student in school must notify the school of such in writing, and this notification should be placed in the student's record. **A PICTURE ID MAY BE REQUIRED BEFORE THE STUDENT WILL BE RELEASED.** If someone other than the person who enrolled the student in school (or an individual authorized in writing by this person) attempts to take custody of the child or to remove the child from the school, the school will immediately contact the person who enrolled the student in school. If a person who attempts to take custody of the child without consent of the person who enrolled the student in school refuses to leave the school or causes a problem the school should contact the appropriate law enforcement agency. (This provision shall apply with respect to State or local law enforcement officers.)

## **SCHOOL DAY**

For daily reporting purposes, students must be present at least one-half of the instructional day to be considered present (students must be present by 11:00 a.m./or dismissed after 11:00 a.m.). To receive **Perfect Attendance**, a student may **not be absent, tardy, or dismissed** before the end of the school day at 2:45 p.m.

## **SECTION 504 PROCEDURAL SAFEGUARDS**

1. Overview: Any student or parent or guardian ("grievant") may request an impartial hearing due to the school system's actions or inactions regarding your child's identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system's Section 504 Coordinator; however, a grievant's failure to request a hearing in writing does not alleviate the school system's obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system's Section 504 Coordinator. The school system's Section 504 Coordinator will assist the grievant in completing the written Request for Hearing.
2. Hearing Request: The Request for the Hearing must include the following:
  - a. The name of the student.
  - b. The address of the residence of the student.
  - c. The name of the school the student is attending.
  - d. The decision that is the subject of the hearing.
  - e. The requested reasons for review.
  - f. The proposed remedy sought by the grievant.
  - g. The name and contact information of the grievant.

Within 10 business days from receiving the grievant's Request for Hearing, the Section 504 Coordinator will acknowledge the Request for Hearing in writing and schedule a time and place for a hearing. If the written Request for Hearing does not contain the necessary information noted above, the Section 504 Coordinator will inform the grievant of the specific information needed to complete the request. All timelines and processes will be stayed until the Request for Hearing contains the necessary information noted above.
3. Mediation: The school system may offer mediation to resolve the issues detailed by the grievant in his or her Request for Hearing. Mediation is voluntary and both the grievant and school system must agree to participate. The grievant may terminate the mediation at any time. If the mediation is terminated without an agreement, the school system will follow the procedures for conducting an impartial hearing without an additional Request for Hearing.
4. Hearing Procedures:
  - a. The Section 504 Coordinator will obtain an impartial review official who will conduct a hearing within 45 calendar days from the receipt of the grievant's Request for Hearing unless agreed to otherwise by the grievant or a continuance is granted by the impartial review official.
  - b. Upon a showing of good cause by the grievant or school system, the impartial review official, at his or her discretion, may grant a continuance and set a new hearing date. The request for a continuance must be in writing and copied to the other party.
  - c. The grievant will have an opportunity to examine the child's educational records prior to the hearing.
  - d. The grievant will have the opportunity to be represented by legal counsel at his or her own expense at the hearing and participate, speak, examine witnesses, and present information at the hearing. If the grievant is to be represented by legal counsel at the hearing, he or she must inform the Section 504 Coordinator of that fact in writing at least 10 calendar days prior to the hearing. Failure to notify the Section 504 Coordinator in writing of representation by legal counsel shall constitute good cause for continuance of the hearing.

- e. The grievant will have the burden of proving any claims he or she may assert. When warranted by circumstances or law, the impartial hearing officer may require the recipient to defend its position/decision regarding the claims (i.e. A recipient shall place a disabled student in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. 34 C.F.R. §104.34). One or more representatives of the school system, who may be an attorney, will attend the hearing to present the evidence and witnesses, respond to the grievant testimony and answer questions posed by the review official.
  - f. The impartial review official shall not have the power to subpoena witnesses, and the strict rules of evidence shall not apply to hearings. The impartial review official shall have the authority to issue pre-hearing instructions, which may include requiring the parties to exchange documents and names of witnesses to be present.
  - g. The impartial review official shall determine the weight to be given any evidence based on its reliability and probative value.
  - h. The hearing shall be closed to the public.
  - i. The issues of the hearing will be limited to those raised in the written or oral request for the hearing.
  - j. Witnesses will be questioned directly by the party who calls them. Cross-examination of witnesses will be allowed. The impartial review official, at his or her discretion, may allow further examination of witnesses or ask questions of the witnesses.
  - k. Testimony shall be recorded by court reporting or audio recording at the expense of the recipient. All documentation related to the hearing shall be retained by the recipient.
  - l. Unless otherwise required by law, the impartial review official shall uphold the action of school system unless the grievant can prove that a preponderance of the evidence supports his or her claim.
  - m. Failure of the grievant to appear at a scheduled hearing unless prior notification of absence was provided and approved by the impartial review official or just cause is shown shall constitute a waiver of the right to a personal appearance before the impartial review official.
5. Decision: The impartial review official shall issue a written determination within 20 calendar days of the date the hearing concluded. The determination of the impartial review official shall not include any monetary damages or the award of any attorney's fees.
6. Review: If not satisfied with the decision of the impartial review official, any party may pursue any right of review, appeal, cause of action or claim available to them under the law or existing state or federal rules or regulations.

## **TITLE IX NON-DISCRIMINATION**

Federal law prohibits discrimination on the basis of race, color or national origin (Title VI of the Civil Rights Act of 1964); sex (Title IX of the Educational Amendments of 1972); or in educational programs or activities receiving federal financial assistance. Students and parents are hereby notified that the Houston County Board of Education does not discriminate in any educational programs or activities. Box 1850, Perry Georgia, 31069 or by phone at 478-988-6200.

## **TITLE IX PARENT/STUDENT GRIEVANCE PROCEDURES**

The Houston County Board of Education desires that all students receive the benefit of an adequate education. With this view in mind, the Board prohibits unlawful discrimination against students on the basis of race, color, national origin, sex, religion, age, or disability in its programs and activities. If a student or a student's parents/guardians has a complaint/grievance alleging any action prohibited by Title IX i.e., discrimination on the basis of sex and sexual harassment carried out by employees, other students, or third parties, he/she should discuss the matter with the principal of the school which the student attends in an attempt to resolve the grievance. If the principal is the subject of the complaint/grievance, he/she should discuss the matter with the Title IX Coordinator. See below for contact information.

The principal may make an attempt to resolve the grievance informally if the complainant expresses a willingness to participate in this informal process. Parties have the right to end the informal process and begin a formal process at any time. At his/her discretion, the principal may confer with persons having knowledge of the incident that precipitated the grievance. The school and the School System will take all necessary steps to prevent any recurrence of sexual harassment and will do what is necessary to correct its discriminatory effects on those affected by it. If the complainant does not want to participate in the informal process or the informal process does not result in a satisfactory solution, the student or parent/guardian bringing the complaint may seek relief using the formal procedures outlined below. The student alleged to have carried out the harassment may also seek relief by following the procedures outlined below. These procedures apply to complaints of discrimination/harassment prohibited by Title IX. The steps below are recommended for the most efficient resolution at the lowest level for any form of discrimination.

Sexual harassment is defined as unwelcome conduct of a sexual nature. Sexual harassment can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment of a student can deny or limit, on the basis of sex, the student's ability to participate in or to receive benefits, services, or opportunities in the school's program. Sexual violence is defined as infliction of physical force by a student, employee or third party, with the intent to cause injury or harm to the student.

### **Step I**

The complaint shall be presented orally or in writing to the school principal, or the Title IX Coordinator if the principal is the subject of the complaint/grievance, within ten (10) calendar days after the most recent incident upon which the complaint is based. If the harassment is so severe that the complainant is unable to make a complaint within the ten (10) calendar day time frame, the number of days within which to make the complaint may be waived to provide the student/parent making the complaint sufficient time to notify the principal or Title IX Coordinator of the complaint. Any witness or evidence should be provided at the time of the complaint. All parties involved shall have the opportunity to present witnesses and other evidence. The principal or designee will conduct an investigation. The parties involved will be informed of the outcome and the principal will render a written decision within ten (10) calendar days of the filing of the complaint.

Retaliation against an individual who reports alleged harassment or who assists in the investigation of harassment is prohibited. The District will take appropriate action against individuals who are in violation of this part of the policy.

### **Step II**

If the Step I investigation was conducted by the Title IX Coordinator, skip Step II and proceed to Step III. ### **VOLUNTEERS AT SCHOOL**

The Houston County School System welcomes the involvement of parents and other members of the community as volunteer helpers in the school. Because student welfare and safety are primary concerns, volunteers who provide direct services to students and staff are required to obtain security clearance. Additional information about this process may be obtained from school personnel.

### **VISITORS AT SCHOOL**

Parents and other adults who have legitimate reasons for being at school are always welcome. However, students may not bring school age relatives or friends from other schools or from out of town to school as guests. Persons unauthorized to be on campus are subject to arrest for trespassing. **All visitors must report to the office and secure a visitor's badge before entering the school.**

A visitor is defined as any person who is not a student at such school, an employee of the school or school system, a school board member, an approved volunteer following established guidelines of the school, or a person who has been invited to or otherwise authorized to be at the school by a principal, teacher, counselor, or other authorized employee of the school.

Any person who shall not have any legitimate cause or need to be present upon the premises or within the school safety zone of any school and who willfully fails to remove himself or herself from such premises after the principal or designee of such school requests him or her to do so, shall be guilty of a misdemeanor of a high and aggravated nature.

All visitors are reminded of the following Georgia law:

Any parent, guardian, or person other than a student at a public school who has been advised that minor children are present who continues to upbraid, insult, or abuse any public school teacher, public school administrator, or public school bus driver in the presence and hearing of a student while on the premises of any public school or public school bus may be ordered by any of the above designated school personnel to leave the school premises or school bus, and upon failure to do so, such persons shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine not to exceed \$500.

Each principal or designee of each school shall have the authority to exercise such control over the buildings and grounds upon which a school is located so as to prohibit any person who does not have a legitimate need or cause to be present thereon from loitering on such premises.

Any person who is not a member of the school staff or student body who loiters on or about any school building or grounds without written permission or who causes disturbances may be prosecuted according to law.

### **WEATHER**

In the event of school cancellation, parents will be notified by telephone through School Messenger, our automated notification system. This system has the capability to call all 15,000+ parents within a matter of minutes, delivering a fast and accurate message. The message will also be posted to our school system's Website, [www.hcbe.net](http://www.hcbe.net) and HCBOE Facebook page. A Public Service Announcement request will also be sent to the local media, to include 13WMAZ TV, FOX24 TV, WMG41 TV, WRWR TV-38, and all local radio stations.

**If a tornado warning is issued, bus dismissal may be delayed.** If students are in-route to or from school and a tornado warning is issued, buses are required to stop at the nearest school and students/driver takes shelter there until the warning has passed.

### **WITHDRAWAL FROM SCHOOL**

Parents should notify the school if for any reason it becomes necessary for their child to be withdrawn from school. Students should secure a withdrawal slip from a counselor. The form must be signed by each teacher, the media specialist, lunchroom manager, attendance clerk and returned to the counselor. Fees owed for lost or damaged books, library fines, lunch fees, etc. must be paid before the withdrawal process is complete. Parents should take a copy of the withdrawal form with them to the new school.

# HOUSTON COUNTY SCHOOLS

## STUDENT CODE OF CONDUCT

It is the purpose of the Houston County Board of Education to operate each school in a manner that will provide an orderly process of education and that will provide for the welfare and safety of all students who attend the schools within the district. In accordance with that purpose, the Board of Education has adopted a policy, which requires all schools to adopt codes of conduct. Students are required to follow the Code of Conduct at all times in order to facilitate a positive learning environment for themselves and other students. These standards for behavior require students to respect each other and school district employees, to obey student behavior policies adopted by the Board and to obey student behavior rules established at each school within the district.

A school's primary goal is to educate, not to punish; however, when the behavior of an individual student comes in conflict with the rights of others, corrective actions may be necessary for the benefit of that individual and the school as a whole. Accordingly, students shall be governed by policies, regulations and rules set forth in the Code of Conduct.

The student Code of Conduct shall be distributed to each student and the student's parents or guardians during the first week of school and upon enrollment of each new student. Parents shall be requested to sign an acknowledgment of the receipt of the Code of Conduct and return promptly the acknowledgment to the school. The student Code of Conduct shall be available in each school office and each classroom.

The Code of Conduct is effective during the following times and in the following places:

- At school or on property owned by the school system at any time;
- Off school grounds at any school-related activity, function or event and while traveling to and from such events;
- On school buses and at school bus stops.

Also, students may be disciplined for conduct off campus which could result in the student being criminally charged with a felony and which makes the student's continued presence at school a potential danger to persons or property at the school or which disrupts the educational process.

Major offenses including, but not limited to, drug and weapon offenses can lead to schools being named as an Unsafe School according to the provisions of State Board Rule 160-4-8-.16, UNSAFE SCHOOL CHOICE OPTIONS.

Parents are encouraged to become familiar with the Code of Conduct and to be supportive of it in their daily communication with their children and others in the community.

### **AUTHORITY OF THE PRINCIPAL**

The principal is the designated leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. In cases of disruptive, disorderly or dangerous conduct not covered in the Code of Conduct, the principal may undertake corrective measures, which he or she believes to be in the best interest of the student and the school provided any such action does not violate school board policy or procedures.

### **AUTHORITY OF THE TEACHER**

The Superintendent fully supports the authority of principals and teachers in the school system to remove a student from the classroom pursuant to provisions of state law.

Each teacher shall comply with the provisions of O.C.G.A. § 20-2-737, which requires the filing of a report by a teacher who has knowledge that a student has exhibited behavior that repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in his or her class or with the ability of such student's classmates to learn. Such report shall be filed with the principal or designee on the school day of the most recent occurrence of such behavior, shall not exceed one page, and shall describe the behavior. The principal or designee shall within one school day after receiving such a report from a teacher send to the student's parents or guardian a copy of the report and information regarding how the student's parents or guardians may contact the principal or designee.

The principal or designee shall notify in writing the teacher and the student's parents or guardian of the discipline or student support services, which has occurred as a result of the teacher's report within one school

day from the imposition of discipline or the utilization of the support services. The principal or designee shall make a reasonable attempt to confirm that the student's parents or guardian has received the written notification, including information as to how the parents or guardian may contact the principal or designee.

### **PROGRESSIVE DISCIPLINE PROCEDURES**

When it is necessary to impose discipline, school administrators and teachers will follow a progressive discipline process as appropriate considering the student's discipline history and conduct.

The Code of Conduct provides a systematic process of behavioral correction in which inappropriate behaviors are followed by consequences. Disciplinary actions are designed to teach students self-discipline and to help them substitute inappropriate behaviors with those that are consistent with the character traits from Georgia's Character Education Program.

The following disciplinary actions, or any of them, may be imposed for any violation of this Code of Conduct:

- Warning and/or Counseling with a School Administrator, Counselor, or Teacher:
- Loss of Privileges
- Removal from Class or Activity
- Notification of Parents
- Parent Conference
- Detention
- In-school Suspension
- Placement in an Alternative Education Program
- Short-term Home Suspension
- Referral to a Tribunal for Long-term Suspension or Expulsion
- Suspension or Expulsion from the School Bus
- Referral to Law Enforcement or Juvenile Court Officials: Georgia law requires that certain acts of misconduct be referred to the appropriate law enforcement officials. The School will refer any act of misconduct to law enforcement officials when school officials determine such referral to be necessary or appropriate.

The maximum punishments for an offense include long-term suspension or expulsion, including permanent expulsion, but those punishments will be determined only by a disciplinary tribunal as outlined in the Board of Education policies.

Disciplinary hearings shall be held no later than ten school days after the beginning of the student's suspension unless the school system and parents or guardians mutually agree to an extension.

Any teacher who is called as a witness by any person shall be given notice no later than three days prior to the hearing.

In the event a student or his/her parent/guardian does not wish to contest the charge(s) of violation(s) of the discipline rules of the school's Code of Conduct for which a tribunal has been requested, the student and parent may voluntarily accept the consequences recommended by the school by signing a Tribunal Waiver Agreement form. Such waiver shall specify an agreement to waive the opportunity to participate in a tribunal hearing, present evidence, cross examine witnesses, and be represented by an attorney. The decision to waive the tribunal shall be final and cannot be appealed by the school or family. The waiver must be signed by a parent/guardian and a school administrator.

Before a student is suspended for ten days or less, the principal or designee will inform the student of the offense for which the student is charged and allow the student to explain his or her behavior. If the student is suspended, the student's parents will be notified if possible. School officials may involve law enforcement officials when evidence surrounding a student's conduct necessitates police involvement or when there is a legal requirement that an incident be reported.

School officials may search a student if there is reasonable suspicion the student is in possession of an item that is illegal or against school rules. Students vehicles brought on campus, student book bags, school lockers, desks and other school property are subject to inspection and search by school authorities at any time without further notice to students or parents. Students are required to cooperate if asked to open book bags, lockers or any vehicle brought on campus. Metal detectors and drug or weapon sniffing dogs may be utilized at school

or at any school function, including activities, which occur outside normal school hours or off the school campus at the discretion of administrators.

### **BEHAVIOR WHICH WILL RESULT IN DISCIPLINARY PROCEDURES**

- A student is found to have engaged in bullying; or
- A student is found to have engaged in physical assault or battery of another person on the school bus.

The school bus behavior contract shall provide for age-appropriate discipline, penalties, and restrictions for student misconduct on the bus. Provisions may include, but are not limited to, assigned seating, ongoing parental involvement, and suspension from riding the bus.

These provisions regarding use of a bus behavior contract are not to be construed to limit the instances when other code of conduct violations may require use of a student bus behavior contract.

## **STUDENT SUPPORT PROCESSES**

The Board of Education provides a variety of resources that are available at every school within the district to help address student behavioral problems. The school discipline process will include appropriate consideration of support processes to help students resolve such problems.

## **PARENTAL INVOLVEMENT**

This Code of Conduct is based on the expectation that parents, guardians, teachers and school administrators will work together to improve and enhance student behavior and academic performance and will communicate freely their concerns about, and actions in response to, student behavior that detracts from the learning environment. School administrators recognize that two-way communications through personal contacts are extremely valuable; therefore, they provide information to parents as well as on-going opportunities for school personnel to hear parents' concerns and comments.

Parents and students should contact the principal of the school if specific questions arise related to the Code of Conduct.

The Code of Conduct specifies within its standards of behavior various violations of the Code which may result in a school staff member's request that a parent or guardian come to the school for a conference. Parents are encouraged to visit the schools regularly and are expected to be actively involved in the behavior support processes designed to promote positive choices and behavior.

Georgia law mandates that any time a teacher or principal identifies a student as a chronic disciplinary problem student, the principal shall notify by telephone call and by mail the student's parent or guardian of the disciplinary problem, invite the parent or guardian to observe the student in a classroom situation, and request at least one parent or guardian to attend a conference to devise a disciplinary and behavioral correction plan.

Georgia law also states that before any chronic disciplinary problem student is permitted to return to school from a suspension or expulsion, the school shall request by telephone call and by mail at least one parent or guardian to schedule and attend a conference to devise a disciplinary and behavioral correction plan.

The law allows a local board of education to petition the juvenile court to require a parent to attend a school

conference. If the court finds that the parent or guardian has willfully and unreasonably failed to attend the conference requested by the principal pursuant to the laws cited above, the court may order the parent or guardian to attend such a conference, order the parent or guardian to participate in such programs or such treatment as the court deems appropriate to improve the student's behavior, or both. After notice and opportunity for hearing, the court may impose a fine, not to exceed \$500.00, on a parent or guardian who willfully disobeys an order of the court under this law.

This Conduct Code shall be strictly construed subject only to exceptions required by a State or Federal law applicable hereto, and exceptions made by a disciplinary tribunal on a case-by-case basis.

#### **STUDENT EXTRACURRICULAR ACTIVITIES NOTIFICATION**

Each school principal shall implement procedures to annually notify all parents or guardians of all school-sponsored extracurricular activities, organizations and clubs in which students may participate and of the right of the parent or guardian to prohibit their child's participation. Notification to parents and guardians shall be provided annually via the student handbook and shall include the name of the extracurricular activity, student organization or club; information regarding the purpose, activities or national affiliation of the extracurricular activity, organization or club. Any membership or financial requirements for a student to join or become a member of the activity, organization or club shall be included in the information provided.

No student shall be allowed to participate in any school-sponsored extracurricular activity, organization or club if the student's parent or legal guardian has indicated in writing that the parent will not allow the student to participate and has provided a copy of such written notice to the school principal.

For school clubs formed after publication of the student handbook, parents or guardians must approve their student's participation via e-mail, fax or written permission to the school principal.

School extracurricular activities, organizations, or clubs for purposes of this policy are those that are supervised or sponsored by a school system employee designated by the principal, and that meet in school facilities.

As a part of the Georgia Student Health and Physical Education (GA SHAPE) initiative, all Houston County Public Schools (Grades 1-12) will participate in the required annual fitness assessment, the FITNESSGRAM. The FITNESSGRAM is a comprehensive fitness assessment for youth designed to assess cardiovascular fitness, muscular strength and endurance, flexibility, and body composition. The FITNESSGRAM is considered a quality fitness assessment for the following reasons:

1. FITNESSGRAM assessments use criterion-referenced standards. This means that a student can compare his/her scores with **standards that have been identified for good health**. This type of system prevents students from being compared to other students participating in the assessment.
2. FITNESSGRAM assesses the **current fitness level** of students and promotes individual goal setting to allow students to take ownership of their health.
3. FITNESSGRAM does **not** assess skill or athletic ability.

All students in grades 1-12 that are **enrolled in a P.E. class**, regardless of age, gender, or ability, will participate in the FITNESSGRAM assessment. Students are encouraged to be self-aware of their health related fitness and to take responsibility by setting personal fitness goals. When students focus on continually improving their fitness level, a positive lifelong impact can be achieved.

Please make sure that your child is appropriately dressed on fitness assessment days (comfortable pants or shorts, socks, and tennis shoes). Please **encourage** your child to participate with his/her best effort and to the **best** of his/her ability in each of the assessment components. Students in grades 1-3 will participate in Height and Weight measures and will begin learning the language and techniques of the other components. Students in grades 4-12 should be prepared to participate in the following components: 1. PACER or One-Mile Run, 2) Curl-Ups, 3) Push-Ups, 4) Back-Saver Sit and Reach, and 5) Height/Weight measures. *An additional assessment item, the **Trunk Lift**, may be offered to students seeking the Governor's Fitness Award. Students must score in the Healthy Fitness Zones on a total of 5 items for this award.*

A confidential FITNESSGRAM report that will include your child's scores as well as Healthy Fitness Zone information will be **provided via email** for each student at the end of the year or at the end of his/her first P.E. course during that year. The Healthy Fitness Zones represent the levels of fitness identified by research for good health. The information on this private report will not be displayed or made public. (Parents may request a hard copy of their child's report from the P.E. teacher.)
