Dear Superintendent Jackson:

We are pleased to inform you that the Exceptional Student Education Policies and Procedures (SP&P) document submitted by your district is approved for the 2020-2021 school year. The SP&P is required by section 1003.57(1)(b)4., Florida Statutes, and Rule 6A-6.03411, Florida Administrative Code, in order for a school district to be eligible to receive state or federal funding for special education and related services for exceptional students.

We appreciate your continued attention to the compliant provision of services in exceptional student education for Florida's students. If the bureau can be of further assistance to you in this area, please contact Mr. Julian Moreira, Educational Program Director, at 850-245-0475 or via email at Julian.Moreira@fldoe.org.

Sincerely,

Victoria Gaitanis, Chief
Bureau of Exceptional Student Education
