VALENTINE'S PARTY

Valentine's Party will be on Thursday, February 11.

Your child will need to make/decorate a Valentine box/bag at home. Just have your child write their name in the "From" section on their Valentine, leave the "To" section blank. If your child does not write their name on their own yet then write it with them, hand over hand.

There are **11** children in Preschool.

Decorated boxes & Valentine's can be brought to school on the day of the party!

Please make sure your child comes to school every day with a coat (has a working zipper), child size mittens/gloves & a winter hat.
